M - Steps to promote four licencing objectives

a) General - all four licensing objectives (b,c,d,e) (Please read guidance note 10)

As a licensed premises we know that it is necessary to carry out our functions and operate our businesses with a purpose of promoting good working practices. We promise to continue these objectives through our existing procedures and any other measures (including staff training and qualifications, policies, and strategic partnerships with other agencies).

We have strong management controls in place and training for all staff so that they are aware of the importance of the premises licence and the requirements to meet the four

- licensing objectives and pay particular attention to ensuring the following:

 1) That there is no selling of alcohol to underage people

 2) We do not tolerate drunk and disorderly behaviour within our building and our security staff ensure that anyone who might be disruptive is escorted away from the premises.

3) Our staff are trained to be vigilant in preventing the use and sale of illegal drugs at

4) Our security staff ensure that there is no violent or anti-social behaviour

b) the prevention of crime and disorder

We have a CCTV System installed to monitor the premises in order to address the prevention of crime objective. Recordings are kept on a hard drive for 30 days.

All our events where alcohol is on the premises have trained and badged security staff both to deter crime and in the unlikely event (given that our events are small and usually invited guests to corporate functions or weddings/family parties) in three years of previous trading we have never had any Issues.

Business - Application for a premises licence to be granted under the Licensing Act 2003

All staff are trained not to sell alcohol to drunk or intoxicated customers.

Our security staff are vigilant preventing illegal drug use at the venue and we have no past events of this nature.

Staff are trained in asking customers to use premises in an orderly and respectful manner at al times.

c) public safety

We have fixed internal and external lighting to ensure that all visitors using our venue are illuminated at all times.

We have step free access to the venue and toilet facilities.

Underage ID checks are carried out by the trained staff at events

All parts of the premises and all fittings and apparatus therein, door fastenings and notices, lighting, heating, electrical, sanitary accommodation and other installations, will is maintained at all times in good order and in a safe condition.

d) the prevention of public nulsance

We have prominent, clear and legible notices displayed at the exit and surrounding area requesting the public to respect the needs of nearby residents and to leave the premises and the area quietly.

Deliveries of goods necessary for the operation of the business are generally done during normal working hours of 9am to 6pm and are carried out at such a time or in such a manner as prevent nuisance and disturbance to nearby residents.

Any staff who arrive early morning or depart late at night at the end of a function have been trained to conduct themselves in a professional and respectul manner to avoid causing disturbance to nearby residents.

Customers will be asked not to stand around loudly talking in courtyard outside the premises when smoking and we have signage to re enforce that.

The movement of bins and rubbish outside the premises will be kept to a minimum after 11,00pm. This will help to reduce the levels of noise produced by the premises Our rubbish is usually collected at 8am at the same time as other business and residents in the area.

Any lighting on or outside the premises will is positioned and screened in such a way so as to not cause a disturbance to nearby residents.

e) the protection of children from harm

We have a "Challenge 25" sign which is a retailing strategy that encourages anyone who is over 18 but looks under 25 to carry acceptable ID (a card bearing the PASS hologram, a photographic driving license or a passport) if they wish to buy alcohol.

Our staff are trained about requirement for persons' identification, age establishment etc. and have had training and instruction from the council under a former licence at the same premises.
