A licence may not be held by an individual or an individual in a partnership who is resident in the UK who:

- does not have the right to live and work in the UK; or
- is subject to a condition preventing him or her from doing work relating to the carrying on of a licensable activity.

Any premises licence issued in respect of an application made on or after 6 April 2017 will become invalid if the holder ceases to be entitled to work in the UK.

Applicants must demonstrate that they have an entitlement to work in the UK and are not subject to a condition preventing them from doing work relating to the carrying on of a licensable activity. They do this in one of two ways: 1) by providing with this application copies or scanned copies of the documents listed below (which do not need to be certified), or 2) by providing their 'share code' to enable the licensing authority to carry out a check using the Home Office online right to work checking service (see below).

Documents which demonstrate entitlement to work in the UK

- A current passport endorsed to show that the holder is allowed to stay in the UK and is currently allowed to work and is not subject to a condition preventing the holder from doing work relating to the carrying on of a licensable activity.
- A current Biometric Immigration Document (Biometric Residence Permit) issued by the Home Office to the holder which indicates that the named person can currently stay in the UK and is allowed to work relation to the carrying on of a licensable activity.
- A current Residence Card issued by the Home Office to a person who is not a national of a European Economic Area state or Switzerland but who is a family member of such a national or who has derivative rights or residence.

- A Certificate of Application, less than 6 months old, issued by the Home Office under regulation 18(3) or 20(2) of the Immigration (European Economic Area) Regulations 2016, to a person who is not a national of a

European Economic Area state or Switzerland but who is a family member of such a national or who has derivative rights of residence.

- Reasonable evidence that the person has an outstanding application to vary their permission to be in the UK with the Home Office such as the Home Office acknowledgement letter or proof of postage evidence, or reasonable evidence that the person has an appeal or administrative review pending on an immigration decision, such as an appeal or administrative review reference number.
  
- Reasonable evidence that a person who is not a national of a European Economic Area state or Switzerland but who is a family member of such a national or who has derivative rights of residence in exercising treaty rights in the UK including:

  - o evidence of their relationship with the European Economic Area family member – e.g. a marriage certificate, civil partnership certificate or birth certificate, and
  
  - o evidence that the European Economic Area national has a right of permanent residence in the UK or is one of the following if they have been in the UK for more than 3 months:

    - (iv) self-sufficient e.g. bank statements.

Family members of European Economic Area nationals who are studying or financially independent must also provide evidence that the European Economic Area national and any family members hold comprehensive sickness insurance in the UK. This can include a private medical insurance policy, an EHIC card or an S1, S2 or S3 form.

Original documents must not be sent to licensing authorities. If the document copied is a passport, a copy of the following pages should be provided:

- (i) any page containing the holder's personal details including nationality;
  
- (ii) any page containing the holder's photograph;
  
- (iii) any page containing the holder's signature;

(iv) any page containing the date of expiry; and

(v) any page containing information indicating the holder has permission to enter or remain in the UK and is permitted to work.

If the document is not a passport, a copy of the whole document should be provided.

Your right to work will be checked as part of your licensing application and this could involve us checking your immigration status with the Home Office. We may otherwise share information with the Home Office. Your licence application will not be determined until you have complied with this guidance.

#### Home Office online right to work checking service

As an alternative to providing a copy of the documents listed above, applicants may demonstrate their right to work by allowing the licensing authority to carry out a check with the Home Office online right to work checking service.

To demonstrate their right to work via the Home Office online right to work checking service, applicants should include in this application their 9-digit share code (provided to them upon accessing the service at <https://www.gov.uk/prove-right-to-work>) which, along with the applicant's date of birth (provided within this application), will allow the licensing authority to carry out the check.

In order to establish the applicant's right to work, the check will need to indicate that the applicant is allowed to work in the United Kingdom and is not subject to a condition preventing them from doing work relating to the carrying on of a licensable activity.

An online check will not be possible in all circumstances because not all applicants will have an immigration status that can be checked online. The Home Office online right to work checking service sets out what information and/or documentation applicants will need in order to access the service. Applicants who are unable to obtain a share code from the service should submit copy documents as set out above.

So, we will bear in mind the drinks, the food, the events, or all the above to entice our preferred crowd.</p> <p>These regulars that we anticipate will want a quiet, intimate, and beautiful atmosphere that matches their level of sophistication. They will want to hang out at our bar/restaurant to have a relaxed dinner that includes real, healthy entrees.</p> <p>A theme bar, such as a wine bar, a cigar bar, or a martini bar draws a very specific crowd that is attracted to what the Bar has to offer. Overall, we want our regulars to be well-to-do (or aspiring to be so), we want them to come to our bar in small, or intimate groups (e.g. mature city professionals in smart business casual). But we don't want to attract in large crowd, unless it's a private party.</p> <p>WE JUST WANT A MIXED but sophisticated CROWD age about 25 and up, and because no matter what our theme is, our guests will expect a large amount of variety and some level of slickness from us. (If I may put it that way), and so, No matter if they're male or female, everyone in our bar must have spent some time prepping to go out for the night in trendy and nicer clothing, such as smart BUSINESS CASUAL.</p>

## **MASQ LONDON DISPERSAL POLICY**

### **DISPERSAL MISSION STATEMENT**

Masq London will operate a dispersal policy designed to minimise any negative impact of our premises on the locality. It is a key element of encouraging customers who are leaving our premises to behave in a responsible fashion, and in ensuring that they are well managed whilst on the premises.

We accept that our duties and responsibilities cannot just simply end at our front door and that, by contributing to a better managed premises at the end of the night, we can help deliver a safer community. We understand that by the very core nature of our operation we can be potential sources of nuisance, anti-social behaviour and crime which may create concern for the immediate neighbourhood, its residents and the authorities.

We will therefore implement a dispersal policy in our premises which will seek to reduce the pressure on the police at the end of trading, ease customer's passage home, and minimise the likelihood of local residents being disturbed.

### **DISPERSAL INTRODUCTION**

Masq London will operate a Dispersal Policy so as to assist in the promotion of the licensing objectives.

Our Dispersal Policy is to assist in addressing matters of concern, if any arise, in order to minimise any impact on residents or businesses in the vicinity.

Our Dispersal Procedure is dedicated to exercising pro-active measures for the dispersal of customers, towards and at the end of trading.

The premises intends to move customers from the premises and its immediate area in such a way as to cause minimum disturbance or nuisance to neighbours, both residential and business.

We will also have DISPLAYs on the Premises showing : How to RESPECT the Neighbours and phone number to Taxi.

The premises will be committed to promoting the four Licensing Objectives, as set out in the Licensing Act 2003, namely:

- The Prevention of Crime and Disorder
- The Prevention of Public Nuisance;

- Public Safety; and
- The Protection of Children from Harm.

We will set out the following measures below to ensure customers are well managed on our premises.

## **TRANSPORT**

For those who are leaving our premises, we will be giving the various options below to assist people swiftly and quietly vacating the area. This will be done by staff internally, and also member of staff positioned outside the front to maintain and remind people to be quiet.

## **BUSES**

Tooley street and Tower Bridge road is served by a vast array of buses due to its close proximity to main transport hubs.

## **TRAIN STATION**

We are about 8 minutes walk from the London Bridge Train Station, which is a major Transportation hub.

London Bridge Station is a MAJOR railway and underground station, and it is one of the Britain's busiest Railway Station that serve about 96 million people in a year.

It connects to various train lines and several bus services.

Guests taking the Northern Line, Jubilee Line, Thameslink, Southern Trains and South East Trains can all connect trains at London Bridge Train Station to their respective destinations.

We will regularly inform guests of when trains will be arriving as well as inform them of any delays that are occurring on the network which may be particularly useful to guests later in the evening when trains maybe less frequent.

The station opens at 04:45 to 01:00 on Monday to Saturday, and 05:25 to 01:00 on Sunday.

## **TAXIS**

We will display telephone numbers of taxi companies at our Premises. Staff will act as concierges and arrange taxi's for individuals and groups to be called when the taxi arrives and the customers will then be held in the venue until their carriage arrives and then directed straight to it to minimise standing around outside making noise whilst they wait.

## **ROAD SAFETY**

This will be managed by a member of staff placed outside the front to manage dispersal and security on the door in tandem.

## **OPERATIONAL**

### **STAFFING**

During the course of the evening and certainly towards the end of service, the front space of the bar area will be policed by a member of staff for maximum dispersal of groups, maintaining quietness, they will work in tandem with the security.

### **MUSIC & LIGHTING**

Volume will be gradually reduced to make our guests aware that the event is about to wind down to a close. And Music will be turned off when the bar closes. Lighting will gradually go up so when the bars are closed customers are left in no doubt its time to go home.

### **MINIMISING NOISE ON EXIT**

All customers will be policed by our staff and security to disperse any groups, minimise noise, hold people in the venue waiting for taxi's and gradually allow people to leave the premises so as not to have a build up of people on the street.

### **LITTER**

Litter will be maintained within the boundaries of the venue by the staff, Litter will be regularly cleared from the front of the bar and surrounding area to ensure the street remains tidy.

Rubbish patrols will be carried out during the night and at the very end of the night. They will collect all cups, fliers, food wrappings etc in the immediate vicinity of the premises. As well as clearing rubbish, the patrol acts as another set of eyes and ears identifying potential disorder. The very activity of sweeping the premises along with the security moving things along encourages the customers to vacate the area in a measured and staggered way.

## **FRONT OF HOUSE STAFF**

The Front of house team play a key role in the implementation of several aspects of our dispersal policy:

1. Encourage customers to drink-up and progress to the exit throughout the latter part of the drinking up time.
2. Drawing guests attention to notices by the exit of the venue and asking them to leave the area in a responsible fashion.
3. Ensuring the removal of all drinks from customers exiting the venue
4. Actively encouraging guests not to congregate around the bar zone after exiting but to carry on to their homes using available transport options stated above.
5. Directing customers towards local transport. This includes maintaining crowd control in the street if at all any is needed.

The aim is to create a highly visible presence and to communicate our policy across to our guests in an effective manner.

## **SECURITY AND MARSHALLING**

SIA Security, Stewards and/or Marshalls will be used outside of the venue at key points to direct patrons towards the Train station and modes of transport, including the taxi pick-up point.

SIA security will be rostered according to attendance levels on the premises, working from the principle that one security guard is required per approximately 100 guests.

Stewards will be present from 10pm with additional stewards added for dispersal when needed.

Our dispersal policy is continually reviewed after each event is completed and as a result is streamlined and effective. New and innovative approaches to problem solving are always considered
