Dear Resident/Business

Proposed Croxted Road CPZ 'HH' Extension

Following a petition from local residents, Southwark Council is proposing to extend controlled parking zone 'HH' south of the railway bridge to the junction with Turney Road and we would like to know what you think.

A map of the proposal has been enclosed with this letter. The proposals can also be found on our website: www.southwark.gov.uk/croxtedroadextension

What is a controlled parking zone (CPZ)?

A parking zone is a network of streets covered by parking controls which operate at certain times of day to prioritise parking for residents and businesses. Each street is marked out with either parking bays or double yellow lines. We are proposing Shared Use bays in this section of Croxted Road which can be used by resident/business permit holders, visitors who pay by phone and Blue Badge holders. We think this offers the most flexibility for residents, businesses and their visitors. Anywhere where we consider parking to be unsafe will be marked with double yellow lines.

As this is an extension of an existing parking zone the bays in Croxted Road would operate Monday to Friday, 12 noon to 2pm.

We have been working with Lambeth Council on this proposal, who will also be consulting on the implementation of a controlled parking zone extension on the west side of Croxted Road, which means that the parking restrictions will cover both sides of the road and permit holders will have the flexibility to park on either side of the road. This arrangement will cover the entirety of Croxted Road from Norwood Road to Turney Road.

How does a CPZ work?

Between the hours of 12 noon and 2pm Monday to Friday parking will be limited only to those who have purchased a permit. Permit costs are as follows:

Residents:

1 month	3 months	6 months	12 months
£15.74	£36.58	£67.83	£125

Motorbikes and mopeds - £31.25 (12 months)

Hybrid and electric vehicles - £31.25 (12 months)

Disabled badge holder's vehicles - £31.25 (12 months)

Businesses:

3 months	6 months	12 months	Electric vehicle discount (50%)
£180	£360	£590	£295

Please visit our website for a full list of visitors permit prices – www.southwark.gov.uk/parking

How can I have my say?

We have published a notice of our intention to introduce a parking zone in Southwark News, London Gazette and on lamp columns in the area.

Anyone wishing to object to or make any other representations regarding the proposal, may use the form labelled '*Parking - Road traffic and highway schemes - responding to statutory consultation notices*' at www.southwark.gov.uk/statutoryconsultationnotices or send a statement in writing to: Traffic Order consultations, Highways, Southwark Council, Environment and Leisure, P.O. Box 64529, London SE1P 5LX or by e-mail to traffic.orders@southwark.gov.uk quoting reference '*TMO1920-027 CPZ HH Croxted Road*' by 24 October 2019. **Please note that if you wish to object to this proposal you must state the grounds on which your objection is made.**

If you have any questions relating to the section of Croxted Road in Lambeth please contact: cpzconsultation@lambeth.gov.uk

What happens next?

Officers will compile a report detailing all representations received during this period along with officer's comments and recommendations. The final decision on whether we introduce a controlled parking zone in this section of Croxted Road rests with the Cabinet Member for Environment, Transport and The Climate Emergency. Those who made a representation will be notified of the final decision and the decision will also be published on the Council's website.

Best wishes
