## BACKGROUND INFORMATION

### The Licensing Act 2003

3. The Licensing Act 2003 provides a licensing regime for:
  - The sale of and supply of alcohol
  - The provision of regulated entertainment
  - The provision of late night refreshment.
4. Within Southwark, the licensing responsibility is wholly administered by this council.

5. The Act requires the licensing authority to carry out its functions under the Act with a view to promoting the four stated licensing objectives. These are:
  - The prevention of crime and disorder
  - The promotion of public safety
  - The prevention of nuisance
  - The protection of children from harm.
  
6. In carrying out its licensing functions, a licensing authority must also have regard to:
  - The Act itself
  - The guidance to the act issued under Section 182 of the Act
  - Secondary regulations issued under the Act
  - The licensing authority's own statement of licensing policy
  - The application, including the operating schedule submitted as part of the application
  - Relevant representations.
  
7. The premises licence application process involves the provision of all relevant information required under the Act to the licensing authority with copies provided by the applicant to the relevant responsible bodies under the Act. The application must also be advertised at the premises and in the local press. The responsible authorities and other persons within the local community may make representations on any part of the application where relevant to the four licensing objectives.

## **KEY ISSUES FOR CONSIDERATION**

### **The premises licence application**

8. On 24 October 2017, Somchai Sungprapai applied to this council for the grant of a premises licence in respect of Lombok Thai, 17 Half Moon Lane, London SE24 9JU after it was found that the previous licence had become void. The premises are described in the application simply as being: "[An] Asian Thai Restaurant."
  
9. The application and is summarised as follows:
  - **The sale by retail of alcohol (both on and off sales):**
    - Monday to Saturday from 11:00 to 00:00 (midnight)
    - Sunday from 12:00 (midday) to 23:30).
  
  - **The provision of late night refreshment (indoors):**
    - Monday to Saturday from 23:00 to 00:30 (the following day)
    - Sunday from 23:00 to 00:00 (midnight).
  
  - **The provision of regulated entertainment in the form of recorded music (Indoors):**
    - Monday to Saturday from 11:00 to 00:30 (the following day)
    - Sunday from 12:00 (midday) to 00:00 (midnight).
  
  - **Opening hours:**
    - Monday to Saturday from 11:00 to 00:30 (the following day)
    - Sunday from 11:00 (midday) to 00:00 (midnight).

- The proposed designated premises supervisor of the premises is Chanat Wongprasert who has a personal licence by London Borough of Sutton.
10. The premises licence application form provides the applicant's operating schedule. Parts A, B, C, E, F, G, H, I, J, K, L, and M of the operating schedule set out the proposed licensable activities, operating hours and operating control measures in full, with reference to the four licensing objectives as stated in the Licensing Act 2003. Should a premises licence be issued in respect of the application the information provided in part M of the operating schedule will form the basis of conditions that will be attached to any licence granted subsequent to the application. A copy of the application and premises plan is attached to this report in Appendix A.

### **Representations from responsible authorities**

11. Representations were submitted by the Metropolitan Police Service (Licensing Division), the planning authority, and the trading standards authority. The representations and subsequent withdrawals can be found at Appendix B.
12. The Metropolitan Police Service made a representation which has since been withdrawn further to an agreement to accept additional conditions. The following conditions have been agreed to be added to the Operating Schedule of the Premises Licence:
- That a CCTV system be installed at the premises and be maintained in good working order and be continually recording at all times the premises are in use under the licence. The CCTV System must be capable of capturing a clear facial image of every person who enters the premises.
  - That all CCTV footage be kept for a period of 31 days and shall on request be made immediately available to officers of the police and the council. There will be at least one person on duty at all times that is familiar with the operation of the CCTV and able to download the footage upon reasonable request.
  - That all staff are trained in their responsibilities under the licensing act 2003 and training records to be kept and updated every six months and shall, upon request, be made immediately available to officers of the police and the council.
  - That signage on entrance/exit requesting customers to respect neighbours and leave quietly.
  - That no persons shall use any outside area other than those that leave to smoke to which is limited to five people only and shall be monitored by staff
  - That intoxicating liquor shall not be sold or supplied on the premises other than to persons having table meals and is for consumption by such person as an ancillary to this food.
  - That all off sales of alcohol shall be made as an ancillary to takeaway meals and shall be in sealed containers for consumption away from the premises.
13. The representation from Southwark planning authority was concerned that there was a change of use of the premises. This appears to have been made in error and has since been withdrawn as a result.
14. The representation from the council's trading standards authority is made under the licensing objectives of the protection of children from harm and concerns itself with the Challenge 25 principal. It remains unresolved at this time, but at the point this report went to press, the Applicant's legal agent believed that their client would be able to resolve the concerns.

## Representations from other persons

15. Representations have been received from two other persons, both representing local Residents Associations. Both representations are identical in nature and draw members' attention to the Southwark licensing policy for that area, stating that the hours are excessive. These representations are available in Appendix C.

## Conciliation

16. The applicant's legal representative was sent copies of all the submitted representations. Two of the representations from responsible authorities have been conciliated, but the matters with the trading standards authority remain outstanding, though the applicant's legal agent has made attempts to contact the objector.
17. At the point that this report was published, no conciliation had been reached with the other persons. The applicant's legal agent wished to resolve matters with the responsible authorities before approaching the residents' associations.

## Premises history

18. The premises has been run as Lombok Thai for years. There was a premises licence in place (see Appendix D). Applications were received by the licensing authority on 19 October 2017 to transfer the premise licence and to vary the designated premises supervisor. When the authority's administration team went to process the application, the limited company status of the previous licence holder was researched. It was found that the company holding the licence had been dissolved in June 2010. As the licence had not been transferred within the first 28 days of the dissolution, the licence had lapsed and become void. The new licence holder was therefore required to apply for a new premises licence.
19. Due to the lack of licence in place, the premises has been run on a series of weekend temporary event notices since the licensing error has been acknowledged (see the table below). All applications have been granted and no counter notices have been issued.

## Southwark council statement of licensing policy

22. Council assembly approved Southwark's statement of licensing policy 2016 - 2020 on 25 November 2015. The policy came into effect on 1 January 2016. Sections of the statement that are considered to be of particular relevance to the sub-committee's consideration are:

- Section 3 - Purpose and scope of the policy. This reinforces the four licensing objectives and the fundamental principles upon which this authority relies in determining licence applications.
- Section 5 – Determining applications for premises licences and club premises certificates. This explains how the policy works and considers issues such as

location; high standards of management; and the principles behind condition setting.

- Section 6 – Local cumulative impact policies. This sets out this authority’s approach to cumulative impact and defines the boundaries of the current special policy areas and the classifications of premises to which they apply. To be read in conjunction with Appendix B to the policy
  - Section 7 – Hours of operation. This provides a guide to the hours of licensed operation that this authority might consider appropriate by type of premises and (planning) area classification.
  - Section 8 – The prevention of crime and disorder. This provides general guidance on the promotion of the first licensing objective.
  - Section 9 – Public safety. This provides general guidance on the promotion of the second licensing objective.
  - Section 10 – The prevention of nuisance. This provides general guidance on the promotion of the third licensing objective.
  - Section 11 – The protection of children from harm. This provides general guidance on the promotion of the fourth licensing objective.
23. The purpose of Southwark’s statement of licensing policy is to make clear to applicants what considerations will be taken into account when determining applications and should act as a guide to the sub-committee when considering the applications. However, the sub-committee must always consider each application on its own merits and allow exceptions to the normal policy where these are justified by the circumstances of the application.
24. Within Southwark’s statement of licensing policy, the premises are identified as being outside of a cumulative impact policy area, but within the Hearne Hill district town centre. Under the Southwark statement of licensing policy 2016 - 2020 the following closing times are recommended as appropriate within this area for the following categories of premises:
- Closing time for Restaurants and Cafes:
    - Sunday to Thursday 00:00
    - Friday and Saturday is 01:00.

### **Resource implications**

25. A fee of £190.00 has been paid by the applicant company in respect of this application being the statutory fee payable for premises within non-domestic rateable value bands D/E.

### **Consultation**

26. Consultation has been carried out on this application in accordance with the provisions of the Licensing Act 2003. A public notice was published in a local newspaper and similar notices were exhibited outside of the premises for a period of 28 consecutive days.

### **Community impact statement**

27. Each application is required by law to be considered upon its own individual merits with all relevant matters taken into account.

## **SUPPLEMENTARY ADVICE FROM OTHER OFFICERS**

### **Director of Law and Democracy**

28. The sub-committee is asked to determine the application for a premises licence under section 17 of the Licensing Act 2003.
29. The principles which sub-committee members must apply are set out below.

### **Principles for making the determination**

30. The general principle is that applications for premises licence applications must be granted unless relevant representations are received. This is subject to the proviso that the applicant has complied with regulations in advertising and submitting the application.
31. Relevant representations are those which:
  - Are about the likely effect of the granting of the application on the promotion of the licensing objectives
  - Are made by an interested party or responsible authority
  - Have not been withdrawn
  - Are not, in the opinion of the relevant licensing authority, frivolous or vexatious.
32. If relevant representations are received then the sub-committee must have regard to them, in determining whether it is necessary for the promotion of the licensing objectives to:
  - To grant the licence subject to:
    - The conditions mentioned in section 18 (2)(a) modified to such extent as the licensing authority considers necessary for the promotion of the licensing objectives
    - Any condition which must under section 19, 20 or 21 be included in the licence
  - To exclude from the scope of the licence any of the licensable activities to which the application relates
  - To refuse to specify a person in the licence as the premises supervisor
  - To reject the application.

### **Conditions**

33. The sub-committee's discretion is thus limited. It can only modify the conditions put forward by the applicant, or refuse the application, if it is necessary to do so. Conditions must be necessary and proportionate for the promotion of one of the four licensing objectives, and not for any other reason. Conditions must also be within the control of the licensee, and should be worded in a way which is clear, certain, consistent and enforceable.
34. The four licensing objectives are:
  - The prevention of crime and disorder
  - Public safety
  - The prevention of nuisance
  - The protection of children from harm.
35. Members should note that each objective is of equal importance. There are no other licensing objectives, and the four objectives are paramount considerations at all times.

36. Conditions will not be necessary if they duplicate a statutory position. Conditions relating to night café and take away aspect of the license must relate to the night time operation of the premises and must not be used to impose conditions which could not be imposed on day time operators.
37. Members are also referred to the Home Office Revised Guidance issued under section 182 of the Licensing Act 2003 on conditions, specifically section 10.

### **Reasons**

38. If the sub-committee determines that it is necessary to modify the conditions, or to refuse the application for a premises licence application, it must give reasons for its decision.

### **Hearing procedures**

39. Subject to the licensing hearing regulations, the licensing committee may determine its own procedures. Key elements of the regulations are that:
  - The hearing shall take the form of a discussion led by the authority. Cross examination shall not be permitted unless the authority considered that it is required for it to consider the representations.
  - Members of the authority are free to ask any question of any party or other person appearing at the hearing.
  - The committee must allow the parties an equal maximum period of time in which to exercise their rights to:
    - Address the authority
    - If given permission by the committee, question any other party.
    - In response to a point which the authority has given notice it will require clarification, give further information in support of their application.
  - The committee shall disregard any information given by a party which is not relevant to the particular application before the committee and the licensing objectives.
  - The hearing shall be in public, although the committee may exclude the public from all or part of a hearing where it considers that the public interest in doing so outweighs the public interest in the hearing, or that part of the hearing, taking place in private.
  - In considering any representations or notice made by a party the authority may take into account documentary or other information produced by a party in support of their application, representations or notice (as applicable) either before the hearing or, with the consent of all the other parties, at the hearing.
40. This matter relates to the determination of an application for a premises licence under section 17 of the Licensing Act 2003. Regulation 26(1) (a) requires the sub-committee to make its determination at the conclusion of the hearing.

### **Council's multiple roles and the role of the licensing sub-committee**

41. Sub-committee members will note that, in relation to this application, the council has multiple roles. Council officers from various departments have been asked to consider the application from the perspective of the council as authority responsible respectively for environmental health, trading standards, health and safety and as the planning authority.

42. Members should note that the licensing sub-committee is meeting on this occasion solely to perform the role of licensing authority. The sub-committee sits in quasi-judicial capacity, and must act impartially. It must offer a fair and unbiased hearing of the application. In this case, members should disregard the council's broader policy objectives and role as statutory authority in other contexts. Members must direct themselves to making a determination solely based upon the licensing law, guidance and the council's statement of licensing policy.
43. As a quasi-judicial body the licensing sub-committee is required to consider the application on its merits. The sub-committee must take into account only relevant factors, and ignore irrelevant factors. The decision must be based on evidence, that is to say material, which tends logically to show the existence or non-existence of relevant facts, or the likelihood or unlikelihood of the occurrence of some future event, the occurrence of which would be relevant. The licensing sub-committee must give fair consideration to the contentions of all persons entitled to make representations to them.
44. The licensing sub-committee is entitled to consider events outside of the premises if they are relevant, i.e. are properly attributable to the premises being open. The proprietors do not have to be personally responsible for the incidents for the same to be relevant. However, if such events are not properly attributable to the premises being open, then the evidence is not relevant and should be excluded. Guidance is that the licensing authority will primarily focus on the direct impact of the activities taking place at the licensed premises on members of the public, living, working or engaged in normal activity in the area concerned.
45. Members will be aware of the council's code of conduct which requires them to declare personal and prejudicial interests. The code applies to members when considering licensing applications. In addition, as a quasi-judicial body, members are required to avoid both actual bias, and the appearance of bias.

The sub-committee can only consider matters within the application that have been raised through representations from other persons and responsible authorities. Other persons must live in the vicinity of the premises. This will be decided on a case to case basis.

46. Under the Human Rights Act 1998, the sub-committee needs to consider the balance between the rights of the applicant and those making representations to the application when making their decision. The sub-committee has a duty under section 17 Crime and Disorder Act 1998 when making its decision to do all it can to prevent crime and disorder in the borough.
47. Other persons, responsible authorities and the applicant have the right to appeal the decision of the sub-committee to the magistrates' court within a period of 21 days beginning with the day on which the applicant was notified by the licensing authority of the decision to be appealed against.

### **Guidance**

48. Members are required to have regard to the Home Office Revised Guidance in carrying out the functions of licensing authority. However, guidance does not cover every possible situation, so long as the guidance has been properly and carefully understood, members may depart from it if they have reason to do so. Full reasons must be given if this is the case.

### **Strategic Director of Finance and Governance**

49. The head of community safety and enforcement has confirmed that the costs of this process are borne by the service.
