Red Sea Restaurant, 85 Camberwell Rd, SE5 0EZ (licence no. 855543)

I write with reference to the application for extension of licensing hours for the above premises on Fridays and Sundays. The existing licence allows opening on Saturday nights to 02.30.

My flat overlooks the junction of Grosvenor Terrace and this part of Camberwell Rd, close to the premises. On a number of occasions I have experienced sleep disturbance on Saturday nights as a result of noise when customers leave the premises. Groups often remain outside the premises or in the immediate area talking loudly for long periods of time. The disturbance has continued well after 03.00, by which time traffic and other ambient noise is significantly reduced, making the disturbance more intrusive.

Despite being on the main road this is a residential area, and for these reasons I would not wish to see the licensing hours extended on Friday and Sunday evenings as the licensee is requesting.
