21/01/2017	19:50 NTE Visit	Visited venue at 19:50pm on Saturday, 21st January, 2017, to check public notice. No notice displayed. Manager not present. Spoke to her by phone. She claims a notice is displayed. I advised her to check when she is next at the restaurant.
29/01/2017	00.15 NTE Visit	I visited the venue at 00.15am on Sunday, 29th January, 2017, with Matt Bourne (Trading Standards). The licence allows for the playing of live and recorded music until midnight on Friday and Saturday. Closing time is half past midnight. When I visited the venue I could see through the front windows that they had a DJ, who was apparently working a music deck. I couldn't hear any music until I was within a few feet of the front door. Once inside I could hear music being played above the level of what I would regard as background music. When I asked one of the bar staff for the manager I had to stand close to him to hear what he was saying. The DPS, [REDACTED] wasn't present. I spoke to the person in charge at the time, Miss [REDACTED] I showed her a copy of the premises licence for the venue, pointed out the times allowed for the playing of music, and directed her to have the music turned off. Shortly after the music was turned off I saw that the DJ was no longer at the music deck. 31/ 1/2017 14:38 MQ3
03/02/2017	19:43 NTE Visit	Delivered warning letters and spoke with Ms [REDACTED] about the consequences of operating beyond permitted hours. Also brought to her attention the flyer advertising the event that ended beyond current permitted hours. Ms [REDACTED] stated that it was advertised like that to try and attract more customers. She stated that the event begins at 17:00hrs so isn't expecting people to expect the venue to stay open and that they would be closing on time.
03/02/2017	23:29 NTE Visit	No sign of public notices displayed.
05/02/2017	00:12 NTE Visit	Visited venue at 00:12, Sunday, 5th February, 2017, with Farhad Choudhry (Health and Safety). No music being played and no customers at the bar. Staff in process of closing down and cleaning up. 9/ 2/2017 9:54 MQ3
24/02/2017	00:40 NTE Visit	24/ 2/2017 00:40 FRCA At 00:40hrs Ken Andrews and I went to Luxford Bar and we parked our car outside the premises, we seen approximately thirty plus people inside it was very busy inside. There were no sign of anyone leaving, I called NTE police PC Mark Lynch answered I advised him to visit with us and he said he would arrive within 10 minutes, he also checked the TENS and there were no TENS for Luxford Bar that weekend and he said that they are just open past their hours. We waited in our car at 00:55hrs we seen lots of people now leaving the premises and there were people hanging outside shouting and also seen some cars parked on both sides of the road. The Door staff was trying to get people out, he probably seen us which is why they were now getting people out. The customers were just loitering outside laughing loudly. It was now 1:00hrs and I could still see some people inside and can also see staff cleaning up now. The staff from the premises were not moving away their customers some of the customers were fighting outside, we were not sure if it was real fighting or just play fighting. We went inside at 1:10hrs [REDACTED] she immediately started to argue with us and the Police she said that she closed on time, she said that it was not her problem customers were outside loitering. She also said that she was getting too many visits, I advised her if she had closed on time there would not be a reason for us to visit her at 1:10am in the morning. She then said she wasn't serving drinks, and that customers were just drinking up, she continued to argue with us, I asked her where her door staff was and why he was not moving people on. She said that he had left and whose going to pay him overtime to stay he finishes at 1am. I advised her that if she had closed on time meaning at 00:30hrs not 1:10hrs then her door staff could have managed to get everyone out and moved them on. I advised her that the reason why she keeps getting visits is because of the noise complaints we have received and the fact they keep opening past their hours, we then left with the Police.

24/02/2017	19:05 NTE Visit	24/ 2/2017 19:05 FRCI visited Luxford Bar with Ken Andrews Friday night 24th February 2017, I initially visited at the start of the shift at 19:10hrs they had the poster displayed and it was eye level this time it was by the left window. I spoke to [REDACTED] the manager she said that Alex visited her today and hand delivered a letter she also complained that there was too many visits by licensing to her premises and she was not happy. I explained to her that she had put in her variation and that she needed to display the poster correctly and the poster would need to have the correct date which is today's date. The Poster had 26th January and as it was hidden behind a bin it could not be seen by members of the public so I have been advised to inform her to put today's date. She said that she had already emailed Wesley and Alex about this and she is appealing this decision and nobody explained to her where the poster should be displayed. She also said that she emailed Wesley two days ago with a photo of the poster and he was happy, so she said why should she advertise again. I also advised her to ensure she closes on time as we have had complaints that the premises is open past its opening hours. And they are advertising later than what their opening hours were. And if she was not happy with visits by licensing officers she could complain to the manager of licensing we then left.
12/03/2017	00:50 NTE Visit	On Sunday, 12th March, 2017, at 00.45am, I was working with Adam Burchett (Bankside Team) and PC Mark Lynch (NTE Police). On Fridays and Saturdays the sale of alcohol and the provision of licensed entertainment should cease at midnight. Closing time is 00.30am. The venue is situated at the corner of Old Kent Road and Peckham Park Road. At 00.45am we were driving along the Old Kent Road. As we drove past the venue I could see through their window that there was a group of people sat at a table in the restaurant part of the venue. We turned back and went to their front entrance in Peckham Park Road. Through the window I could see that the people in the restaurant area had gone, but there was a group of people in the bar area of the venue. Although the front door was locked, SIA door staff were on duty and they let us in. This was at 00.50am. Once inside I could see that there were approximately 12 males seated at tables in the bar area. Some of them had drinks they were drinking. The manager, Miss [REDACTED], was present. When I asked where the DPS was, she stated that she had already left. I showed Miss [REDACTED] a copy of the premises licence and pointed out that the sale of alcohol ends at midnight and that closing time is 00.30am. The venue should be empty of customers by that time. Miss [REDACTED] stated that the venue was closed and that her customers were drinking up. She didn't think that she had broken the conditions of the licence. I couldn't get her to understand that she had. Miss [REDACTED] made no effort to get the males to leave the restaurant. However, the door staff had been listening to what I had said and they began directing the males to leave. I checked the CCTV to see that it was working. I left a note with Miss [REDACTED] stating that I required CCTV footage for the period 23.45pm 11th March to 00.50am 12th March. When I left the venue the males, apart from one, had congregated outside the front door. The door staff were making no effort to move them on. The single male that wasn't with the others came up to my colleagues and me and said, "Ask me why I'm angry." We ignored him. Matters now in hand to further investigate the matter with a view to a 14/ 3/2017 17:02 MQ3 prosecution.

Keith explained why we were there and asked why the premises was still open. I hid myself and asked for the female's name. She told me her name was Miss [REDACTED] and confirmed that she was in charge. When I asked why the premises was not closed she said it was and the people left in the premises where her family and friends and they were just waiting for her to close and they were going somewhere else. Noted that there was about 10-12 people in the premises sitting and standing around none of them had drinks. There were 2 males at the bar and one had a bottle of beer. When I challenged her about this she said that she had not charged him for the drink she had given it to him. She said she was just finishing cashing up. She had a roll of money in her hands which she showed me. I asked if she had done the z read on the till yet and she said yes. I asked to look at it and the final z read was done at 00:28.
