Appendix A	Consultation responses to Herne Hill Forum Neighbourhood Area Application
Appendix B	Herne Hill Neighbourhood Planning Application & Appendices
Appendix C	Applied-for Neighbourhood Area Map with LB Southwark boundary
Appendix D	Proposed amended neighbourhood area boundary (LB Southwark portion only) with amendments identified
Appendix E	Proposed revised boundary (LB Southwark portion only)
Appendix F	Consultation responses received by LB Southwark relevant to LB Lambeth

Representations for the designation of Herne Hill Neighbourhood Area as a neighbourhood area for the purposes of neighbourhood planning

The following set of responses we submitted to the council's consultation hub but relate to parts of the applied for area within the LB Lambeth. Therefore these have been passed over to LB Lambeth to consider and are replicated here to comprise a complete record of responses received by the council during the consultation period.

The representor ID is N/AHHNAxx for "*Non Applicable Herne Hill Neighbourhood Area representation no. xx*" due to the representation not being applicable for consideration by LB Southwark. There is one response (Rep ID *N/AHHNA14*) counted in both this table where a response provides comment on parts of the neighbourhood area outside of LB Southwark, while also including comment on parts of the area that lies within LB Southwark. Therefore this has been included in both tables to demonstrate that both authorities have considered the relevant parts of the response.

Representor ID	Comment	Comment summary	Council response
N/AHHNA01	<p>The surveys didn't acknowledge and include people who identify as Denmark Hill. Ruskin Park is in Denmark Hill.</p> <p>Ruskin Park has its own interest group and does not need to be part of this Neighbourhood Planning. Ask anyone which park is in Herne Hill and surely the answer is that its Brockwell Park.</p>	<p>Area/neighbourhood survey undertaken did not include Denmark Hill as an option, despite the applied for area including Ruskin Park, which lies within Denmark Hill.</p> <p>The key park normally associated with</p>	<p>Noted, however as the part of the applied for neighbourhood area which has been commented on here lies within the LB Lambeth, the council has passed this and all other representations relating to land within the LB Lambeth for Lambeth council to consider. Similarly LB Lambeth have passed over any responses received which relate to land within the LB Southwark to consider. Where this is</p>

			the case, these have been flagged up as such.
N/AHHNA02	<p>I would like some explanation about the significance of the area, what difference it makes to anything and why it was drawn where it is. Why not include the whole of Brockwell Park which is highly relevant to our community. There has been no consultation. Some local shopkeepers know nothing about it. I am not against it I just want some information. There's a clique at the centre of the HH 'forum'.</p>	<p>What is the justification for not including Brockwell Park?</p> <p>There hasn't been enough consultation with many people in the community not aware. Do not object to the idea of neighbourhood planning in Herne Hill but should be better engaged and better at providing and sharing information.</p>	<p>Re: Brockwell Park see council response for Rep: HHNA02.</p>
N/AHHNA04	<p>I think that because another area doesn't currently have plans to develop a Neighbourhood Group, its opportunistic to land grab some of the borders. Finsen/Bicknell/Kemerton and the surrounding roads are all SE5 and I have friends who live there who definitely feel like Camberwellians (they would be surprised to see this!). Ditto Poets Corner - my friends definitely consider themselves Brixton residents. And I'm pretty sure those people who live next to North Dulwich train station consider themselves Dulwich residents - as their postcode would imply. So I am wary of why this boundary needs to be so big - I'm assuming there is a political reason the HHF have to develop this. I also think it's easy to talk of community pride and supporting the local economy - and of course these things are totally necessary and the area (I've been a resident for 13+ years) is improving immensely and that's fantastic. But I also wonder what the net effect of this will be in real terms? I would love to see resources and energy devoted to developing Loughborough Junction (LuvBro) as an area in its own</p>	<p>Boundary takes in too much for what is considered by most to be Herne Hill, particularly the parts that get that are around Camberwell/SE5, Brixton/Poets</p>	<p>Re: Brockwell Park see council response for Rep: HHNA02.</p>

	<p>right to rival Dalston, Peckham etc rather than being eclipsed by Herne Hill, the socio-economic make up of which is totally different. Empower other areas equally rather than subsume them.</p>		
N/AHHNA05	<p>To Whom It May Concern:</p> <p>Objection to the Herne Hill Neighbourhood plan area designation</p> <p>Thank you for the opportunity to contribute to the Herne Hill neighbourhood boundary proposal. We welcome the proposal to develop a local plan, however, we consider our area to be part of Herne Hill and wish to be included within the boundaries.</p> <p>We are a local neighbourhood association representing: Berwyn Road, Deerbrook Road, Deronda Road and Romola Road known as the Deronda Triangle.</p> <p>As active members of the community, including founding members of the Herne Hill Free Film Festival. We use the local services – medical, shops, market, transport and school. We are especially close to Brockwell Park, and regard this as a vital part of our neighbourhood. Our local polling station is in Trinity Rise. And have a Herne Hill postcode SE24.</p> <p>We are passionately committed to the future development of the area in a way that serves all its communities.</p> <p>We are particularly disappointed to be excluded in this first draft and the way in which the consultation appears to have been conducted. For example, of the four streets that make up the Deronda Triangle only 2 people were consulted.</p> <p>Maintaining the current Herne Hill boundary up to the South Circular - which will continue to cut the area naturally - seems more logical than</p>	<p>Deronda Triangle should be included in the neighbourhood area.</p>	<p>Re: Deronda Triangle see council response for Rep: HHNA02.</p>

	<p>what looks like a fairly arbitrary chop at Trinity Rise.</p> <p>We thank you for your consideration and look forward to our area being included in this plan.</p>		
N/AHHNA06	<p>We welcome the proposal to develop a local plan, however, we consider our area to be part of Herne Hill and wish to be included within the boundaries. The Forum has done some excellent work in developing a sense of community within Herne Hill but it's surprising to see quite how easily they have excluded areas that have significant social housing and appear to have cut through the area's current boundary in a cavalier fashion.</p> <p>We have a local neighbourhood association representing our part of Herne Hill: Berwyn Road, Deerbrook Road, Deronda Road and Romola Road, known as The Deronda Triangle. We are disappointed that our roads have been excluded by the Forum in this first draft and the way in which the consultation appears to have been conducted. For example, of the four streets that make up the Deronda Triangle only 2 people were consulted. We note that our local councillors were included in drafting the proposed boundary but at no point did they ask our area for views on this change. Nor did the invitation to attend a public meeting earlier in the year give any indication that this plan would define a new delineation and exclude areas currently recognised as Herne Hill.</p> <p>As active members of the local community we use the local services – medical, shops, market, transport, leisure facilities and schools. We are especially close to Brockwell Park, and regard this as a vital part of our neighbourhood. Some of our residents were amongst the founding members of the Herne Hill Free Film Festival and the number of volunteers from the area supporting this continues to grow. Our local polling station is in Trinity Rise and we have a Herne Hill postcode, SE24. We are passionately committed to the future</p>	<p>Deronda Triangle should be included in the neighbourhood area.</p>	<p>Re: Deronda Triangle see council response for Rep: HHNA02.</p>

	<p>development of the area, in a way that serves all its communities and want to play our part.</p> <p>We thank you for your consideration and look forward to our area being included in this plan.</p> <p>Thank you for the opportunity to contribute to the Herne Hill neighbourhood boundary proposal. We consider our area to be part of Herne Hill and wish to be included within the boundaries. We have a local neighbourhood association representing: Berwyn Road, Deerbrook Road, Deronda Road and Romola Road, known as The Deronda Triangle.</p> <p>We are particularly disappointed to be excluded in this first draft and the way in which the consultation appears to have been conducted. For example, of the four streets that make up the Deronda Triangle only 2 people were consulted. We note that our local councillors were included in drafting the proposed boundary but at no point did they ask our area for views on this change. Nor did the invitation to attend a public meeting earlier in the year give any indication that this plan would define a new delineation and exclude areas currently recognised as Herne Hill.</p> <p>Maintaining the current Herne Hill boundary up to the South Circular - which will continue to cut the area naturally - seems more logical than what looks like a fairly arbitrary chop at Trinity Rise.</p> <p>Please reconsider this as the current proposal is really not reflective of Herne Hill.</p>		
N/AHHNA07	<p>I do not support the proposed boundaries.</p> <p>Objection to the Herne Hill Neighbourhood plan area designation</p>	<p>Deronda Triangle should be included in the neighbourhood area.</p>	<p>Re: Deronda Triangle see council response for Rep: HHNA02.</p>

	<p>Thank you for the opportunity to contribute to the Herne Hill neighbourhood boundary proposal.</p> <p>I welcome the proposal to develop a local plan, however, I consider where I live to be part of Herne Hill and wish to be included within the proposed boundaries.</p> <p>Deronda Triangle residents are active members of the community, including founding members of the Herne Hill Free Film Festival, using the local services in Herne Hill – medical, shops, market, transport and schools. We are close to Brockwell Park, and regard this as a vital part of our neighbourhood. Our local polling station is in Trinity Rise. And we have a Herne Hill postcode SE24. We are passionately committed to the future development of the area in a way that serves all its communities.</p> <p>We are disappointed to be excluded from this first draft and I would also like to raise a question in the way in which the consultation appears to have been conducted. For example, of the four streets that make up the Deronda Triangle only 2 people have been consulted. The answer to question 8 above would indicate that a full consultation has taken place but as far as i know there has been minimal consultation with the residents in the Deronda Triangle about these boundaries. Nor has there been any communication from our local councillors (as far as I know) about this.</p> <p>Maintaining the current Herne Hill boundary up to the South Circular - which will continue to cut the area naturally - seems more logical than what looks like a fairly arbitrary chop at Trinity Rise, which also oddly excludes the Peabody Estate.</p>		
N/AHHNA08	Thank you for the opportunity to contribute to the Herne Hill neighbourhood boundary proposal. We welcome the proposal to develop a local plan, however, we consider our area to be part of	Deronda Triangle should be included in the neighbourhood area.	Re: Deronda Triangle see council response for Rep: HHNA02.

	<p>Herne Hill and wish to be included within the boundaries. We are a local neighbourhood association representing: Berwyn Road, Deerbrook Road, Deronda Road and Romola Road known as the Deronda Triangle.</p> <p>As active members of the community, including founding members of the Herne Hill Free Film Festival. 	<p>which will continue to cut the area naturally - seems more logical than what looks like a fairly arbitrary chop at Trinity Rise. We thank you for your consideration and look forward to our area being included in this plan.</p>		
N/AHHNA12	<p>Brockwell Park is considered the heart of Herne Hill and it is not clear why it is not included in the area Boundary.</p> <p>Brockwell Park is the heart of Herne Hill and should be included in the area boundary.</p>	<p>Brockwell Park should be included in the neighbourhood area boundary.</p>	<p>Re: Brockwell Park see council response for Rep: HHNA02.</p>
N/AHHNA13	<p>I do not believe the boundary reflects the area of Herne Hill. Brockwell Park is an integral part of Herne Hill and should be included. However Ruskin Park does not, in my opinion, form part of Herne Hill - it is much more part of Denmark Hill or Camberwell. I believe the North East boundary of Herne Hill should run along Herne Hill Road.</p> <p>Also while I agree with the inclusion of Trinity Rise (which does not form part of the SE24 postcode) in Herne Hill, I believe the south west boundary should be extended towards the Tulse Hill roundabout up to and including Romola Road - as the SE24 post code covers.</p>	<p>Deronda Triangle should be included in the neighbourhood area.</p>	<p>Re: Deronda Triangle see council response for Rep: HHNA02.</p>

	<p>I currently live on Rollscourt Avenue, but am in the process of moving to Romola Road. One of the key reasons for choosing to move to Romola Road was that we felt it still formed part of Herne Hill, and we do not want to move away from Herne Hill.</p>		
<p>N/AHHNA14</p>	<p>The SE5 Forum for Camberwell objects to the proposed area boundary.</p> <p>The proposed area boundary takes in significant parts of Camberwell, which, like Herne Hill, is a district that is (happily) in both the London Borough of Lambeth and the London Borough of Southwark. The SE5 Forum for Camberwell's objection would be resolved if the area boundary was amended to remove from the area those locations that form part of Camberwell SE5. This includes (but is not necessarily limited to) Acland Crescent, Bicknell Road, Cambria Road, Crossthwaite Avenue, Deepdene Road, Dylways, Finsen Road, Green Dale, Herschell Mews, Kemerton Road, Northway Road, Porchester Close, Sunset Road and Woodfarrs and the properties accessed from these streets.</p> <p>Please note that while the SE5 Forum for Camberwell chooses to use the SE5 postcode district as its working definition of Camberwell, the SE5 Forum's objection to the proposed area boundary is not because we consider that postcode district boundaries are, or should be, definitive in relation to determining the boundaries between communities. We recognise that postcode district boundaries are set to facilitate the efficient sorting and delivery of mail, and not for other reasons. In this case, however, the boundary between the SE5 (Camberwell) postcode district and the SE24 (Herne Hill) postcode district does coincide with both how local people identify themselves and with the principal natural geographical feature of the location, i.e., the crest of the hill that is called Denmark Hill, a part of Camberwell, on its northern flank, and Herne Hill on its southern flank; a fact that has been reflected for hundreds of years in the nomenclature of the</p>	<p>Object to inclusion of Dylways, Green Dale, Woodfarrs and the properties accessed from these streets in the neighbourhood area [alongside numerous other streets/locations in LB Lambeth]. This is because they are more commonly associated with Camberwell (SE5) rather than "Herne Hill" (SE24).</p>	<p>Noted.</p>

streets that ascend this hill from the north and from the south, with the point where the street name changes being the crest of the hill. We do consider that these factors, local people's identity and local geography and history, should be definitive in setting the area boundary.

Nevertheless, in relation to the attitude of the Royal Mail, we note that the Royal Mail considers Camberwell to be entirely contained by the SE5 (Camberwell) postcode district; and that, although the Royal Mail does consider Herne Hill to cover more than one postcode district, the two relevant postcode districts are the SE24 (Herne Hill) and SE22 (East Dulwich) postcode districts, not the SE5 postcode district.

Finally, we note that the Herne Hill Neighbourhood Forum considers that it should not matter that the proposed area boundary includes parts of neighbouring areas because these neighbouring communities are not proposing to prepare neighbourhood plans for their areas. This is, at least in the case of the SE5 Forum for Camberwell, true. We remain unconvinced by the value of neighbourhood planning and rather wish to put our efforts into working with the London Borough of Lambeth and the London Borough of Southwark to ensure that the boroughs' planning documents reflect the policies and proposals that best address Camberwell's needs and priorities. This does not mean that it would therefore be appropriate for a neighbouring community group to instead undertake neighbourhood planning for parts of Camberwell (although it does leave open the possibility of another Camberwell community group (e.g., the Camberwell Society) wishing to become the neighbourhood forum for Camberwell); it should be Camberwell's people's choice to work to improve their community in ways other than via a neighbourhood plan if we wish to, rather than becoming a peripheral part-area in another community's plan.

We would welcome an opportunity to discuss these comments with Lambeth and Southwark councillors and officers and would be

	<p>especially keen to do so if anything in this objection is unclear. You can contact us at chair@se5forum.org.uk or on 07758 449 162 (Barbara Pattinson, Chair) or 07775 795 931 (Craig Stansfield, Vice Chair).</p> <p>With many thanks.</p>		
N/AHHNA15	<p>I am concerned that Deronda Road and the neighbouring roads are not included with the boundary. These roads are part of Herne Hill, have an SE24 postcode and are beyond the boundary of the neighbouring West Norwood and Tulse Hill Streetworks plan. I am also very surprised to see the Peabody Estate on Rosendale Road excluded from the scheme. I find these exclusions particularly puzzling given that the proposed boundaries reach almost to Loughborough Junction station and into what I would consider to be Denmark Hill.</p>	<p>Deronda Triangle should be included in the neighbourhood area.</p>	<p>Re: Deronda Triangle see council response for Rep: HHNA02.</p>
N/AHHNA16	<p>I am very concerned at being removed from the Herne Hill area. I use the Brockwell Park Surgery (having moved from the atrocious surgery on the Tulse Hill gyratory) I wish to remain in the Herne Hill zone and feel it's inappropriate that the Deronda Triangle should be removed from this zone. I have no idea why this should be the case and it would certainly cause inconvenience if I would have to move doctors yet again. I think everyone living near the Tulse Hill gyratory already feels like a second class citizen and I can't see how our removal from Herne Hill would benefit us.</p>	<p>Deronda Triangle should be included in the neighbourhood area.</p>	<p>Re: Deronda Triangle see council response for Rep: HHNA02.</p>
N/AHHNA17	<p>We have not been consulted on the proposed boundary changes. Our home was bought because it was in Herne Hill. We enjoy knowing we live in Herne Hill and would like to continue to be part of that community. There has been no clear reason given for the boundary</p>	<p>Deronda Triangle should be included in the neighbourhood area.</p>	<p>Re: Deronda Triangle see council response for Rep: HHNA02.</p>

	<p>movement.</p> <p>Please, can we be informed as to why the Deronda Triangle is being excluded from the Herne Hill community? The boundary does not naturally follow logical lines. It appears that less desirable areas i.e. Peabody Estate may have been excluded from the Herne Hill Boundaries.</p>		
N/AHHNA18	<p>We have not been consulted on the proposed boundary changes. Our home was bought because it was in Herne Hill. <p>N/AHHNA21</p>	<p>I understand that your suggestion to exclude Berwyn Road, Deerbrook Road, Deronda Road and Romola Road from the Herne Hill area is partly based on a survey of the local residents.</p> <p>Based on the elements you have released regarding the survey design and sampling methodology, I have serious doubts about the robustness of your data and I will consequently question the validity of your conclusions.</p>	<p>Deronda Triangle should be included in the neighbourhood area.</p>	<p>Re: Deronda Triangle see council response for Rep: HHNA02.</p>

	<p>I would therefore ask you to provide the full detail of the professional qualification of the organisation or individuals who designed this survey and analysed the results, including their affiliation to professional bodies such as the Market Research Society or equivalent. If they are not research professionals, their survey design could be suspected of being biased and therefore invalid.</p> <p>I would also ask you to provide evidence of the professional training/qualification of the individuals who interviewed of the residents. Unless they have been trained according to the Market Research Society code of conduct, we can just ignore the data they collected. Any survey professional will confirm that interviewers who are alien to the art of remaining neutral and not influencing the respondent have a significant propensity to bias the answers of the respondents, and consequently the survey results. I also assume that the individuals who conducted the interviews had no relationship with the organisation who commissioned the survey (i.e. you) as it would be a clear breach of the MRS code of conduct, and here again would mean we could ignore the survey results altogether, but I would like to get a credible confirmation of this.</p>		
N/AHHNA22	<p>I support keeping the Deronda triangle particularly DeRonda rd the road in Herne Hill. People in Deronda Road and around the triangle use Brockwell Park very regularly and also use the Herne Hill shops and market all the time. We go to the market weekly and know all of the main stallholders in the market. We also have long-standing relationships with the shopkeepers in Herne Hill. We are supporters of all of the local Fernhill events including the film festival and the various festivals in Brockwell Park. We would be concerned to think that the deRonda triangle would be excluded from the Herne hill area.</p>	<p>Deronda Triangle should be included in the neighbourhood area.</p>	<p>Re: Deronda Triangle see council response for Rep: HHNA02.</p>
