

Item No. 6.	Classification: Open	Date: 11 December 2018	Meeting Name: Cabinet (Livesey Trust) Committee
Report title:		The Livesey Trust, Annual Report 2017-18	
Ward(s) or groups affected:		All	
From:		Aileen Cahill , Head of Culture	

RECOMMENDATIONS

1. That the cabinet committee notes the progress in the negotiation of the lease with Treasure House.
2. That the cabinet committee notes the repairs and maintenance undertaken to the premises in the past year.

BACKGROUND INFORMATION

3. The Livesey building was bequeathed by George Livesey a local benefactor to the Commissioners for Public Libraries and Museums for the Parish of Camberwell in 1890 as a free public library for the beneficiaries of the trust. The council became the legal owner and trustee of the building by way of statutory devolution. Over time the original objects of the trust have become defunct and the council therefore worked with the Charity Commission to expand the objects of the trust to include wider educational benefit for people in the local area.
4. On 12 April 2013 the Charity Commission approved the scheme for the Livesey Trust (No. 4038336). Under paragraph 4 of the scheme the trustee of the charity is the council of the London Borough of Southwark ('the Council'). A copy of the scheme is attached to this report and marked Appendix 1.
5. The administration of the trust is an executive function. This is based on the fact that the relevant regulations, the Local Authorities (Functions and Responsibilities) (England) Regulations 2000 provide that any function of the council is to be the responsibility of the executive (cabinet) unless specified otherwise by those regulations. There is nothing in the 2000 Regulations which states that the administration of a charity is not to be a function of the cabinet.

KEY ISSUES FOR CONSIDERATION

Assets of the Livesey Trust

6. The only assets of the trust are the land and building at 682 Old Kent Road (formerly known as the Livesey Museum for Children)
7. The building is used by a community interest company Treasure House. Treasure House occupy it under a tenancy at will at present.

8. Treasure House (London) CIC is a specialist education provider who work with young people with anxiety and other emotional barriers, autism, dyslexia and school phobia.
9. The key aims of Treasure House are to re-engage students in the learning process and provide access to high quality tuition across a broad curriculum.
10. The council has been in negotiation with Treasure House for the past year to finalise the conditions of the lease. This is now in an agreed form but cannot be progressed until the matter of the adjoining wall has been resolved.

Repairs and maintenance:

11. The property is a listed building constructed in the late 1880's of traditional brick construction. The main building has been partly refurbished with new windows and interior.
12. The garden is enclosed by a large brickwork perimeter wall that separates the property from a Kwik Fit garage and a wall shared with the Christ Church.
13. There are listed remains of a previous building in the rear garden.
14. Repair works to all the brick boundary walls and the 'ruins ' in the middle of the garden have been completed. Due to the condition of some of the brickwork to the ruins some additional repairs have been carried out to make safe. The cost of these works total £60,700
15. A site survey identified that repairs were needed to the shop folly on the rear external wall. These have been undertaken. The cost of these works total £5000.

SUPPLEMENTARY ADVICE FROM OTHER OFFICERS

Director of Law and Democracy

23. The object of the Livesey Trust is set out in the Charity Commissioner's scheme referred to in the background information above. This is for the advancement of education of persons resident in the area of benefit in such ways as the trustee thinks fit.
24. In summary, the property must be used for the provision of a library or library services or if not required for these purposes for any other use in furtherance of the object as the council as trustee may from time to time decide.
25. The scheme requires the council as trustee to ensure that the property is being utilised effectively and in accordance with the object of the charity for the benefit of the public.
26. The scheme includes the requirement for the council as trustee at all times to take necessary steps to ensure that the charity is independent from the council and exists to pursue its own purposes and not to carry out the policies or directions of the council or any other body.
27. This means that the committee is required to give consideration to the operation of the trust solely in its role as corporate trustee and in accordance with the object and interests of the trust.
28. As corporate trustee the council, in accordance with common law, has an overriding duty to promote the charitable purposes of the charity. It must carry out its responsibilities with reasonable diligence and conduct its affairs in the same manner as an ordinary prudent business person would conduct his/her own affairs. A trustee must also take all reasonable and proper measures to maintain and secure any trust property.
