TO WHOM IT MAY CONCERN

I have had the pleasure of working at Costa Azul as a [REDACTED] for approximately 1 year now. I work almost every Friday and Saturday. Throughout this period, I've known the place to be a fun field, family oriented environment. A very beautiful place where people come to enjoy. Everyone seems to know each other. The atmosphere is very intimate.

I really enjoy working there and sometimes even brings friends to eat at the restaurant on my off days.

I can say without a doubt on both professional and personal level that, Costa Azul is a really nice and fun atmosphere where people come to enjoy.

I'm available for any further information.

Hi everyone.

My name is [REDACTED]

I would like to comment on the Costa Azul Mexican and Grill club. He frequented this place for more than 3 years together with my work team after each working day he will go to this place to have fun is a very nice Latin place throughout these years I have never witnessed a problem. But for a few days ago we can no longer go to this place because it only allows entry until 12:00 midnight night in which if the solution we have not been able to enjoy the place because my days and my teams end after 12:30 was perfect to enjoy after a long working day. As I said before I like this place because it is very nice and above all quiet and trustworthy

Kind regards

Costa azul has always been my favourite place to go with my family to eat and have fun dancing at the disco as it is local too. Me and my family go there to eat and dance almost every weekend, it has a very homely and relaxed environment; the food is amazing and the disco is so much fun and chilled! There are no fights and drunk people are well attended for as long as we have been there! The restaurant has always been there for me and my family and the workers there makes us feel so welcomed.

I do not see just as a client that the door closes at 12 o'clock at night and I can not let anyone else pass, since this weekend I was there some relatives stayed outside.

Thank you

Good afternoon,

I am writing this email in regards of the good service that I have been receiving from the Costa Azul Mexican Bar and Grill restaurant, located in old Kent road - London.

First of all, the owners are very nice people who have been working really hard with their staff for a different type of events. From my experience: I celebrated my birthday at the restaurant and I had an amazing experience with my family and friends. They environment is nice and fun.

Secondly, the food is amazing. You have multiple choice of Ecuadorian and Mexican food. The best quality - price.

To finish, the service of this restaurant is excellent as I mentioned before, they have been working hard to give us an excepcional service at the restaurant.

I can choose Costa Azul Mexican Bar and Grill all the time.
