

Ref:	Name of your group:	Name of project or idea:	Describe what the project is trying to achieve, including why it is needed and demonstrate how it is going to benefit residents, of the ward you have selected:	Amount requested [£]
<b>Nunhead &amp; Queens Rd</b>				
1118451	The Friends of Peckham East	Brimmington Park Festival 2019	<p>Brimmington Park Festival is a free to attend, well established, local festival and an important annual landmark for the local neighbourhood - this will be the 12th year. As more people move into the Old Kent Road area over the next few years, it's important for these kind of inclusive events to continue to give new residents ways to get involved and enjoy the area.</p> <p>The festival provides a range of activities which are designed to reach out to the local population, to represent it and to bring people together. There is a stage and PA system to host performances of song and dance, with local musicians, dancers and performers including involvement from local schools. It is a family friendly festival with activities for children, including arts and sports activities, bouncy castle, and more. And we make sure almost all of the activities are free. We also encourage pet owners in the area to meet each other and participate in our dog show. It is a focal point of the community with space to sit out in the park and enjoy food and entertainment together with family and neighbours. It is an opportunity for local businesses and entrepreneurs to sell their wares, or for local people to make a bit of pocket money having a second hand sale. It is a welcoming and accessible festival including deaf friendly with live captioning and a lipspeaker. Most importantly it is a local festival, run for and by local residents celebrating the things that make this corner of Peckham special.</p>	£ 5,000.00
1109188	The Friends of Cossall Park and Kirkwood Nature Reserve	Grow Cossall Gardening Support Project	<p>We would like to support disabled gardeners in the estate. We would choose up to 5 residents who have been affected by ill health and /or disability to be supported. This would involve funding specialized gardening tools, building raised beds, and donating plants and compost. The group would also offer help over the gardening year. Gardeners who love their garden but are unable to maintain it , due to their disabilities, will be enabled by this support. Our remit is to give assistance and also to encourage independence. We will launch the project with a community event, called</p>	£ 1,000.00

Ref:	Name of your group:	Name of project or idea:	Describe what the project is trying to achieve, including why it is needed and demonstrate how it is going to benefit residents, of the ward you have selected:	Amount requested [£]
			the Grow Cossall Green Day. This event will include, food, music, gardening activities and outdoor cooking demonstrations. This will bring the community together and engender an inclusive spirit on the estate.	
1109254	Southwark Woodcraft	Flowers for the Cossall	<p>The aim of the project is community cohesion. We already work with children and young people on the estate; and we have in the past also worked with older people on the estate. In this project we want to bring them together - on a 'Flowers for the Cossall' project.</p> <p>There are no flowers on the Cossall estate. There are flats and a playground; but no flowers. We want to advertise a flower bed creating day - getting ideas from the older generation and transferring it to the younger generation - who will do the digging and the planting. We want to transfer knowledge and create community cohesion.</p>	£ 2,000.00
1111964	Nunheads Voice Ltd	Older Peoples Celebration Day	<p>We aim to achieve an event where older people have an enjoyable memorable day. To provide an opportunity for older people to network and to give people who feel isolated and lonely the opportunity to meet with other people who live in their community and to find out what is available for them in their community. To provide information and to give older people the opportunity to express any concerns they may have about services provided in the area and to share their ideas of how they would improve the area they live in.</p> <p>We will liaise with community groups to discuss the entertainment people would like to participate in</p>	£ 1,000.00
1115967	Link Age Southwark	Social/activity groups reducing isolation for older people	<p>We are seeking funds to provide professional tutors so that up to 60 older people in the Nunhead and Queen's Road ward can continue to benefit from three activity groups and feel less lonely and isolated.</p> <p>Two of the groups take place at Lime Tree House: Musical Memories is a very popular, new weekly group where a professional tutor leads members to sing, play instruments, dance and have fun! A third of group members are Lime Tree House residents and the rest come from the wider community. Most have a diagnosis of dementia although the group is open to all. Silver Trees also meets weekly for 2 hours at Lime Tree House. The programme alternates between gentle chair-based exercise</p>	£ 4,975.00

Ref:	Name of your group:	Name of project or idea:	Describe what the project is trying to achieve, including why it is needed and demonstrate how it is going to benefit residents, of the ward you have selected:	Amount requested [£]
			<p>one week with a professional tutor followed by an art/craft activity the following week. The majority of group members are residents.</p> <p>The third group – Golden Oldies – takes place weekly at St. Mary’s Church. The programme is made up of two weeks of gentle chair based exercise with a professional exercise tutor followed by a week of coffee morning. Older people are particularly vulnerable to isolation and loneliness as their mobility reduces, health deteriorates and family and peers move away or die. 38% of people with dementia report feeling lonely. Chronic loneliness is a health risk factor comparable to tobacco, alcohol and obesity.</p>	
1116077	Millwall Community Trust	Millwall Walking Sports Club	<p>Millwall Community Trust will provide the free weekly “Millwall Walking Sports Club” for older people to help reduce stress, isolation and loneliness. The successful programme which has run for over two years in Southwark, provides older people the opportunity to meet new people and supports those with two or three limiting long-term health conditions, including dementia, mental health, limited mobility or those who are inactive to stay fit and healthy. Before and after each activity, the groups sit down together, and some may have open and individual conversations with refreshments along with reading and discussing various latest news stories from the Southwark News newspaper. The sports activities deliver having fun, stimulating the mind, developing balance and hand-eye coordination and offers an opportunity for people that would not otherwise be active and may feel disengaged with the local community. Activities include bowls, cricket, bowling, golf and other fun games using throwing, catching and striking the ball techniques. The weekly sessions also help takes away the stress for those living with someone who has dementia for the time they are at the weekly Millwall Walking Sports Club which is often all they might normally get that week. We will also be introducing weekly telephone conversations to keep regular communication going and help reduce people feeling lonely away from the sessions. The sessions are open access and we accept referrals.</p>	£ 5,344.00
1116870	The Friends of Nunhead Cemetery (FONC)	Notable Nunhead Women	<p>The benefit to the community:</p> <ul style="list-style-type: none"> <li>- To attract younger audiences to Nunhead Cemetery by commissioning the dance company ella&amp;co to celebrate through dance performances Notable Nunhead Women</li> </ul>	£ 2,000.00

Ref:	Name of your group:	Name of project or idea:	Describe what the project is trying to achieve, including why it is needed and demonstrate how it is going to benefit residents, of the ward you have selected:	Amount requested [£]
			<ul style="list-style-type: none"> <li>- To celebrate the many remarkable women buried at Nunhead throughout history: musical hall stars; actresses; novelists; a poet; the leader of a religious sect; and others whose only claim to fame is that they lived to one hundred years or more through solos and duets</li> <li>- To create an opportunity for the community to participate in a celebratory dance with whole dance company which enhances social cohesion and well-being during Nunhead Art Trail 2019</li> <li>- To make Womens' history specific to Nunhead available through a combination of personal histories, and historical documents, and performances for the Nunhead community</li> </ul>	
1117335	Little People's World	Easter/Summer holiday activities	<p>The focus of this project is to learn about healthy eating skills development, social inclusion and tackling food insecurities for families with young children (under 10). To provide volunteering opportunities for those who want to get into training and employment. Aim: to deliver the project at 2 different venues for one week in Easter and three weeks in the summer. The activities will include arts and crafts, music workshops, games, sports, trips, etc.</p> <p>The consultations with support workers in schools and children's centres as well as the feedback from parents, carers and children during the last holiday activities in 2017 &amp; 2018 highlighted the need to have more holiday provision where children and their parents can have an avenue to engage in social activities with a healthy lunch. Restructuring and cuts to children's centres have also led to increase in child safety referrals with more families being socially isolated and an increase in demand for support from faith and community groups.</p> <p>Little People's World has had success in reaching families that need extra support and will be therefore will be linking up with new projects to do collaborative work, which includes Margaret's Music LTD. There will be continued but enhanced work with Central Southwark Community Hub and Children's Centre.</p>	£ 5,000.00
1117855	Buchan Tenants & Residents Association	Buchan Family Fun Day	To create an educational and fun day for children with their families, friends & neighbours in the area of benefit; Barset Estate and the surrounding streets. It is our stated aim to create facilities for community involvement and cohesion.	£ 1,000.00

Ref:	Name of your group:	Name of project or idea:	Describe what the project is trying to achieve, including why it is needed and demonstrate how it is going to benefit residents, of the ward you have selected:	Amount requested [£]
			We also use the day to promote the T&RA and as stated on our 2018 evaluation form we intend to promote Council services and community organisations and facilities in the area.	
1117867	Women in Film SE15	Film reviewing and podcasting workshop	<p>The aims of the film reviewing and podcasting workshop are to give women and girls, within the local community, the opportunity and collaborative environment of learning how to review films both in written form and also in the form of a podcast. This might prove to be otherwise inaccessible in terms of cost and location. The project will aim to attract a diverse cross section of the Peckham and Nunhead community. It will support and encourage the women in the community who may feel isolated, connecting with community groups for attendees e.g Nunheads' Voice, Brayard's Estate, Peckham Vision, The Southwark Day Centre For Asylum Seekers. There will be up to 20 people benefiting from the project and beyond the immediate workshop there will be opportunities for the wider community in terms of a further engagements with the Women in Film Group. The end project would be part of a community event during the Nunhead and Peckham Free Film Festival.</p> <p>The project was conceived of by the members of the Women in Film Collective who were wishing to replicate the success of a workshop undertaken in 2013 and in 2018. Similar projects that exist currently include the wider groups of film collectives who actively promote girls and women into the film industry but from a less focused community base. The difference of this project resides in its local specificity, meeting the needs of a more diverse section of the population</p>	£ 1,200.00
1117987	Westminster House Youth Club	next steps	<p>We have previously received funds to bring older and younger people in the community together and also to equip young people with skills to make them responsible citizens. The project seeks to address the mistrust between the generations and build on the positive relationships that have started to emerge between the club members and older people by continuing our lunch events. We want to continue to deliver wheelchair sports. Contact with older residents has enhanced young peoples understanding of disability as many are wheelchair users and or have alzheimers, etc. we want to continue to raise awareness of disability issues for our young people</p>	£ 10,000.00

Ref:	Name of your group:	Name of project or idea:	Describe what the project is trying to achieve, including why it is needed and demonstrate how it is going to benefit residents, of the ward you have selected:	Amount requested [£]
			Additionally we want to continue to develop our programme to give our young people leadership and group skills which will in turn make them better citizens. We plan to run an outdoor activities residential trip for 40 young people and also to offer purposeful holiday activities to occupy young people at times of greatest risk for young people becoming involved in the criminal justice system, either as victims or as perpetrators. also we want a dedicated worker on friday evenings to target our most vulnerable young people and ensure they are accessing all other opportunities within the organisation	
1118682	Cossall TRA	Cossall Family Christmas	We would like to have a Christmas Party for families on the estate for December 2019.	£ 1,000.00
1119042	Nunhead's Voice Ltd	Ivy Club (Evergreen)	The project is aimed at over 50s residents groups of the Lane & Nunhead's Wards. Many of them are in the over 65 bracket and we have a few people who have joined us younger than 50 who feel isolated in the area. Basically we do not turn anyone away who find that our activities meet their needs. Its aim is to provide wellbeing activities and an interaction platform combating isolation and improving physical and mental well being; increasing independence and resilience of the elderly local communities. We provide free access to appropriate physical activities such as chair based exercises, crafts, knitting, peer learning activities around a chosen subject e.g. IT skills. In the past six months people have formed a singing group which is extremely popular and hope to form a Line Dancing class in the New Year. We also address issues that the elderly face in the community by bringing in external speakers and the Ivy Club aims to be a point of reference in the community for connecting service providers with residents in a safe environment for people to address their concerns. We have a consultant who advises people on the best and cheapest energy providers to assist them to reduce their gas & electricity bills. As activities are extending we are proposing to open the Ivy Club for an additional day a week in the new year.	£ 4,935.00

Ref:	Name of your group:	Name of project or idea:	Describe what the project is trying to achieve, including why it is needed and demonstrate how it is going to benefit residents, of the ward you have selected:	Amount requested [£]
1119235	Peckham Coal Line	Peckham coal Line Inclusion	Responding to requests from communities along the Coal Line route, and at events we have contributed to, has developed ideas for this application. This will cross both wards of Nunhead & Queens RD + Peckham Rye (your online form does not allow selecting both wards!) as well as the wider community. Sharing and providing venues for others to collaborated, learning about the area's history, environment, culture and how to take forwards lessons learnt with ideas realised, increasing collaboration and skill sharing. The range of activities planned will enable everyone to take part regardless of age and ability. Additionally the popularity of our events has generated requests for repeats and suggestions for additional activities. Celebration events enable safe gatherings for partisans and newcomers to realise how they can become involved and foster developments of further activities and ideas.	£ 2,000.00
1119570	Brimtonroy TRA	AFTER SCHOOL CLUB	Over 200 of children within our community are facing the same dilemma of lower grades in the national school exams in KS1; KS2; and GCSE, especially in Maths, English and Sciences. The project offers a threefold benefits to the Children; Parents and Community. <ul style="list-style-type: none"> <li>• The outcome promotes improved performance in Maths, English and Sciences, making better results in the KS1; KS2; GCSE.</li> <li>• Children would obtain good grades in education generally matching the desires of the parents.</li> <li>• Improved job and career prospects equally benefiting the parents</li> <li>• Overall, quality education enhances greater opportunities for better employment prospects as well as better quality of life. It's a win; win over all.</li> </ul>	£ 5,040.00
1119628	Cooking Against Crime	Cooking Against Crime	The project aims to encourage young people within the community involved in crime at the risk of offending find alternatives to crime and to engage with each other in positive constructive ways. And what better way to do so than with cooking! Many young people involved in crime have unhealthy lifestyles and poor diets. This affects mood, reaction, concentration and achievement. It aims to give them transferable skills that will help young people to be better placed to take up opportunities such as	£ 5,300.00

Ref:	Name of your group:	Name of project or idea:	Describe what the project is trying to achieve, including why it is needed and demonstrate how it is going to benefit residents, of the ward you have selected:	Amount requested [£]
			<p>training due to increased confidence, team work and communication skills and a sense of achievement. To dissuade tempted by committing crime to channel their efforts into a positive collective activity with other young people also tempted by crime to developing the specific life skill of cooking.</p> <p>So the intention of my projects is to build back the desire for young people to want to cook and to create an environment where the focus will be on teaching young people basic cooking skills and feel confident within the kitchen, using fresh ingredients at an affordable cost.</p> <p>Also the major aim of the project is to demonstrate to those young people who have developed an affiliation with crime that there is an alternative to crime which in this case could be cooking.</p> <p>Finally, I am a wheelchair user and have also lost my right arm, so I am able to contribute to disability awareness for young people too and to help them cope</p>	
1119649	Nunfest (with support from Nunhead's Voice)	Nunfest (TBC)	<p>The idea came to me after taking part in the Nunhead Art Trail... what if we did something similar, but for live music?</p> <p>Nunhead has lots of talented local musicians, and lots of great venues. The idea is to put the two together with a small music festival that takes place in multiple venues in Nunhead. It will take place on a Saturday (or possibly over 2 days), daytime and evening, with families and younger people encouraged to take part during the day, before becoming 'grown ups only' in the evening.</p> <p>Although a vibrant community, there is perhaps not as much mixing of different social and ethnic groups as there could be. Music can be such a powerful force for bringing people together, so this event aims to encourage people to mingle, go to a venue they've not been to before, and perhaps try a style of music they've not tried before.</p> <p>The event would also aim to put Nunhead on the map a little bit. It's a fantastic place but it's not well known. It has a thriving high street, fantastic pubs, cafe, community centre and restaurants. The event will encourage high footfall in the area throughout the whole day, benefiting local traders, and for local performers, including promising young talent, it will give them exposure to showcase their talents.</p>	£ 3,940.00

Ref:	Name of your group:	Name of project or idea:	Describe what the project is trying to achieve, including why it is needed and demonstrate how it is going to benefit residents, of the ward you have selected:	Amount requested [£]
1119679	The Peacock Community Centre	The Peacock Community Centre	<p>With the rise in technology, people are more connected yet more disconnected from each other as ever. Lots of people are either stressed or busy, and often certain groups are indirectly ostracized and isolated from the wider community.</p> <p>The Peacock community centre aims to especially some of the most disenfranchised. We will accommodate residents from all backgrounds supporting people with physical, sensory and hearing disabilities as well as mental health issues. Our activities will allow them to build wholesome relationships, increasing social cohesion in the borough. It will also provide vital insight into the day to day goings on in the lives of Southwark's residents vital insights into what people want and need, creating bespoke ways of supporting them to live happy, wholesome lives.</p> <p>Ideally, we would first have a launch event to kick off the project and then proceed to run unique sessions for the residents fortnightly that would up-skill them and allow them to express themselves and build relationships that last. That matter.</p>	£ 3,270.00
1119779	BRIMTONROY WOMEN'S FORUM	Home Management	<ul style="list-style-type: none"> <li>* The project aims to empower women especially mothers within our community.</li> <li>* To teach them how to bake and cook economically.</li> <li>* To teach women basic skills of Sewing.</li> </ul> <p>A good number of our women are struggling with running their homes. After raising children, some find it difficult to go back into work. These courses will equip some of them with necessary skills to find jobs after completing the course.</p>	£ 4,968.00
1119903	BRIMTONROY SUPERSTAR FOOTBALL CLUB	Youth Football Club	<p>The project is a youth Football Club that brings all youth within the community to engage in football. This is one positive after school project that takes the young once off the street and into a positive activity. This fosters friendly relationship among the youth and eradicates youth crime and violence thereby encouraging building a friendly and crime free community.</p>	£ 4,080.00
1120100	ASTBURY ROAD AREA RESIDENTS ASSOCIATION	ARARA's COMUNITY STREET PARTY	<p>To continue to foster good relationships and social cohesion with all our residents in our multi cultural community</p> <p>Social cohesion is our main aim thereby promoting a friendly spirit with everyone in our area irrespective of race, colour or creed. We know by the number of our residents who attend at least one of our meetings during the year that we are achieving our aim</p>	£ 1,615.00

<b>Ref:</b>	<b>Name of your group:</b>	<b>Name of project or idea:</b>	<b>Describe what the project is trying to achieve, including why it is needed and demonstrate how it is going to benefit residents, of the ward you have selected:</b>	<b>Amount requested [£]</b>
1117401	Community Cycleworks	Community Bike Build	Earlier this year, we delivered a very successful one-off community bike build event at Nunhead Community Centre. Our mechanics assisted ten individuals to rebuild a recycled bike in one day. The bikes were donated by Community Re-use as part of our contract with Veolia.	£ 4,530.00

Ref:	Name of your group:	Name of project or idea:	Describe what the project is trying to achieve, including why it is needed and demonstrate how it is going to benefit residents, of the ward you have selected:	Amount requested [£]
------	---------------------	--------------------------	---	----------------------

## OLD KENT ROAD

1114247	CAROLINE GARDENS TRA	SUMMER PARTY	The project aim is to enable neighbours to share a social get together of good natured laughs and fun. The Summer Party is about cultivating good feelings. The primary aim is to help alleviate isolation and stimulate social growth and participation by providing an activity that brings people together, encourage social confidence, friendships, overall neighbourliness, and nurtures a positive sense of belonging to a community.	£ 1,650.00
1116819	Glengall Wharf Garden	Glengall Wharf Garden bee and chicken group	Glengall Wharf Garden has established an apiary and a chicken coop within the garden and we would like funds to support our ongoing work. The apiary was established 4 years ago in the garden and now has 8 colonies of bees which we maintain and collect some honey from. we have a bee group run by local people who can learn all about bees and how to look after them. We have erected an observation shelter so that anyone can come and see what we're doing - especially if they don't want to get too close. we meet every week during the spring and summer and give demonstrations and courses. The chicken group have 8 chickens - ex battery hens which have been rehomed and are now laying. the coop has been reroofed and repaired over the summer. The group meet weekly to look after the chickens. Local people can come and see the bees and chickens and find out how they live and help them thrive. Both groups welcome new members from the community to take part. We work with the rest of the garden encouraging local people to take part in garden activities and events. Both activities benefit the wider role of the garden in providing food growing activities and a greater understanding of the natural world. We will work with groups, schools and guide/scout groups to promote an understanding of animal husbandry and its role in the community. Both activities are already in place and would benefit from local funding to continue the activities next year.	£ 925.59

1118475	SOUTHWARK STREET PASTORS	SOUTHWARK STREET PASTORS	Southwark Street Pastors are TRAINED VOLUNTEERS who engage with the vulnerable and disadvantaged through a well developed network of relationships with the police, local council, statutory and voluntary organisations. We patrol in teams of 3 to 5. from Peckham Park Road Baptist Church towards Old Kent Road and towards Elephant and Castle, finishing at Old Kent Road Mcdonalds, as trained street pastors to engage sensitively with a view to caring, listening and helping during the night time economy. We give foil blanket in wintery weather to the homeless, we buy food for the hungry, we give flip flops, water and lollipops. We collect and bin broken bottles. We engage conversational and appropriately with the distressed and disadvantaged. We attend to the inebriated offering water and physical help.	£ 800.00
1104950	Southwark Day Centre for Asylum Seekers	Gardening for Well-being project	The project was created by staff and volunteers at Southwark Day Centre for Asylum Seekers (SDCAS) to support refugees and asylum seekers to develop and maintain skills, build confidence and reduce social isolation through gardening. SDCAS receives around 100 visitors a day and the gardening project provides an activity that is free and enables people, who may have had traumatic pasts, to engage in a therapeutic activity. Whilst visitors have to wait for advice, they are able to join in planting seeds and caring for the garden, fostering teamwork and bringing together people from many different backgrounds. We are partnered with Peckham Park Road Baptist Church, where we have a community garden. We also have an allotment at Camberwell Gardens Guild allotments. We link up with these projects, for example we have assisted at the CGG Allotments in helping with the bee project and building raised beds and areas for the local school in the allotment. We are also partnered with Surrey Docks Farm; we have had mobile farm visits and have created ESOL classes at the farm. The project is ongoing and has been successful in bringing together refugees and asylum seekers, alongside volunteers, to renovate the garden of Peckham Park Road Baptist Church and we recently won an award for the best allotment at Camberwell Gardens Guild allotments. The project has helped improve mental health, reduce social isolation and exclusion and foster community in Southwark.	£ 4,997.00
1107890	Millwall For All Trust	1st touch Football Project	Millwall for All aim to deliver 2 two hour sessions for 80 boys and girls who are aged between 8-15 years old across two sites. The sessions will be delivered by both male female coaches from Millwall and Millwall lionesses' football clubs, this will ensure that all participants have gender specific role model. The project will focus on engaging young from Ledbury estate and Camelot Primary School, each session will	£ 12,672.00

			<p>focus on a different age group. The Camelot School session will be aimed at 8-11 year olds and the Ledbury Estate session will be aimed at 12 -15 years old. By the end of this project we aim to have increased the participation levels of all young people interested in playing football as well as ensure access to opportunity for young people wanting to develop in football. Providing structured football sessions will help young people's health and wellbeing. Sports improve physical and mental health and help lower obesity rates. Our activity programme will also enable all young people to build their confidence and skills, also there has been a significant and rising problem with drugs and knife crime, including stabbing, this project will ensure that young people have positive role models and move them away from gangs. To achieve our goals we will work closely with local primary schools, TRA's and community organisations to ensure that sessions are well publicize to the target group.</p>	
1112649	Millwall For All Trust	1st Touch Football Project	<p>Millwall for All aim to deliver 1 two hour sessions for 40 boys and girls who are aged between 8-15 years old. The sessions will be delivered by both male female coaches from Millwall's football club, this will ensure that all participants have gender specific role model. The project will focus on engaging young from Leyton Square. The session will focus on a different age group. Leyton Square's session will be aimed at 8-11 year olds for the first hour 12 -15 years old for the second hour. By the end of this project we aim to have increased the participation levels of all young people interested in playing football as well as ensure access to opportunity for young people wanting to develop in football. Providing structured football sessions will help young people's health and wellbeing. Sports improve physical and mental health and help lower obesity rates. Our activity programme will also enable all young people to build their confidence and skills, also there has been a significant and rising problem with drugs and knife crime, including stabbing, this project will ensure that young people have positive role models and move them away from gangs.</p>	£ 6,336.00
1117902	LADIES OF VIRTUE OUTREACH CIC	LADIES TIME OUT TO SPEAK	<p>Ladies time-out to speak is a 'have your say &amp; networking event' that will bring local women and families together to network as well as speak out on local issues affecting women's well-being and that of their families such as domestic violence, mental health etc. The day will feature an open forum as well as practical activities to help promote social interaction and mental well-being. This project is highly needed as feedback from our work with local women, mostly from the BME communities suggest that there are no such local forums, where women &amp; girls feel safe and confident to speak</p>	£ 3,400.00

			<p>out on local issues affecting them and their families. They, therefore, feel silenced and marginalised, which are some of the issues contributing to the common mental health problems affecting more women than men ( such as depression ) as reported in the Southwark joint strategic needs assessment. In view of this, we plan to run 4 events with the fourth event culminating into a family celebration day that would promote community cohesion. The pilot project would give an opportunity for community engagement with local families, the local council and agencies. It will help participants to come out of isolation, build stronger relationships and gain access to the right information and support services. In addition, local people with a common purpose will be able to connect to take action on finding solutions to their problems.</p>

## Peckham Ward

1111030	Gloucester Grove Estate TMO	Christmas Senior Citizens Lunch 2019	This project is focused on senior members of the Gloucester Grove Estate community. It aims to break the cycle of isolation by bringing residents together at a time of the year when families typically convene to celebrate the festive season. The TMO recognises that a healthy proportion of those who will attend will have limited or no contact with family members and loved ones. By partnering with a high calibre hospitality provider, we aim to deliver a first class experience to all who attend.	£ 3,540.00
1115527	TEARDUSK	DIGITAL DROP IN	<p>Workshops providing the community the opportunity to collaborate, develop business skills &amp; express themselves creatively learning digital skills such as marketing and content creation, whilst improving digital inclusion, teaching local residents how to access information online. Online content will also be created with local entrepreneurial talents giving the community tips on how to start your own project. The need is evident from feedback from council colleagues, local businesses and young people. Community council meetings also reinforce the need to equip members of the community with key digital skills and members of the community to be more socially integrated .</p> <p>Targets &amp; Milestones:</p> <ul style="list-style-type: none"> <li>• Bringing community together to collaborate &amp; showcase their work</li> <li>• Develop a workshop where members of the local community and small businesses can gain support.</li> <li>• Produce digital content which can be shared online to reach the wider community</li> </ul> <p>Positive outcomes include:</p> <ul style="list-style-type: none"> <li>• Digital content about Peckham entrepreneurs created.</li> <li>• Local businesses &amp; Young People gaining access to digital training and support.</li> <li>• Diverse members of the community integrated, coming together to learn</li> </ul>	£ 3,000.00

			Other projects include Local Offer, our project differs as we have a stronger focus on digital training. We also see this as an opportunity to work with organisations such as Peckham Levels and LYST who tackle youth unemployment, our aim will be to help develop their young people's soft skills.	
1116931	Willowbrook Tenant Management organisation	Pollinator Garden	To continue to build a sense of community/inclusion by encouraging our very residents to work as team, get active and gain new skills /Knowledge.	£ 2,015.00
1117090	Maintaining Health Partners	Holistic Health for YPLC	We will deliver 5 holistic health sessions for young people leaving care. Experiencing holistic therapies will help with the learning and development of new techniques that enable young people to build confidence and resilience; deal with stress; improve their well-being and build positive relationships at a crucial time of transition in their lives. We will provide a safe space in which they can prepare for adulthood and independence. There is a disproportionate representation of young people leaving the care system experiencing homelessness, dealing with the criminal justice system, and there are concerning figures about self-harm. Many young people who are not in education or training and are more likely to engage in 'challenging or risky' behaviour. Southwark's Children in Care and Care Leavers Strategy 2016-2019 stresses the need to support young people through these crucial changes 'Speakerbox' have identified emotional well-being as one of their key priorities. Our focus on mental health and emotional well-being will provide supportive techniques to help develop these positive qualities.	£ 4,988.00
1118289	Salem Academy of Music	Salem Music EduCare	We are asking for fund to hire music teachers to provide qualitative music education on instruments and song to our trainees. The project will help to break the barrier of social isolation and anti-social behaviour suffered by the disadvantaged young people in Peckham. It will serve as a means of improving the trainees' self-confidence, self-discipline and self-esteem. It will improve the cordial relationship between the young people and help them to work together. Peckham is one of the most deprived area in London with disadvantaged young people that suffer from social isolation and anti-social behaviour. Most of these young people have lost their self-esteem. According to the Metropolitan report, the crime rate in Peckham has increased drastically within	£ 4,800.00

			2017 to 2018. <a href="https://maps.met.police.uk">https://maps.met.police.uk</a> This project is needed to break the barrier of social isolation and anti-social behaviour and take the trainees off-street through musical training and concert. More so, the need for this project has been gathered through feedback from the current users, parents, local politicians and people in the community. The benefits to Peckham community are through profitably engaging the young people in meaningful and productive activities thus breaking the challenges of social isolation and anti-social behaviour among them. It will result in effective bonding and team work. This will foster cordial relationship and networking between the trainees and the people within the community.	
1118418	Gloucester Grove Estate TMO	Gloucester Grove Estate Art Group	This project aims to use art as a vehicle for encouraging people from different backgrounds and ages to work together. There is a common goal for residents to use this art project as an opportunity to improve their environment. This project has been identified due to a recognition that there has been a limited improvement to the communal areas of blocks across the estate. The collaboration work with Art4space will see individuals of varying backgrounds and ages work together to develop unique paintings which will be displayed within the foyer of each block. The project will help foster collaboration and team work and also reduce isolation amongst senior members of our community. There will be a series of workshops which will aim to help develop creative and design skills through the art work. The final work will help transform spaces which are currently unappealing to residents and visitors alike.	£ 7,793.00
1118573	Leaders of Tomorrow (LOT)	Volunteering in the Community	Leaders of Tomorrow (LOT) was established in 2002 and has a long and successful track record of helping children and young people achieve in their personal, social and academic development. The benefits we want to achieve are for our young leaders to volunteer and support the older generation through the 'Golden Oldies' organisation. Firstly, some of the Alumni who benefited from our previous training workshops, have indicated that the exposure and skills acquired have equipped them to give something back not only to their peers but also to our senior citizens. They will perform at the Golden Oldies Christmas concert, volunteer their time to help with form filling, teaching basic computer skills, befriending a Golden Oldie etc. We are acutely aware that many older people face isolation and loneliness and young people can assist in bringing a bit of happiness as they go through later life. Secondly, trained young leaders will continue the fight against knife crime and gang affiliation. Young people	£ 5,000.00

			identified "Drill Music" which emanated from Chicago has had a major impact on their thinking as the lyrics, videos and gangsta lifestyle, glamourised violence, anarchy, misogyny etc. LOT young people are dissuading impressionable/vulnerable peers to stop listening to Drill Music and trying to adopting the lifestyle portrayed in the videos	
1118924	Bells Gardens Estate TRA	Empowering our Community	Bells Gardens Estate has had numerous challenges in community engagement and providing continued supported presences of our community leaders has given rise to a more supported activities and a elevated awareness and participation of residents in our community. It has been a pleasure seeing young and old come out to participate in the programs supported through this continued funding. We will and have achieved with a continued program value, support, & engagement to our residents and offered confidence and development to the community at large.	£ 2,000.00
1119147	Evolution Quarter Residents Assoc.	2019 EQRA Summer Party	Evolution Quarter Residents' Association (EQRA) exists to represent the tenants and residents of 310 properties across two estates in North Peckham. We are a fully constituted group with an elected committee. Our mission is simple: to make our area a great place to live. It's an area that's been blighted by past with tragedies and continuing poor PR – but we aim to defy public perception by creating a real and strong sense of community here. It is hoped this events programme will engage with residents who have not previously attended any of our meetings but who may respond to a more informal group environment. This in turn will should increase participation in our association and encourage a greater interest and commitment from residents in their surroundings. Our recent resident survey highlighted a shortage of amenities in north Peckham and events such as these help to address this issue.	£ 2,500.00
1119279	Generation Success	Creative Cartoon and Storytelling workshop sessions	In line with Southwark's cultural strategy and a place for innovation, creative learning on How to draw Comic Cartoons through Animation and Caricatures will be the focal point of the workshop sessions which will run between 1 April 2019 and 31 March 2020. Through these workshop sessions the youths in attendance will learn to draw and will also develop self-confidence of being able to succeed in life and in their local community. Throughout the workshop sessions activities will include drawing comics based on issues in their locality, such as gangs, drugs, crime and other related issues and above all develop individual's skills to draw and be creative. This series of educational activities tied in with national events such as Summer Reading challenge,	£ 1,170.00

			Black History Month and half-term and summer holiday will give many the opportunity to tell and retell stories through cartoons and Illustrations at the end of which a three to four minute animation will be produced by the youths with the creative artist's . Writing scripts, performing own music, providing voice-overs for the animation will see full participation of everyone. Group will also produce comic cartoons and book of rhymes and tales for the likely distribution in the Borough.	
1119431	Pempeople	Southwark Untold	Southwark Untold's mission is to support locals in their professional growth within the community. Our event acts as an interactive exhibition and series of community events simultaneously put together by and dedicated to the community of Southwark, with an emphasis on Peckham. The event brings locals together through art, music, craft and film in a popular social space to celebrate and encourage the borough's remarkable talents and sense of community. Ranging from the youngest residents of the borough to its long-established makers, it is an opportunity for locals to showcase their work, at both individual and collective scales. We bring local organisations and individuals together more closely through the programme, encouraging them to collaborate further and network. We also want to encourage residents of the most deprived areas of Peckham and South East London to come down to Tate Modern and feel more welcome and entitled in gallery and museum environments. Southwark Untold is held to achieve a mutual goal of Tate Exchange and Pempeople - that to engage wide communities through creative multidisciplinary programming. We believe that events like Southwark Untold are needed to give better opportunities and agency to the residents and allow them to apply their creative inputs in institutions like TATE Modern. Southwark Untold would bring locals together in a social space to spark conversation about regeneration, gentrification, migration and creative agency.	£ 4,820.00
1119581	The Friends of Kelly Avenue Park	Community Fun Day	The Kelly Avenue Park Fun Day is now an established event among the local community. It is a day when hundreds of local families can enjoy free lunch and a range of free activities at their local park, cementing positive relationships and building new ones, between diverse groups of people. Local children now look forward to their annual fun day as a treat for all the family, enhancing their well-being and strengthening their sense of 'ownership' of the park, promoting engagement in community cohesion.	£ 1,950.00

1119595	Sumner Residents Association	Sumner Historical/Cultural Trips 2019	Historical and Cultural Day trips. 2 Trips We are trying to bring communities together. All ages backgrounds, everyone is welcome. The trips will be educational and will bring young and old together. The benefit will be Meeting new people in your local area and learning together. And enjoy a day out .	£ 2,400.00
1119685	Sporting Recovery CIC	Sporting Recovery Wellness Programme	Evolving from a successful NHS Trust clinical pilot project that identified barriers to reintegration back into local communities, we assist adults with mental health issues on their recovery journey. Our intention is to provide social opportunities related to physical fitness and healthy lifestyle activities for previously inactive individuals who have a history of complex care requirements. The uniqueness of this project is the combination of exercise, nutrition and education under one roof, something that is currently not present in Southwark. Peckham Ward has a population density with large BME communities (168.7 people per hectare, about twice the London average). This high level of overcrowding is known to contribute to worsening mental health. Our target group comprises of unemployed adults with mental health issues who have been physically inactive for a prolonged time and have high percentages of co-morbidity illnesses associated with lifestyle, mental illness and medicinal side effects. Individuals are at risk of significant mental health problems, with many experiencing difficulties accessing, trusting and thus engaging with services offered to help them. An integral part of the programme is local volunteers, typically from within the programme. Alongside this, we work with other groups in providing a holistic solution for the people of Peckham.	£ 4,536.00
1119735	SGTO YOUTH FORUM	SGTO YOUTH FORUM	<ul style="list-style-type: none"> <li>• To create a healthy relationship between the younger and older youths in Southwark.</li> <li>• To create a healthy relationship between young people and senior citizen in Southwark.</li> <li>• Liaise with local community partners.</li> <li>• Provide after-school clubs to less privilege ie homework assistance.</li> <li>• Provide weekly clubs in sports, performance arts and life skills.</li> <li>• To create a voice for young people in the Southwark Borough.</li> </ul>	£ 5,000.00
1119332	The PE & School Sports Network	Family Wellbeing Hub <b>(includes</b>	The project will support future generations to live healthy lives, providing a space for families to keep active and improve health & wellbeing. The Faraday ward profile shows high levels of deprivation and poor health. In the	£4,999.63

		<b>Angel Oak School)</b>	<p>borough childhood obesity is consistently above London and national levels. We aim to prevent children growing into overweight adults and improve habits of adults at risk or living with lifestyle diseases. Through our work in schools, the team at The PE &amp; School Sport Network team recognised a gap in long term health provision and engagement for families in Southwark.</p> <p>Who: Families from Michael Faraday primary school and 12 other schools in the ward  Where: Michael Faraday, Keyworth, Robert Browning, English Martyrs, Comber Grove, St Pauls, St Peters, Surrey Square, Angel Oak, Cobourg, St Joseph's Junior, St Joseph's Infants  When: 2 sessions a week each term - total of 6 terms/year  What: Provide fun and exciting physical activity, cooking workshops &amp; community events  Leads: The PE &amp; School Sports Network staff &amp; volunteers  Current local projects offer sessions for a weight management service or are limited to certain age groups. This project differs in its unique ability to capture and engage a large number of families in one space across a number of schools in the borough - an inclusive space for all residents.  A funding grant will allow us to purchase necessary sporting &amp; kitchen equipment for sessions.</p>	
1119377	Make it Studio Ltd	make it community sewing project	<p>Of 33 London boroughs Southwark is the 12th most deprived with 38% of its residents living in the most deprived areas nationally. 1 in 3 children live in low income families. In Southwark in 2016 1814 single mothers were looking after 3094 children. Unsurprisingly single mothers are the least likely to work fulltime, most likely to work part time, to be looking for work or not actively seeking work. My Project is aimed at empowering women , positively influence their ideas of independence and confidence and ensure their experience and involvement creating an accessible work place will positively address and impact on all the current inequalities. Learning to sew and developing sewing skills in a safe environment to create innovative garments to sell with pride in shops and markets in the local community. My Project aims to help women and their children build resilience, influence social, mental and economic well-being and engage with their exciting, diverse and culturally rich community.</p>	£3560.00 (less CGS item)

## Peckham Rye

1109352	Peak Performance Health exercise class	Peak Performance Fitness classes	With this project my aim is to get people exercising in the local common. I would run the classes twice a week. The participants would receive a news letter giving them dietary advice and nutritional tips. This would benefit the local community because it will give them support, accountability, and structure and help them get an exercise routine. This goes hand in hand with healthy eating. People exercise with a group because they "are more likely to stay on track." The group encourages exercisers to involve family members, friends, and even pets, as "dogs need exercise too	£ 500.00
1112931	Peckham & Nunhead Free Film Festivals	The 10th Peckham & Nunhead Free Film Festival	There were 71,552 residents living in the Peckham and Nunhead Community Council(Census 2011). Peckham and Nunhead has the highest proportion of benefit claimants in the Borough (17%) above the national average of 14%. Our free events are accessible to everyone in the community. Cinema ticket prices have risen and gone far above inflation. The cost of taking a family of four to the cinema which may be £50 / taking the same family to a similar outdoor commercially run costs £95. The Festival is as much about community as it is about film. Using the power of film to cross boundaries, raise awareness and bring people together. The festival is run by volunteers with a commitment to the SE15 area. Events allow people to discover new community venues watch films in a park, shop or community space is an opportunity to experience venues in new ways, and to celebrate SE15. Our aims are: <ul style="list-style-type: none"> <li>• Community cohesion : bringing together a wide range of residents and groups (reflecting the diversity of the area) through film screenings</li> <li>• Skills development: run projection workshops and filmmaking</li> <li>• Intergenerational working: bringing together people of different ages with a shared interest in films</li> <li>• Support local filmmaking talent, providing opportunities for filmmakers to reach wider audiences.</li> </ul>	£ 10,475.00

1118285	London Senior Social	Positive Ageing	We are applying for this grant to fund Positive Ageing to support mental, physical and social well-being for residents of south-east Southwark. The activities aim to increase older people general wellbeing by being socially active engaging in holistic therapeutic activities such as seated OOMPH exercise classes, Toenail cutting, Hand and Foot massage and Seaside trips covering mental, physical and social well-being on an individual basis to improve confidence and reduce isolation and loneliness that is so prevalent amongst older people.	£ 2,000.00
1118285	Little Village	Little Village Volunteers	Little Village engages the whole of the local community, bringing people together to ensure that children from across the area have their basic needs met. We have just started to work in Southwark and are keen to create a diverse and local volunteer group united in the common purpose of alleviating poverty locally. We know our volunteers do not fully reflect the community we work in and want to reach out to the families that we support to offer them meaningful volunteering opportunities. Over the course of 2019, this funding will enable us to recruit 30 new volunteers. We will do this by developing sessional volunteer support roles to build the confidence of new volunteers, facilitate relationships across the team and ensure we offer a supportive, warm and social volunteering experience for all. We will be able to offer training, certification and references if required, and DBS checks. The funding would also enable us to pay a fee for a part time locally based outreach worker to deepen our community connections, raise awareness of Little Village and create opportunities for a wider range of families to get involved in our work. We are keen to engage as many of the families we support and will be seeking to help them into volunteer roles with us in order that we may create a more fully connected local community.	£ 4,600.00
1118940	Friends of Peckham Rye Park	Friends of Peckham Rye Park Summer Fete 2019	The need for a fete to bring together the local communities of Peckham, Nunhead and Dulwich was identified by the Friends of Peckham Rye Park; a fete has been held annually. It is a unique event giving a sense of identity and belonging to the many and diverse users of the Park and Common. The many local organisations and groups involved in the event (police, Fire Service, and others) and park management welcome the opportunity to engage with local families and show what they are doing. It is a tried and tested event that brings enjoyment to members of the community of all ages, as attested by feedback from participants. The dog show, children's fancy dress and traditional games (coconut shy, sack races, etc) are opportunities for local residents to participate and show off their talents and their pets. Many activities are	£ 1,845.95

			free (Punch and Judy, traditional games like sack races, children's fancy dress) and the Committee ensures that prices at our Tea Tent are affordable to families and individuals on low incomes. All profits go towards supporting projects within the Park and Common; the community from those areas all benefit from the event and our support of projects. The fete takes 4 or 5 months to prepare and actively involves a large number of people including stall holders from local community organisations as well as independent producers and companies, volunteers who help prepare and run the activities and local businesses who promote the event.	
1119389	Ivydale League of Friends	OPAL (Outdoor Play and Learning) Project	At Ivydale, we are trying to improve the quality of play. Children spend 1.4 years of primary school attendance in playtime. This time is valuable and needs coherent planning. Better play means happier children, which means fewer behaviour problems, a more positive attitude to school, more effective lessons, core skills development, less staff time spent resolving unnecessary problems, fewer accidents and happier staff. There is a large amount of evidence that we are able to greatly increase the physical activity of all children and get more children, more active more of the time, sustaining those benefits over many years. Ivydale serves a large number of children and families in the local community including those who attend our after school club and our holiday playschemes. Through improving play, children will learn to develop valuable skills to take out into the community, helping prepare them to be citizens of the 21st Century. The project will provide opportunities for the community to take part in social events and activities, such as den-building days and themed play days. To do this, we need to develop the playground so it offers richer opportunities for play. We will be working in consultation with an OPAL adviser, who can guide us on how to design and implement a better play strategy. We need materials for landscaping, resources, storage facilities, plants, irrigation equipment, resources for play and increased staffing.	£ 1,095.00
1119393	Peckham Allstars Netball Club	PECKHAM ALLSTARS NETBALL CLUB	I'd like to offer a 12 week netball programme for all local young girls aged 9-11 + an opportunity for young leaders ages 12-15 to participate in learning coaching and leadership skills. I voluntarily run a netball club every week at Ivydale School, it's over-subscribed and I cannot take any more that 15. The ethos of the club is to provide the girls with the opportunity to learn the basics of netball before they go to senior school so they have the option to trial in the school team if they wish. 70% of yr 6 girls that left Ivydale School in 2018 have gone on to play netball at their senior school and have	£ 3,500.00

			<p>made the team. There is no local provision for girls to play netball, or if there is it's very expensive. The benefits of Netball for our local girls:</p> <p>Health benefits - cardio, hand-eye co-ordination, strengthening. Confidence boosting. Team spirit building. Fun, friendly and safe environment Unfortunately Netball is not like football where you can grab a ball and have a kick about on the Rye for free. Netball needs a proper court, netball posts and equipment. My idea is to do this at Harris Academy Girls where they have 3 outside courts - so plenty of room and scope at this perfect local site. I have also spoken to the new Head of PE there who has informed me that they are going to refurbish the site in the new year.</p>	
1119448	Brenchley Gardens Montage Arts	Brenchley Gardens Montage Arts Theatre Project	<p>The project will aim to engage young people on the estate and the surrounding area in a drama project after school. The final aim of the project will be to create greater cohesively in the community and engagement with the arts. There has been much interest within the community in getting projects off the ground for young people that engage them after school. The final aim would be for the young people to create performance through working collaboratively with other young people on the estate and young people in the surrounding area, raising confidence and building skills in team work and performing in front of an audience. The final aim will be to build a youth theatre group where young people explore local issues and look towards to creating theatre under the heading 'Local as Political'</p>	£ 745.00
1119611	Girls United Football Association	Girls United FC Camp	<p>The project will give girls and young women the opportunity to engage in football and develop soft skills that will transform them into confident leaders. The impact is focused on improving their physical and mental health, promoting gender equality and providing them with concrete life skills that will improve their educational outcomes and their future work prospects. We will achieve this by delivering a mixed curriculum which builds football skills whilst integrating leadership training. Having researched the current offer and spoken to local parents and community groups, we have identified that the area does not provide female-only football from the ages of 6 to 17. There are over 4 large grassroots football clubs in the area, but they do not have girls' teams. We identified that while these clubs allow girl participation, this rarely result in more than a 2-5 girls, and they often cease to participate at the age of 14. This is due to gender bias, physical differences and the social environment which surrounds teams. By opening spaces that are specifically for girls, we give them a space where they can build their confidence and develop without constraints. This results in better</p>	£ 5,060.00

			athletes and better equipped, ambitious individuals that can replicate the impact in younger generations, impacting the wider community. Through our methodology, we address drop-out rates in sport and education at the transition stages (from primary to secondary and secondary to tertiary).	
1119704	Athenlay Football Club	The 3kicks Youth Development Project	As part of a larger community engagement program, the 3kicks Youth Development Project is aimed at creating opportunities for young people aged 14 – 25 to train to become qualified football coaches and referees. Under the guidance of experienced coaches/mentors, young people will be given the opportunity to work with younger children to help them develop key life skills such as communication, self-confidence, leadership, team work and planning as part of their educational pathway to becoming fully qualified coaches and referees. Amongst other things, the young people participating in the program will receive a national accredited football coaching certificate, emergency First Aid training, Safeguarding Children training, and training to become Mini Soccer referees. Depending on their age and commitment, the first stage of their training will be spread over a 12 month period, however our commitment to their development is on a much longer term basis as the young people participating are expected to positively impact the lives of other young people and influence the development of youth football in our community for many years to come.	£ 2,950.00
1120198	Drawing People Together	Drawing People Together	Drawing People Together aims to quite literally draw people together in Peckham. Focusing on Peckham Rye an as an amazing neighbourhood with a great diversity of people, but also of rapid change. Drawing people together uses drawing as both a theme an action to bring different people together in one community space. The arts and drawing are proven to offer therapeutic experiences and enhance wellbeing, but this group is specifically interested in engaging a diverse range of people to join together in a shared experience. The events themselves are a type of Trojan horse for getting to know other people in your neighbourhood. Groups of friends are welcomed as much as someone coming alone. A very postive effect of previous events is witnessing the creation of new friendships, this was a bonus way beyond the original aim.  Please see the instagram @drawing.People.together for previous workshops.	£ 3,120.00

1118605	Holistic Well Women	Creative Crafts and Arts Opportunity Zone	<p>The Creative Crafts and Arts Opportunity Zone aims offer young people aged 11-16 and unemployed Adults the opportunity to learn a creative crafts skills and artistic skill. We are offering holiday activities and Saturday class for the local community. Participants will have the opportunity to learn a range of creative and artistic skills which include, Sewing and fashion design, Bag Making, Machine embroidery, Make Artistry, Jewellery Making, Wig Making, Cheerleading and Hula Hooping and Dance.</p> <p>The aim of the project is to empower and motivate young people to work with adults on a social project and connect with their peers learn a new skills which will increase self confidence and self-esteem and raise aspirations about what they can achieve through connecting with their creativity and artistic abilities. We are also offering volunteering training and opportunities to participants who would like to deliver and workshop that would share there Creative or Artistic Skill</p>	£ 4,290.00
1119738	Metropolitan Police with Southwark YA team	StreetBase - Peer Mediators to work with local young people	<p>During the summer the team have engaged with 388 young people/signposted 349 into positive activities, opportunities, events and support. The team are a recognisable face who has built up trust within the local community that is helping provide reassurance and reduce crime/ASB. The aim of the project is to increase youth engagement in the geographical area of the Pelican Estate and to understand better the risk of being a young person on the estate. Youth knowledge of the issues relating to their safety can often be lost to agencies, both statutory and third sector.</p> <p>Southwark Police are doing a lot to improve community engagement whilst policing the gang members who not only live on the estate but those who seek to damage the community by way of violence and ASB. The key problems in this area is knife enabled robberies, gang activity, serious youth violence and ASB. Rival gangs with current tensions include Moscow 17 (Brandon Estate/surrounding area) and Zone 2 (Pelican Estate/surrounding area). The project will increase access to services through signposting, help prevent crime/ASB by engaging with those at risk of offending behaviour , be a reassuring presence to young people and help prevent the vulnerable from joining groups within the area, help change negative perceptions/stereotypes, promote community reassurance that prevents crime/ASB and, most importantly, the community's perception of crime and ASB and help build relations within the community</p>	£ 4,320.00

1119700	Inspiring DJs	Inspiring DJs	The aim of inspiring DJs is to encourage, motivate and empower people at risk, to consider hobbies or careers in music via DJing through a series of DJ workshops. The goal is to facilitate, nurture and teach them the fundamentals and mind-set of deejaying and transferable skills required to work in the industry, including communicating, negotiating, goal setting and evaluating. We will incorporate professional coaching into the project also to effectively motivate and encourage them to identify, plan and work towards (short, medium and long term) goals. Benefits for all (young + old) include: 1. Spending their time doing something constructive, and earning multiple streams of income 2. Have a safe space to learn and participate in a safe and possible future career activity. 3. Motivating, inspiring and boosting confidence: identifying successful DJs locally & globally 4. Create a supportive, positive mental attitude and harmonious atmosphere, where everyone's skills, learning techniques, goals & visions are valued, respected and freely expressed 5. Introduce the business aspect of DJing, business planning, strategies for bookings, marketing and branding self effectively online and offline	£ 4,484.00
1111914	Copleston Centre Church	The Gift of Christmas	This is an annual event, held in our church halls in December. We have held this event for four years where we invite vulnerable local people to a Christmas meal with entertainment, food and gifts. We serve people with mental health issues, asylum seekers, isolated and marginalised people who would not otherwise celebrate Christmas. We currently rely on fundraising ideas and donations. Our entertainment is given freely by a local choir and a band. Our experience is that those who attend feel warmly welcomes and are very happy they have an opportunity to celebrate Christmas with others. This event also creates an opportunity for local residents to get to know one another, especially where there are isolated individuals. This also creates community cohesion as different people who do not ordinarily see one another get to share a meal. All the work except for cooking, is done by staff and volunteers.	£ 2,000.00
1115957	Link Age Southwark	Gentle Exercise Group for older, isolated people	We are seeking funds to provide a tutor and refreshments so that up to 20 older people in the Rye Lane ward can continue to benefit from a gentle exercise group and feel less lonely and isolated. The group is based at Jack Jones House and was set up in 2016. It takes place weekly with a regular, committed set of attendees. We use a professional exercise tutor who has significant expertise and experience in working with frail older people. Members are very positive about the physical benefits they have obtained from the exercise with comments such as "it's good for my arthritis",	£ 1,912.50

			<p>“the exercise is doing me good”, “I come for help with my balance”, “it helps all my aches and pains”. Members also appreciate the social aspect of the group “I really enjoy it”, “it’s a good opportunity to get together with other people who live here”. One member said “I’ve been to other places and if I had to change, this is the one I’d keep”. Half of the current group members are residents at Jack Jones House and the group also welcomes older people from the wider community. Older people are particularly vulnerable to isolation and loneliness as their mobility reduces, health deteriorates and family and peers move away or die. Chronic loneliness is a health risk factor comparable to tobacco, alcohol and obesity. We are proud of being able to give older Peckham residents an opportunity to exercise and socialise that would otherwise be unavailable to them.</p>	
1117371	Peckham Platform	Youth Platform	<p>Southwark Council’s provision of our new gallery space in the redeveloped Peckham Square will open in 2020/21 enabling us to continue to champion social art on a larger scale whilst providing an inspirational and engaging civic space. As we increase our work offsite Youth Platform is an increasingly important and vital vehicle for us to engage with our community. Youth Platform will engage up to 20 young people a session age 13-19 from Peckham in free biweekly creative learning activity (target 240 over 6 months). Workshops led by arts professionals &amp; Youth Platform facilitators will provide hands on learning. Participants benefit from free access to development and training via skills based workshops to develop creative skills i.e. digital, craft and making, creative writing, CV &amp; portfolio development and presentation skills. Youth Platform take trips to national arts venues which strengthen and develop a range of creative skills and crucially expand aspirational horizons and networks. Each year participants explore issues that they distinguish recently this has been around identity change and place. Our aim is to widen access to the arts to enable young people to develop their voice and agency. Youth Platform strengthens progression routes for first generation into Higher Education targeting young people who do not traditionally access the arts. Funding will provide continuity and stability enabling us to continue our support extending our commitment to our audiences.</p>	£ 5,000.00
1117787	KeepALife	KeepALife	<p>AGP Community believes greatly in saving our generation through raising Champions that become their neighbour’s keeper. The amount of young life taken in as of mid of 2018 due to knife and gun crime among our youth is staggering in around Peckham Rye . We will work with local youth to explore how we can turn this around.</p>	£ 1,480.00

			<p>Few young people from working class communities achieve their personal best due to a lot of social factors. Most of them are from struggling families doing their best with what they have. Their communities have been written off through negative stereotyping and few people within their communities that have made it are not visible to them. We believe it takes a nation to raise a king. KeepALife is a project with young people at its core; it is part of Amazing Grace Parish (AGP) community project. We use a strengths-based approach to deliver innovative and engaging programmes to inspire our young people. The aim of the project to is to raise champions among the community through training and mentoring, these champions will then support the process of engaging within their own community to raise more Champions. Our Champions develop the skills and experience necessary to be leaders in their community and to create positive social change. All our programmes work to inspire young people to develop the skills, resilience and experience necessary to be leaders and role models, engaged in building a positive society.</p>	
1118530	SOUTHWARK STREET PASTORS	SOUTHWARK STREET PASTORS	<p>Southwark Street Pastors are trained volunteers, who engage with the vulnerable and disadvantaged through a well developed network of relationships with the police, local council, statutory and voluntary organisations. In this ward, we patrol in teams of 3 to 5, twice a month On Rye Lane and adjacent area, as trained street pastors to engage sensitively with a view to caring, listening and helping during the night time economy. We give foil blanket in wintery weather to the homeless, we buy food for the hungry, we give flip flops, water and lollipops. We collect and bin broken bottles. We engage conversational and appropriately with the distressed and disadvantaged. We attend to the inebriated offering water and physical help.</p>	£ 1,600.00
1119241	Fc Jéan Té Lé	Fc Jéan Té Lé Community Football Club	<p>Fc Jéan Té Lé uses Football as a tool to engage and build relationships with young people and their parents. Through regular contact, Fc Jéan Té Lé is able to discourse social and community issues such as anti-social behaviour, crime, drug misuse, general health and well-being, education and encourages positive participation of its members within the community. We work closely with a group called Mentivity, who help provide support to young people and families, when needed. Fc Jéan Té Lé uses regular activity to provide consistent support and stability to members and develop a sense of cohesion within the community. Our aims are to provide a wide range of high quality football related activities, improve members sporting and educational attainment and raise their personal aspirations, provide long term assist &amp; support to</p>	£ 5,248.00

			members participating beyond our grass root level activities, to use an all-encompassing approach to our activities as a means to support and improve parents, children and young people's virtues, self-awareness, confidence, self-esteem and social and communication skills as well as health and well-being, to promote proactive parenting and active participation by parents and members. We need additional funds to be able to continue to book the Burgess Park 3g pitches which is a safe, secure training facility within the community. If we don't book in advance, we lose the facility and there would be no football club.	
1119539	Capoeira Danca da Liberdade	Capoeira Peckham Youth Project	This project aims to help the participants feel better about themselves through participating in Capoeira & dance workshops in local schools & youth clubs. There is a strong argument to say that recent cutbacks in youth & mental health provision as well as other contributing factors has led to a spike in youth mental health problems, obesity & crime rates. The Southwark NHS Youth strategy '15-'20 identified the need to tackle these three key points. I myself have seen the need for this kind of project through my work with St Anthony's & other local schools. This Capoeira project will address these points by empowering the participants to move better, communicate more easily & meet new friends from different backgrounds therefore forging stronger social bonds, bringing the local community together. Capoeira teaches complex movement skills giving the participants stronger, healthier & more flexible bodies & minds. Other local projects such as the Movement Factory & Walters Family School of Taekwondo address these issues in their own way but without such a broad scope of skill facilitation. We will work in conjunction with local schools & youth clubs. Pempeople & Theatre Peckham, We aim for 80% attendance over a term of classes. For those students to participate in a show in a school or community event e.g. School assembly, Peckham Festival. Also to retain 30% in public classes after one year & 80% of those students to attend a grading ceremony.	£ 5,000.00
1119577	South London Gallery	The Big Family Press	The Big Family Press offers free, drop-in sessions for families at the SLG Fire Station once a month on a Saturday afternoon from 2-5pm. Children and their families are invited to share their stories and make a DIY publication using a range of exciting materials sourced from the local area. "More things for young people and children to do" is a key need amongst local residents compounded by a lack of shared spaces for children to meet outside their homes. The Big Family Press supports local children to find a vocabulary around heritage: who they are, where they're from and their	£ 4,040.00

			<p>relationship to the world around them. The Fire Station opened to the public this September and the Big Family Press is a key new activity for families, part of the heritage outreach programme. After children found that they couldn't relate to the magazine images used in the first session, a local artist made a two-sided page of images for participants to cut out and incorporate into a story-book DIY publication that they can take home with them. These images include people, places and landmarks from the local area, images that the children can easily identify as belonging to the local area of Peckham. SLG staff supervise the sessions as families cut out, stick on the pictures, draw on them and some like to write a story. Example feedback: 'One thing that surprised me is...'Mum, they all look like me'' 'The best thing about today was the pictures of real local life – things that children relate to.'</p>	
1120513	Cooperative Planters	Southwark Flower Show	<p>The Southwark Flower Show is the first event of its kind in the borough and is a showcase of local growers, and exhibitors with a wide variety of goods on display and for sale. The features of the show include the floral marquees with floral displays including medal winners from Chelsea. The garden exhibitors have all manner of gardening goods for sale. There will be a craft pavilion, food hall, brass band, and children's activities.</p>	£ 17,860.00
