

NOTIFICATION OF KEY DECISION TO BE TAKEN

GENERAL EXCEPTION NOTICE

DETAILS OF DECISION	
Title of Report	Determination of Objections - East Dulwich CPZ
Description/Nature of matter requiring Key Decision	To consider and determine representations/objections received during statutory consultation relating to proposals to introduce a new parking zone in the East Dulwich Area; and to instruct officers to proceed with installation of the parking zone.
Decision taker	Cabinet Member for Environment, Transport and the Climate Emergency
Date by which Key Decision must be taken	December 2019
Reason why it was impracticable for decision to be on the Forward Plan	The decision was on the Forward Plan for decision in November 2019. However pre-election guidance issued in relation to the General Election scheduled for 12 December advises that the council must be mindful of not making decisions on matters likely to be controversial and which are likely to generate, or create the need for publicity. This matter has previously been the subject of debate at council assembly following the receipt of a petition and has attracted a reasonable number of objections. In light of the above officer advice is that consideration of this issue is delayed until after the general election.
Reason why the decision cannot wait for inclusion in the next Forward Plan	The next Forward Plan to be published relates to decisions to be taken from February 2020 onwards. The decision needs to be taken in December as the parking zone delivery is already delayed compared to originally advertised time frames of Autumn 2019, and delivery would be delayed further by at least two months. Furthermore the parking zone is part of a parking programme and hence would cause delays for the rest of the programme.
ORIGINATING AUTHOR'S DETAILS	
Name	Joanna Lesak, Project Manager, Transport Projects
Contact Number	020 7525 0127
