BACKGROUND INFORMATION

The Licensing Act 2003

3. The Licensing Act 2003 provides a licensing regime for:
 - The sale of and supply of alcohol
 - The provision of regulated entertainment
 - The provision of late night refreshment.
4. Within Southwark, the licensing responsibility is wholly administered by this council.
5. The Act requires the licensing authority to carry out its functions under the Act with a view to promoting the four stated licensing objectives. These are:
 - The prevention of crime and disorder
 - The promotion of public safety
 - The prevention of nuisance
 - The protection of children from harm.
6. In carrying out its licensing functions, a licensing authority must also have regard to:

- The Act itself
 - The guidance to the act issued under Section 182 of the Act
 - Secondary regulations issued under the Act
 - The licensing authority's own statement of licensing policy
 - The application, including the operating schedule submitted as part of the application
 - Relevant representations.
7. The applications process involves the provision of all relevant information required under the Act to the licensing authority with copies provided by the applicant to the relevant responsible bodies. The application must also be advertised at the premises and in the local press. The responsible authorities and other persons within the local community may make representations on any part of the application where relevant to the four licensing objectives.
8. The premises licence once issued remains valid for the life of the business unless surrendered or revoked. However, under section 51 of the Act it remains open to any responsible authority or other person to apply to the local licensing authority for a review of the premises licence where there are ongoing concerns regarding one or more of the four stated licensing objectives.

KEY ISSUES FOR CONSIDERATION

The premises licence

9. The premises licence allows the provision of licensable activities as follows:
- The sale of alcohol to be consumed on the premises:
 - Sunday to Thursday from 12:00 to 23:00
 - Friday from 12:00 to 00:00
 - Saturday from 12:00 to 02:00
 - The provision of late night refreshment (indoors):
 - Friday from 23:00 to 00:00
 - Saturday from 23:00 to 02:00
 - Opening hours:
 - Sunday to Thursday from 12:00 to 23:30
 - Friday from 12:00 to 00:30
 - Saturday from 12:00 to 02:30.
10. The licence is subject to the mandatory conditions set down under the Act and further conditions consistent with the operating schedule submitted with the application for the licence. A copy of the full premises licence is attached as Appendix C.

Designated premises supervisor (DPS)

11. The current Designated Premises Supervisor (DPS) named on the licence is Letteberhan Abraha Tafla. Letteberhan Abraha Tafla is also the licensee of the premises.
12. On 22 November 2018, an application was submitted by the Metropolitan Police Service under Section 51 of the Licensing Act 2003, for the review of the premises licence held by

The review application

Letteberhan Abraha Tafla in respect of the premises known as Red Sea, 85 Camberwell Road, London SE5 0EZ.

13. The review application was submitted in respect of the prevention of crime and disorder licensing objective and in summary states that the following has been witnessed and /or taken place at the premises:

Prevention of crime and disorder:

- The premises was the subject of a summary licence review in September 2016 following an incident of serious crime and disorder. A male victim was punched and kicked to the ground and had his finger bitten by the suspect. The victim received injuries consistent with grievous bodily harm. On 9 September 2016 at the interim measures hearing, the licensing sub committee suspended the premises licence pending the full review hearing on the 3 October 2016.
- At the full review hearing on 3 October 2016 the licensing sub- committee suspended the premises licence for a period of six weeks and modified the premises licence.
- The premises licence holder agreed to change the operation of the premises to a restaurant and would no longer provide any type of regulated entertainment.
- On 13 August 2018 at around 02:00 police were called to the premises to a suspected attempted murder. On arrival it was established that a male had tried to gain entry to the premises but was refused due him being intoxicated. The male suspect left the premises then returned later and attempted to stab a member of the security team outside of the venue. The male suspect was detained and arrested for attempted murder. Further investigation showed that in fact the suspect for the attempted murder had been allowed access to the premises, CCTV from the venue shows him apparently intoxicated and drinking what appears to be a bottle of beer on the dance floor.
- The premises was operating in breach of its premises licence and was open to the public at least two and a half hours after they should have been closed to the public.
- On 5 September 2018 at 18:00 a representative from Southwark Council's licensing team visited the premises and found it to be operating in breach of eight of the conditions of the premises licence.
- On 30 October 2018 the licensing sub-committee convened to consider an application from the premises licence holder for a variation to the premises licence to extend the hours permitted for the sale of alcohol and opening times. The premises licence holder and their representative provided evidence to the sub-committee as to why the variation should be granted.
- During this evidence it became apparent that the premises regularly provided regulated entertainment by way of a DJ over the weekends, it also became apparent that there still remained only one personal licence holder at the premises. One of the promises made by the premises licence holder on 3 October 2016 was that a further two staff would become personal licence holders (in breach of Condition 851). The application was then withdrawn by the applicant at the hearing.

14. The Metropolitan Police Service are seeking a revocation of the premises licence.
15. Full details of the grounds for the review are provided within review the application. A copy of the review application is attached as Appendix A.

Representations from responsible authorities

16. There are supporting representations submitted in support of the review application by public health and the licensing authority.
17. Public health's representation is submitted in respect of the prevention of crime and disorder, the prevention of public nuisance and the protection of public safety licensing objectives. The representation expresses concerns over the offences alleged in the review application and fully supports that the premises licence be reviewed by the licensing sub-committee.
18. The licensing authority's representation is made in support of the police review and draws attention to the history of the premises and the conditions breaches that have been found during recent inspections, including 5 September 2018 for which the premises licence holder signed a simple caution, admitting the offences; and, more recently on 15 December 2018 officers re-inspected and found further breaches. It states that the licensing authority are considering further enforcement action against the premises licence holder for the latter breaches.
19. Copies of the representations are attached as Appendix B.

Representations from other persons

20. No representations have been received by other persons.

Operating History

21. A premises licence was issued to Ms Zege Abraha and Ms Letteberhan Tafla on 16 January 2008. Ms Abraha was specified as the designated premises supervisor (DPS).
22. On 18 February 2010 a licensing inspection of the premises was undertaken. One breach of the Licensing Act 2003 was substantiated in that the premises licence summary was not displayed at the premises. A re-inspection of the premises was undertaken on 12 March 2010 and the premises were found to be operating compliantly.
23. On 5 November 2010 an application, to have immediate effect, was submitted to transfer the licence to Ms Letteberhan Tafla solely. On the same date an application, to have immediate effect, was submitted to specify her as the DPS of the premises. An amended licence, pursuant to the above, was issued on 5 November 2010.
24. On 20 December 2010 an application to vary the licence was submitted. The application sought to extend the hours in respect of the licensable activities permitted by the licence and also to add further licensable activities to the licence. The application was refused by the licensing sub-committee on 7 February 2011.
25. On 14 July 2011 an application to vary the licence was submitted. The application sought to extend the hours in respect of the licensable activities permitted by the licence and also to add further licensable activities to the licence. The application was granted and an amended licence was issued on 9 September 2011.
26. On 10 July 2016 police officers visited the premises. The premises were operating outside of permitted operating hours and the following breaches of the premises licence were noted; (i) there was no personal licence holder working at the premises (breach of condition 336), (ii) there were no SIA registered door supervisors working at the premises (breach of condition 290) and (iii) CCTV footage could not be made immediately available to police officers (breach of condition 289). A closure order was served under section 19 Criminal and Justice Police Act 2001 in regards to the above

27. On 22 July 2016 a licensing officer attended the premises and undertook an induction with the licensee. During the induction the terms and conditions of the licence were fully explained, and the possible consequences of breaching licence conditions, or committing offences under the Licensing Act 2003, were explained to the licensee
28. On 3 August 2016 an application to vary the licence was submitted. The application sought to extend the hours in respect of the licensable activities permitted by the licence. The application was withdrawn on 6 September 2016.
29. On 7 August 2016 the premises were inspected by a licensing officer and a police officer as part of the night time economy team (NTET) duties on that date. The following breaches of the premises licence were noted; (i) there were no SIA registered door supervisors working at the premises (breach of condition 290), (ii) the CCTV system was not operational and CCTV footage could not be made immediately available to police officers (breach of conditions 288 & 289) and (iii) there were no staff training records as required by condition 4AB. The licensing officer explained the licence breaches and explained the conditions and the consequences should further breaches of the licence be substantiated.
30. The current premises licence was issued on 3 October 2016, further to an expedited review initiated by the Metropolitan Police Service on 7 September 2016 following a violent incident. The application went to an interim hearing of the Southwark licensing sub-committee on 9 September 2016 with the full hearing held on 3 October 2016. Copies of both notices of decision are available in Appendix D for member's information.
31. The licence has remained unchanged since that time; however a minor variation application was made on 24 August 2018 to amend the hours. This application was rejected. A full variation application was made on 5 September 2018 to extend alcohol and opening times and to amend conditions. However, this application was withdrawn by the applicant at the hearing on 26 October 2018.
32. Since the current licence was granted temporary event notices have been applied for and issued. The table below outlines those.

Southwark council statement of licensing policy

37. Council assembly approved Southwark's Statement of Licensing Policy 2016 - 20 on 25 November 2015. The policy came into effect on 1 January 2016. Sections of the statement that are considered to be of particular relevance to the sub-committee's consideration are:
 - Section 3 - Purpose and scope of the policy. This reinforces the four licensing objectives and the fundamental principles upon which this authority relies in determining licence applications.
 - Section 5 – Determining applications for premises licences and club premises certificates. This explains how the policy works and considers issues such as location; high standards of management; and the principles behind condition setting.
 - Section 6 – Local cumulative impact policies. This sets out this authority's approach to cumulative impact and defines the boundaries of the current special policy areas and the classifications of premises to which they apply. To be read in conjunction with Appendix B to the policy
 - Section 7 – Hours of operation. This provides a guide to the hours of licensed operation that this authority might consider appropriate by type of premises and (planning) area classification.
 - Section 8 – The prevention of crime and disorder. This provides general guidance on the promotion of the first licensing objective.
 - Section 9 – Public safety. This provides general guidance on the promotion of the second licensing objective.
 - Section 10 – The prevention of nuisance. This provides general guidance on the promotion of the third licensing objective.
 - Section 11 – The protection of children from harm. This provides general guidance on the promotion of the fourth licensing objective.
38. The purpose of Southwark's statement of licensing policy is to make clear to applicants what considerations will be taken into account when determining applications and should act as a guide to the sub-committee when considering the applications. However, the sub-committee must always consider each application on its own merits and allow exceptions to the normal policy where these are justified by the circumstances of the application.
39. Within Southwark's statement of licensing policy 2016 - 2020, the premises is outside of a cumulative impact policy area and within a residential area. Under the Southwark statement of licensing policy 2016 - 2020 the following closing times are recommended as appropriate within this area for this categories of premises indicated:

- Closing time for restaurants and cafes:
 - 23:00 daily.
- Closing time for public houses, wine bars or other drinking establishments:
 - 23:00 daily
- Night clubs (with *sui generis* planning classification) are not considered appropriate for this area

Resource implications

40. There is no fee associated with this type of application.

Consultation

41. Consultation has been carried out on this application in accordance with the provisions of the Licensing Act 2003.

Community impact statement

42. Each application is required by law to be considered upon its own individual merits with all relevant matters taken into account.

SUPPLEMENTARY ADVICE FROM OTHER OFFICERS

Director of Law and Democracy

43. The sub-committee is asked to determine, under Section 51 of the Licensing Act 2003, following an application, made under Section 51 of the same act, for a review of premises licence. At any stage, following the grant of a premises licence, a responsible authority or any other person may ask the licensing authority to review the licence because of a matter arising at the premises in connection with any of the four licensing objectives.

44. The principles, which sub-committee members must apply, are set out below.

Principles for making the determination

45. Under Section 52 the licensing authority must hold a hearing to determine the review and any relevant representations.

46. The four licensing objectives are:

- The prevention of crime and disorder
- The protection of public safety
- The prevention of nuisance
- The protection of children from harm.

47. Each objective must be considered to be of equal importance. The authority must, having regard to the application and any relevant representations, take such of the following steps as it considers appropriate for the promotion of the licensing objectives. The steps are to:

- Modify the conditions of the licence by altering, omitting or adding any condition
- Exclude a licensable activity from the scope of the licence
- Remove the designated premises supervisor
- Suspend the licence for a period not exceeding three months

- Revoke the licence.
48. For the purpose of determining a relevant representation under section 52 of the Act a "relevant representation" means representations which:
- Are relevant to one or more of the licensing objectives
 - Are made by the holder of the premises licence, a responsible authority or an other person within the prescribed period
 - Have not been withdrawn
 - If made by another person (who is not also a responsible authority), that they are not, in the opinion of the relevant licensing authority frivolous or vexatious.
49. Modifications of conditions and exclusions of licensable activities may be imposed either permanently or for a temporary period of up to three months.
50. The authority may decide that no action is necessary if it finds that the review does not require it to take any steps appropriate to promote the licensing objectives.
51. In deciding what remedial action if any it should take, the authority must direct its mind to the causes or concerns that the representations identify. The remedial action should generally be directed at these causes and should always be no more than an appropriate and proportionate response.
52. It is of particular importance that any detrimental financial impact that may result from a licensing authority's decision is appropriate and proportionate to the promotion of the licensing objectives in the circumstances that gave rise to the application for review.

Reasons

53. Where the authority determines an application for review it must notify the determination and reasons why for making it to:
- The holder of the licence
 - The applicant
 - Any person who made relevant representations
 - The chief officer of police for the area (or each police area) in which the premises are situated.

Hearing procedures

54. Subject to the licensing hearing regulations, the licensing committee may determine its own procedures. Key elements of the regulations are that:
- The hearing shall take the form of a discussion led by the authority. Cross examination shall not be permitted unless the authority considered that it is required for it to consider the representations.
 - Members of the authority are free to ask any question of any party or other person appearing at the hearing.
 - The committee must allow the parties an equal maximum period of time in which to exercise their rights to:
 - Address the authority
 - If given permission by the committee, question any other party.
 - In response to a point which the authority has given notice it will require clarification, give further information in support of their application.

- The committee shall disregard any information given by a party which is not relevant to the particular application before the committee and the licensing objectives.
 - The hearing shall be in public, although the committee may exclude the public from all or part of a hearing where it considers that the public interest in doing so outweighs the public interest in the hearing, or that part of the hearing, taking place in private.
 - In considering any representations or notice made by a party the authority may take into account documentary or other information produced by a party in support of their application, representations or notice (as applicable) either before the hearing or, with the consent of all the other parties, at the hearing.
55. This matter relates to the determination of an application for a premises licence under section 17 of the Licensing Act 2003. Regulation 26(1) (a) requires the sub-committee to make its determination at the conclusion of the hearing.
- Council's multiple roles and the role of the licensing sub-committee**
56. Sub-committee members will note that, in relation to this application, the council has multiple roles. Council officers from various departments have been asked to consider the application from the perspective of the council as authority responsible respectively for environmental health, trading standards, health and safety and as the planning authority.
57. Members should note that the licensing sub-committee is meeting on this occasion solely to perform the role of licensing authority. The sub-committee sits in quasi-judicial capacity, and must act impartially. It must offer a fair and unbiased hearing of the application. In this case, members should disregard the council's broader policy objectives and role as statutory authority in other contexts. Members must direct themselves to making a determination solely based upon the licensing law, guidance and the council's statement of licensing policy.
58. As a quasi-judicial body the licensing sub-committee is required to consider the application on its merits. The sub-committee must take into account only relevant factors, and ignore irrelevant factors. The decision must be based on evidence, that is to say material, which tends logically to show the existence or non-existence of relevant facts, or the likelihood or unlikelihood of the occurrence of some future event, the occurrence of which would be relevant. The licensing sub-committee must give fair consideration to the contentions of all persons entitled to make representations to them.
59. The licensing sub-committee is entitled to consider events outside of the premises if they are relevant, i.e. are properly attributable to the premises being open. The proprietors do not have to be personally responsible for the incidents for the same to be relevant. However, if such events are not properly attributable to the premises being open, then the evidence is not relevant and should be excluded. Guidance is that the licensing authority will primarily focus on the direct impact of the activities taking place at the licensed premises on members of the public, living, working or engaged in normal activity in the area concerned.
60. Members will be aware of the council's code of conduct which requires them to declare personal and prejudicial interests. The code applies to members when considering licensing applications. In addition, as a quasi-judicial body, members are required to avoid both actual bias, and the appearance of bias.
61. The sub-committee can only consider matters within the application that have been raised through representations from other persons and responsible authorities. Other persons must live in the vicinity of the premises. This will be decided on a case to case basis.

62. Under the Human Rights Act 1998, the sub-committee needs to consider the balance between the rights of the applicant and those making representations to the application when making their decision. The sub-committee has a duty under section 17 Crime and Disorder Act 1998 when making its decision to do all it can to prevent crime and disorder in the borough.
63. Other persons, responsible authorities and the applicant have the right to appeal the decision of the sub-committee to the magistrates' court within a period of 21 days beginning with the day on which the applicant was notified by the licensing authority of the decision to be appealed against.

Guidance

64. Members are required to have regard to the Home Office Revised Guidance in carrying out the functions of licensing authority. However, guidance does not cover every possible situation, so long as the guidance has been properly and carefully understood, members may depart from it if they have reason to do so. Full reasons must be given if this is the case.

Strategic Director of Finance and Governance

65. The head of community safety and enforcement has confirmed that the costs of this process are borne by the service.
