

**SOUTHWARK 2017 REVIEW OF
POLLING DISTRICTS,
POLLING PLACES AND POLLING
STATIONS**

Summary of final proposed changes

The LGBCE change from the existing 21 wards to 23 wards has required new polling districts to be redrawn for each ward. This has resulted in 105 polling districts, which is one more than the existing scheme. A total of 98 polling stations will be allocated for these polling districts. 4 polling stations will serve as a double polling station for two polling districts. These stations are:

- Albrighton Community Centre in Champion Hill Ward
- Dulwich Grove United Reformed Church in Goose Green Ward
- Bermondsey Village Hall in London Bridge & West Bermondsey
- Michael Faraday Primary School in Faraday ward

Dockland Settlements Community Centre in Surrey Docks Ward will serve as a triple polling station for the Surrey Docks ward.

The parameters for the process of drawing up the districts were:

- There should be no more than 2500 electors (excluding absent voters) allocated to a particular polling station as per the Electoral Commission's guidance.
- Polling district boundaries to be kept as close as possible to existing boundaries to provide a level of consistency for the voter
- All suitable existing polling stations used in 2017 election to be retained where possible

The electorate totals for all wards and polling districts in this report includes absent voters.
