Re: Application to vary a premises licence - Tola, 56 Peckham High Street, London, SE15 4DP (application number 868339)

To whom it may concern,

I am a local resident and fully support the above application.

I believe that the proposed variation would not add to the negative cumulative impact of licensed premises in the local area, would not be to the detriment of any of the licensing objectives and would not lead to increased crime and disorder or anti-social behaviour in the locale.

Since the current management took over the premises it has been well run and has proved to be an asset to the flourishing night time economy in Peckham.

The proposed changes are most welcome as I believe that the premises will continue to be well run, but be able to provide an even better customer experience.

Yours sincerely,
