Subject to the following seven conditions:

Time limit for implementing this permission and the approved plans

- 1 The development hereby permitted shall be begun before the end of three years from the date of this permission.

Reason

As required by Section 91 of the Town and Country Planning Act 1990 as amended.

- 2 The development hereby permitted shall not be carried out otherwise than in accordance with the following approved plans: SC-ST & M-3 REV A - PLANS AND ELEVATIONS, SC-ST & M-LP2 - PROPOSED SITE LOCATION PLAN

Reason:

For the avoidance of doubt and in the interests of proper planning.

Pre-commencement condition(s) - the details required to be submitted for approval by the condition(s) listed below must be submitted to and approved by the council before any work in connection with implementing this permission is commenced.

- 3 Details of bird and/or bat nesting boxes / bricks shall be submitted to and approved in writing by the Local Planning Authority prior to the commencement of the use hereby granted permission.

No less than 3 nesting boxes / bricks shall be provided and the details shall include the exact location, specification and design of the habitats. The boxes / bricks shall be installed with the development prior to the first occupation of the building to which they form part or the first use of the space in which they are contained.

The nesting boxes / bricks shall be installed strictly in accordance with the details so approved, shall be maintained as such thereafter.

Reason: To ensure the development provides the maximum possible provision towards creation of habitats and valuable areas for biodiversity in accordance with policies: 5.10 and 7.19 of the London Plan 2011, Policy 3.28 of the Southwark Plan and Strategic Policy 11 of the Southwark Core strategy.

- 4 The existing trees on or adjoining the site which are to be retained shall be protected and both the site and trees managed in accordance with the recommendations (including facilitative pruning specifications and supervision schedule) contained in the Arboricultural Method Statement. All tree protection measures shall be installed, carried out and retained throughout the period of the works, unless otherwise agreed in writing by the Local Planning Authority. In any case, all works must adhere to BS5837: (2012) Trees in relation to demolition, design and construction and BS3998: (2010) Tree work - recommendations.

If within the expiration of 5 years from the date of the occupation of the building for its permitted use any retained tree is removed, uprooted is destroyed or dies, another tree shall be planted at the same place and that tree shall be of such size and species, and shall be planted at such time, as may be specified in writing by the Local Planning Authority.

Reason

To avoid damage to the existing trees which represent an important visual amenity in the area, in accordance with The National Planning Policy Framework 2012 Parts 7, 8, 11 & 12 and policies of The Core Strategy 2011: SP11 Open spaces and wildlife; SP12 Design and conservation; SP13 High environmental standards, and Saved Policies of The Southwark Plan 2007: Policy 3.2 Protection of amenity; Policy 3.12 Quality in Design; Policy 3.13 Urban Design and Policy 3.28 Biodiversity.

Commencement of works above grade - the details required to be submitted for approval by the condition(s) listed below must be submitted to and approved by the council before any work above grade is commenced. The term 'above grade' here means any works above ground level.

- 5 Before any above grade work hereby authorised begins, detailed drawings of the hard and soft landscaping (including cross sections, surfacing materials of any parking, access, or pathways layouts, materials and edge details) shall be provided and include specific details on:

a. providing a minimum replanting of 254cm equivalent stem girth of trees;

The details submitted shall be approved in writing by the Local Planning Authority. The landscaping shall not be carried out otherwise than in accordance with any such approval given and shall be retained for the duration of the use.

The planting, seeding and/or turfing shall be carried out in the first planting season following completion of building works and any trees or shrubs that is found to be dead, dying, severely damaged or diseased within five years of the completion of the building works OR five years of the carrying out of the landscaping scheme (whichever is later), shall be replaced in the next planting season by specimens of the same size and species in the first suitable planting season. Planting shall comply to BS: 4428 Code of practice for general landscaping operations, BS: 5837 (2012) Trees in relation to demolition, design and construction and BS 7370-4:1993 Grounds maintenance Recommendations for maintenance of soft landscape (other than amenity turf).

Reason

So that the Council may be satisfied with the details of the landscaping scheme in accordance with The National Planning Policy Framework 2012 Parts 7, 8, 11 & 12 and policies of The Core Strategy 2011: SP11 Open spaces and wildlife; SP12 Design and conservation; SP13 High environmental standards, and Saved Policies of The Southwark Plan 2007: Policy 3.2 Protection of amenity; Policy 3.12 Quality in Design; Policy 3.13 Urban Design and Policy 3.28 Biodiversity.

Pre-occupation condition(s) - the details required to be submitted for approval by the condition(s) listed below must be submitted to and approved by the council before the building(s) hereby permitted are occupied or the use hereby permitted is commenced.

- 6 Prior to the commencement of use a scheme of sound insulation shall be submitted to the local planning authority to ensure that the LFmax sound from amplified and non-amplified music and speech shall not exceed the lowest L90,5min 1m from the facade of the nearby residential premises at all third octave bands between 31.5Hz and 8kHz. The plant and equipment shall be installed and constructed in accordance with any such approval given and shall be permanently maintained thereafter and the development shall not be carried out otherwise than in accordance with any such approval given.

Reason

To ensure that the occupiers and users of the proposed development do not suffer a loss of amenity by reason of noise nuisance and other excess noise from activities within the commercial premises accordance with the National Planning Policy Framework 2012, Strategic Policy 13 'High environmental standards' of the Core

Strategy (2011) and saved Policy 3.2 Protection of Amenity of the Southwark Plan (2007).

Compliance condition(s) - the following condition(s) impose restrictions and/or other requirements that must be complied with at all times once the permission has been implemented.

- 7 The materials to be used in the implementation of this permission shall not be otherwise than as described and specified in the application and on the drawings hereby approved unless the prior written consent of the local planning authority has been obtained for any proposed change or variation.

Reason

To ensure that the new works blend in with the existing building in the interest of the design and appearance of the building in accordance with The National Planning Policy Framework 2012, Strategic Policy 12 - Design and Conservation of The Core Strategy 2011 and Saved Policies 3.12 Quality in Design and 3.13 Urban Design of the Southwark Plan 2007

Statement of positive and proactive action in dealing with the application
