

Item No. 12.	Classification: Open	Date: 6 June 2018	Meeting Name: Audit, governance and standards committee
Report title:		In year review of work programme 2018-19: July 2018	
Ward(s) or groups affected:		All	
From:		Strategic Director of Finance and Governance	

RECOMMENDATIONS

1. That the audit, governance and standards committee consider the proposed revised work programme for 2018-19, including scheduling of governance topics for the year and also whether they would wish to make any other amendments.
2. That the audit, governance and standards committee, subject to any requested changes, agree the work programme set out in Appendix 1 for 2018-19.

BACKGROUND INFORMATION

3. At their meeting in June 2018, the committee considered and agreed a work programme for 2018-19 and recommended a governance topic on "The council's procurement policy - compliance and implementation", and that potential governance topics for 2018-19 could consider the IT network audit recommendations after November 2018, and equality impact assessments, including sub-contracting, for future meetings.

KEY ISSUES FOR CONSIDERATION

4. In considering items for inclusion, it may be helpful to do this within the framework of the committee's purpose, as set out in the constitution. This was amended in 2016-17 when the committee was renamed and is stated to be:
 - Independent assurance of the adequacy of the council's governance arrangements, including the risk management framework and the associated control environment
 - Independent scrutiny of the authority's financial and non-financial performance to the extent that it affects the authority's exposure to risk and weakens the control environment
 - Oversight of the financial reporting process
 - Scrutiny of the treasury management strategy and policies
 - A framework to promote and maintain high standards of conduct by councillors, co-opted members and church and parent governor representatives.
5. The committee's revised terms of reference, as approved by council assembly, cover functions relating to audit activity, the regulatory framework, accounts, treasury management and the council's standards framework. They are attached at Appendix 1 as they may further help the committee to determine items to be included in its work programme.
6. The work programme for 2018-19 agreed in June 2018 has been included at Appendix 1 for the committee's consideration. Items shown in brackets are standing items which will be brought forward as they arise.
7. During 2018-19, the committee has agreed to continue to review a range of governance

issues through the year. Some proposed topics included:

- IT network audit recommendations (after November 2018, following the agreed completion date for these actions)
 - equality impact assessments, including sub-contracting.
8. There remains a need to ensure flexibility in terms of emerging issues which come to light through items already on the committee's agenda. For example, a review of audit recommendations and progress on their implementation may highlight a need to request the attendance of individuals at a future meeting to help explain action taken. The draft programme therefore includes a standing item relating to review of the committee's work plan. There may also be a need to review the work programme to take account of any changes which may be agreed to the council's constitution during the year.
9. Items have been grouped in line with its functions, in order to ensure that there is appropriate coverage of the committee's key roles as defined in its terms of reference.
10. Training will continue to be provided for members on the role of the committee, and development needs will continue to be monitored to enable appropriate training to be provided as opportunities arise.
11. The committee is asked to consider whether the attached work programme reflects its priorities for the next year or whether there are other amendments which it would wish to see included.

Policy implications

12. This report is not considered to have direct policy implications.

Community impact statement

13. The decision to agree a work programme for next year is considered not to have a significant impact on any particular community or group.

Resource implications

14. There are no direct resource implications in this report.

Consultation

15. There has been no consultation on this report.
