

Scrutiny review proposal

1 What is the review?

Reducing health inequalities through council services

2 What outcomes could realistically be achieved? Which agency does the review seek to influence?

Improving the uptake by disadvantaged communities of the following services:

- free swim and gym offer
- parks and green spaces
- walking and cycling routes and pathways
- community activities
- community activism

3 When should the review be carried out/completed? i.e. does the review need to take place before/after a certain time?

March 2019

4 What format would suit this review? (e.g. full investigation, q&a with executive member/partners, public meeting, one-off session)

Scrutiny review comprised of :

Officer report providing statistics on current usage across the 8 protected characteristics and any other disadvantaged cohorts (e.g. income deprivation) and any current scheme to improve take-up

Field work

- 5** What are some of the key issues that you would like the review to look at?

- 6** Who would you like to receive evidence and advice from during the review?

- 7** Any suggestions for background information? Are you aware of any best practice on this topic?

- 8** What approaches could be useful for gathering evidence? What can be done outside committee meetings?
e.g. verbal or written submissions, site visits, mystery-shopping, service observation, meeting with stakeholders, survey, consultation event
