

APPENDIX D

PETITION

Petition

Petition against	Fora license application number 863320, 180 Borough High Street, London SE1 1AP L0 Premises (A new premises license to license the Ground Floor/Lower Ground Floor/Fifth Floor Area C for films and live music Indoors, for recorded music and supply of alcohol both on and off the premises and for the opening hours of Monday to Saturday 11:00 - 23:30 and Sunday 11:00 - 22:00 and to license the Fifth Floor Terrace Area D for the same licensable activities Monday to Sunday 11:00 - 21:00.)
Reason for opposition:	Prevention of crime and disorder due to drunk individuals, music and live music events within 1 metre of residents creating unwanted noise, exposing residents to drunken behaviour and loud noise. Prevention of public nuisance due to drunk individuals, music and live music events, which could lead to loud individuals and sound, encroaching on residents' rights to quiet enjoyment of their homes, in addition to potential cursing, obscenities and epithets. Public urination due to drunk individuals just outside the entrance to the building which is in close proximity to Fora's entrance is also a concern as its a quieter spot for a man urinate. Public safety due to the sale of alcohol on and off premises, leading to drunk individuals who could be aggressive to residents for whatever reason, especially if confronted to keep noise to a minimum while residents try to sleep. From the roof terrace, drunk individuals could behave dangerously and throw items like bottles down, endangering residents. Protection of children from harm due to the proximity of Fora to Little Dorrit Park (a protected park designed for use by young children) and alcohol being served and sold inside and outside their premises in full view of the park. This also applies to children who may live with their parents within the residential development; some already house toddlers and children who would be exposed to parties involving alcohol of an adult nature, obscenities, cursing and epithets. Public urination due to drunk individuals just outside the entrance to the building which is in close proximity to Fora's entrance is also a concern as its a quieter spot for a man urinate, potentially exposing children to unnecessary unsavory views.
Indicator of petition	Dimitri Yannakis, Flat 42 Brandon House, 10 Hillary Mews, London SE1 1AP.

Please ensure all names and addresses are clearly legible and preferably written in black ink. A copy of the petition will be supplied to the applicant and a copy will be contained within the committee papers, however all personal details will be removed to ensure they do not become public knowledge.
