That planning permission be refused on the following grounds:

- Hotels not being an appropriate use of the land, and being in conflict with the Blackfriars Road SPD and the emerging NSP designation NSP15, and the over-dominance of hotels in the area contrary to Saved Southwark Plan policy 1.12.
- The building is too tall and breaches the recommended height for this part of Blackfriars Road in the SPD, and does not comply with Tall Building policy 3.20.
- The building is an overdevelopment of a confined site and has an adverse impact on the amenity of neighbours including by overshadowing the school playground, having a negative impact on the learning environment.
- The quality of the hotel accommodation, in terms of the internalised bedrooms, does not comply with London Plan policy 4.5 section C, in terms of meeting the requirements for accreditation by the national quality assurance scheme.
