

# Non-strategic Traffic and Highway improvement

Appendix	25
Location	Paradise Street
Proposal	Remove 7.5m of permit holder bay and install 7.5m of DYL
Ward(s) affected	North Bermondsey

## Non-strategic Traffic and Highway improvement

A non-strategic traffic and highway improvement is a small project where the council proposes to modify the existing Highway layout. This may include changes to waiting and loading restrictions, traffic calming, improved crossing facilities etc.

Under Part 3D of the council's constitution, the Cabinet Member is responsible for Transport Issues: To decide to implement a traffic and highway improvement project, subject to statutory consultation.

## Background / Request

- This request came from a GIS officer who noticed the permit holder bay currently extends over the dropped kerb which is used for access by The Mission building.

## Location

- Paradise Street, North Bermondsey.
- It is in the Bermondsey (G) controlled parking zone (CPZ).
- G CPZ is in operation 8:30am-6:30pm Monday-Friday.

## Investigation and conclusions

- Officers visited site on 31<sup>st</sup> July 2020 and noted unused parking bays in front of the vehicle crossover

## Recommendation

It is recommended to remove 7.5m of permit holder bay and install 7.5m of double yellow lines

This proposal is subject to Traffic Management Order (TMO) statutory consultation. A TMO is the legal mechanism the council as traffic authority uses to control aspects of the way that the highway is used. They provide the legal backing to signs and road markings used on the highway and allow them to be enforceable.

A detailed design drawing of the proposal is provided within this document.

## Next steps

Should this non-strategic Traffic and Highway improvement proposal be approved, then arrangement will be made to carryout statutory consultation.

Following the statutory consultation period, the council will make arrangements to install the restrictions (road marking and signage).

Should objections be received during the statutory consultation period, these will be presented to the Cabinet Member for determination.
