Subject: Application 873386

From [REDACTED]

14th October 2020

I write to protest about the turning of the old Oceano fish shop into a licensed premise selling alcohol and open from 8am to 2am This is a residential area and is a quiet neighbourhood with good community relations. The late opening will encourage group gatherings and possibly public disorder. Some years ago a club two doors down was closed after fights, brawls on the street and threatening behaviour to local residents. In a time when we are encouraged to socially distance and self isolate to allow 2am opening would be against all sense, especially as restaurants, pubs etc are now closing at 10pm. The Londis on Norwood Rd already stays open all night and there is no need for another late night shop. I'm sure that most local residents will strongly oppose this application, as do I. It will bring crime to the area and decrease public safety.

I hope that the Council will make the right decision and refuse this application.

Subject: Objection to application 873386

Hello,

My name is [REDACTED] [REDACTED]
of Apple Tree Children's Cafe on 27 Norwood Road, London, SE24 9AA.

I am writing to you on Thursday 15th October to object to the application 873386.

The reasons for this are:

[REDACTED] already suffers from a high amount of drunk and homeless people congregating outside my business. This can be scary for the young children coming to my cafe and at times can cause a huge amount of distress. I have already contacted Southwark council about this and have been told to call the police but the council can not do anything. Having another off licence in the close proximity of my business will only encourage more of this.

Frequently there is graffiti on the walls around [REDACTED] and in the bus stop directly opposite, having an off licence so close and open until 2am will only lead to more anti-social behaviour and crime to council premises.

With the off licence being open to 2am, especially during this pandemic it will encourage more people on the streets and attract more anti-social behaviour (this road already suffers from fly-tipping and people urinating on the street), there will also be noise pollution to local residents.

Directly next [REDACTED] on Norwood Road, there is already an off license and local shop, there is no need for another so close to this location.

I hope that you understand the huge distress and concern that will be caused to [REDACTED] customers, children and local residents if this application is accepted.

Please contact me if you would like to discuss this further, [REDACTED]

Many thanks,

[REDACTED]

--

Best wishes,

[REDACTED]

From: [REDACTED]
Sent: Wednesday, October 14, 2020 5:55 PM
To: Regen, Licensing
Subject: Objection to premises licence for 87 Norwood Road SE24 REF 873386

Dear Southwark licensing department

I'd like to object to the planning application for use of 87 Norwood Road (REF 873386).

I oppose the application because a premises licenced to sell takeaway alcohol until 2am will inevitably lead to late night street drinking, disturbance and potential crime and public nuisance. The area close to the shop (Croxted Road, Guernsey Grove, Hawarden Grove) is residential and has a high concentration of children.

There is no need for such a late night provision of alcohol in such a residential area, and the development would significantly change the nature of the shops along Norwood Road by introducing a late-night alcohol outlet for the first time.

Please do not grant a licence on this basis, any new shop/off-licence should only be permitted to sell alcohol up to a much earlier closing time (say 9pm) in keeping with the wider character of the area.

Many thanks

Subject: Objection - Licence Number: 873386

Dear Southwark Council Licensing Team,

I am writing to object to the Applications for Premises Licences, Club Registrations, and Reviews Details for Licence Number: 873386. G1 Express 87, 87 Norwood Road, SE24 9AA.

My objection is based on the prevention of crime and disorder and prevention of public nuisance. Turning this shop into an off licence which is open to 2am Mon – Sun, next to Brockwell Park increases the likelihood of people drinking on the street near by or in the park, and as such creating noise and an unsafe environment.

The Shop itself is on the corner of two roads, one of which is a built up residential area with families. There is no need for this shop to become an off licence. Please instead focus on filling it with a shop that we local residents actually want or need. There are already multiple newsagents/off licences in the area.

My name is [REDACTED] Thurlow Park Road, West Dulwich, [REDACTED] I wrote this objection letter 13th October 2020. My email address is [REDACTED]

Yours Faithfully,
[REDACTED]

To: Regen, Licensing
Cc: Leeming, Richard; Newens, Margy; Cllr Anna Birley; Cllr Peter Ely
Subject: Representation Against Licence Number: 873386

To the members of the LSC,

I am writing to object to the licensing application Licence Number: 873386, Ref No. 1516433 being made in by G1 Express 87 at 87 Norwood Road SE24 9AA

1. Context - The application will be located on the junction of Norwood and Croxted Road. I represent the other side of this road in the London Borough of Lambeth which is part of Thurlow Park Ward. This stretch of Southwark lies in between Thurlow Park and Herne Hill wards in Lambeth. In this stretch of shops, the premises at the end closest to Half Moon Lane have late licenses - Costcutters has a late-night license for the sale of alcohol and Morley's has a late-night refreshment license. Most of the other shops within 150 meters of Croxted and Norwood Road on the Lambeth side close around 6 pm.
2. Residents have written to me requesting to object to this application because it is adjacent to my ward. I do so in the capacity as ward Councillor.
3. The applicant is seeking to open to 2 am in the morning 7 days a week. In an area that is residential and has a high concentration of young families living directly opposite to this premises in 89-91 Norwood Road. This proximity is likely to result in noise and other forms of public nuisance to the residents stemming from this property, were a license to be granted for off sales. Under part M(d) of the applicant's application form no consideration is given to these factors or the disruption that would be caused from, loitering customers exiting or entering or in other ways accessing the store.
4. Under Southwark's Statement of Licensing Policy paragraph 168 the recommended opening times for an Off Licence operating in a District Town centre such as Herne Hill (which is specifically cited in the policy) is 00:00 hours. This is well in excess of that and especially given that - as stated in paragraph 1 above - there is a clear divide between the nightlife part of Herne Hill as demarcated by the access road to the arches behind Norwood Road - and the more residential part. Allowing a licensed premise to operate in this part of Herne Hill to 2 am would create a public nuisance as
 - a. : it would affect a significant number of residents, not just an individual property interest
 - b. : it would interfere with their peaceful enjoyment of their homes and property
 - c. : this interference would be unreasonable as it is in excess of Southwark's stated policy on opening hours
5. Furthermore, this area has historically suffered from a high degree of litter and other forms of nuisance. The applicant has supplied no information about their awareness of the problem or how they would deal with it.
6. Historically, this area has had a variety of crime and disorder stemming from licensed premises on this strip of shops affecting the residents in the Lambeth

side. There is a concern among residents of the Lambeth side that this would affect the area detrimentally.

I am cc'ing my colleagues from Dulwich Village Ward for reference purposes.

Cllr Fred Cowell
Labour & Co-operative Councillor
Chair of Licensing Committee
Thurlow Park Ward
London Borough of Lambeth

To: Regen, Licensing; Heron, Andrew

Cc: Leeming, Richard

Subject: Objection to license application 873386 - 87 Norwood Road, SE24 9AA

Dear Andrew,

I have been contacted by local residents and businesses who have expressed concerns in relation to this application.

- The operating hours requested are in contravention of Southwark's licensing policy for this type of area which is principally residential and inhabited by a high concentration of families with children. It is believed that in granting a license for the sale of alcohol until 2am Southwark would be failing to fulfil its licensing objective to protect children from harm.

- Sales of alcohol in this area until 2am is likely to lead to an increase in anti-social behaviour.

- There has been a historic problem with litter on Norwood Road and an additional premises of this nature is likely to exacerbate an existing public nuisance.

In addition to the above, the type of business proposed is already available in abundance in the area. Residents have expressed concerns that an additional business of this nature could potentially jeopardise the survival of the post office whose operation is integrated into a neighbouring supermarket/off license. This would be detrimental to the Herne Hill area as a whole.

I urge you to reject this license on the above grounds. In the event that the license is to be granted, careful consideration needs to be given to the hours of operation in order to protect from the above harms and to ensure accordance with Southwark's licensing policy.

Kind regards
Margy

To: Regen, Licensing
Subject: Ref : 873386 - GI Express 87, 87 Norwood Road, London SE24 9AA

Dear Sirs,

I advised the Members of the Committee of The Dulwich Society by e-mail on October 12th that the above application had been made on behalf of GI Express 87 for a premises licence enabling the Applicant to sell alcohol for consumption off-premises between the hours of 08.00 - 02.00 daily. The Committee's unanimous view in reply was that the sale of alcohol to such a late hour daily was not consistent with the licensing objectives of the prevention of crime and disorder, and prevention of public nuisance and would give rise to an increase in anti-social behaviour and requested me, [REDACTED] a member of the Committee, to make a representation against this Application.

The Committee was reminded that that Southwark's Code of Licensing Practice recommends the terminal hour of midnight for the sale of alcohol by supermarkets and off-licences in the Herne Hill area and agreed to withdraw its representation were a condition to be imposed on the licence that the terminal hours for sale of alcohol were no later than midnight (Monday-Saturday) and 23.00 (Sunday).

Subject: Application for license to sell alcohol until 2am at 87 Norwood rd

I wish to complain about this application as it would most certainly be cause for Public Nuisance.

It would be inviting the heaving drinking fraternity who have been forced to leave the pubs at 10 back with easy temptation to socialising indoors well into the early hours. Everything the Covid 19 virus loves to spread among the partying youth as we are told daily. What are you thinking of!

We have an efficient much treasured Costcutter on this same stretch of shops. Closing at 11pm

We are a beloved residential area. The closure of the Nightclub on that some years back on that stretch was a return to normality for many of us. For our household placed so close to the no 3 bus stop which has a night service, the closure of that club licensed until 2am instantly removed the regular arguing and fighting which had become a constant dreadful tedium.

We do not need this late opening shop.

We are absolutely behind our Costcutter/Post Office which is a vital commercial hub of this area and deserves all the revenue they have worked hard to achieve. There are at least 3 other Off Licenses within 5 mins of 87 Norwood road. We definitely do not need another with such anti social opening hours.

It is a ridiculous idea.

Yours sincerely [REDACTED]

**G1 Express 87, 87 Norwood Road, London SE24 9AA
Licensing Application Ref. 873386**

I am writing on behalf of the Planning and Licensing Group of the Herne Hill Society.

The above application seeks a licence for sales off the premises up to 2 am 7 days a week.

Herne Hill is a "local centre" and under Southwark's Statement of Licensing Policy 2019-2021, Section 7, the guidelines provide for sales up to 11pm. Thus the application seeks a further 3 hours in addition to those suggested in the guidelines.

We are not aware of any particular circumstances to indicate why hours beyond 11pm are considered appropriate.

We also understand that the Costcutters shop at 31-39 Norwood Road has a current 24-hour licence for sales off the premises and would therefore question the need for a second such outlet in the same area.

We would ask you to take these points into consideration when deciding this application.

Subject: OBJECTION TO LICENCE APPLICATION

[APPLICATION: 873386. at 87 Norwood Road SE24.](#)

Name of objector: [REDACTED]

My Address: [REDACTED] Guernsey Grove, Herne Hill, London, SE249DF

[REDACTED]

I object to the proposal for a licence to open an off-licence premises to sell alcohol at 87 Norwood Road, Herne Hill on the following grounds.

1. public nuisance. I have no doubt that the corner of Norwood Road and Croxted Road will become yet another alcohol-fuelled grotty area of Herne Hill. Already we have considerable problems with alcohol in the area and the will be exacerbated particularly by the proposal to sell alcohol until 2am in the morning. I do not believe anywhere else is allowed to sell alcohol at this time so inevitably those desperate for alcohol after midnight will congregate in this area. It happens at Rosendale Road where there is a licence until 11pm.

2. This is a key area for crime and disorder in Herne Hill. It is dark and frightening to walk home at night as it is. This is especially so for women. This is a main route from the train station to many residential parts of Herne Hill. We are unable to use the buses safely at the moment because social distancing is not observed so trains are the only option. I would not feel comfortable walking past such as premises. The late-night sale of alcohol is a known factor in crime rates. Please see murder in Lordship Lane last year.

3. Public safety: This premises opens directly onto one of the traffic hot spots in Herne Hill. There are two large roads that intersect outside the premises. I do not think the sale of alcohol would help the road safety in the area. School children/young people frequently have to use this route home.

I am appalled by this application. I can see it bringing only harm and no good to the area, either to those poor people who are so addicted to alcohol that they need to buy it in the early hours or the poor residents and other shopkeepers who have to live with the social consequences. There was once a nightclub three doors down from this proposed application which was turned down for a similar licence. The reasons were all too obvious. These businesses simply are not appropriate for this area and I think as a council you have a moral duty to help us build a better borough. Please, please, please do not pass this application. I do not know of a single resident who would be in favour. It would be a small but significant disaster for a lot of people.

From: Park's Edge [REDACTED]
Sent: Friday, October 16, 2020 1:32 PM
To: Regen, Licensing
Subject: Objection to Premises Licence - 87 Norwood Road

To whom it may concern:

We write to voice our objection to the granting of a premises licence to 87 Norwood Road - the old Oceano fish shop.

We are [REDACTED] of Park's Edge Bar & Kitchen, 49 - 51 Norwood Road, SE24 9AA

The new application has been made to the council for 87 Norwood Road to be turned into a new off licence - which we strongly object to on the following grounds:

- 1) There is already a late opening off licence on the parade of shops, a short distance from our establishment (Costcutters).
- 2) That stretch of Norwood Road outside the shops is blighted by anti-social behaviour because of alcohol including loitering and sometimes threatening behaviour by homeless people outside Costcutters. Costcutters regularly has people laying or sitting on the ground begging outside Costcutters, which can be menacing and intimidating to passersby, particularly as there is also a cashpoint there.
- 3) We do not need another off licence at the top of the parade, which will be a magnet for those same people bouncing between both Costcutter and 87 Norwood Road and public safety and reducing the nuisance of anti social behaviour is a high priority for us.
- 4) Herne Hill is already well served by alcohol merchants including two supermarkets, two independent off licences including Costcutters, one independent bottle shop and numerous convenience stores.

We strongly object to any business that does not uplift the tone of the parade and that puts the general public at risk of anti social behaviour and further public nuisance. We strongly urge the council to invite applications from operators who will bring in a business of much better value to the overall community. Businesses such as a dog groomer, tattoo artist, gift shop, clothing store, children's uniform shop etc.

We hope that the council will not grant the licence to yet another purveyor of alcohol - particularly in close proximity to our premises and to Costcutters, an off licence is excessive and is not needed.

Yours sincerely,

[REDACTED]
General Manager

PARK'S EDGE BAR & KITCHEN

To: Regen, Licensing
Subject: Objection to Planning ref: 873386

[REDACTED]
[REDACTED] Hawarden Grove, London, [REDACTED]
[REDACTED]

Objection date: 14th October

Application opposed to: 873386 (87 Norwood Road)

Reason for objection

1. Prevention of public nuisance

- Loitering: given the railway bridge, arches and side returns around the area, there is a risk that the public buys alcohol and resides in these areas
- Existing shop(s): there is already a Costcutter about 150 metres from the proposed premises which is open from 7am to 11pm and sells alcohol. there is also an alcohol shop under the arches at the station

2. Prevention of crime and disorder

- No demand: there is no obvious need for a premise to sell alcohol until 2am. this is a highly residential area without late night entertainment that people may come out of looking for alcohol
- Alternative location: if there was even a need for one, which there isn't, it would be closer to the train station

3. Public safety and protection of children from harm

- Homeless people: there are already several apparently 'homeless' individuals who loiter outside Costcutter. They do not make the public feel safe as often are drunk and can be unpredictable
- Insufficient car parking: as cars turn the corner from Norwood Road to Croxted road, they do so very quickly and if another car has pulled over on the side of Croxted road, it may create danger to pedestrians and occupants of vehicles

We hope that you reject this application for the above reasons and any others raised.

Many thanks for your consideration,
[REDACTED]

OTHER PERSON P

Dear Southwark Licensing Team,

My name is ██████████ I am ██████████ Umana Yana which is situated at 294 Croxted Road, Herne Hill, SE24 9DA, and I am the direct neighbour to this business. I am writing this letter to object to the application License Number 873386 trading as G1 Express, base on the reasons stated below:

1. ██████████ is right next door to this applicant and therefore I personally feel that by granting this license, you would be damaging our environment and my reasons for that is as follows:
2. I have table and chairs on the pavement outside, this would be like an invitation to their customers to purchase the alcohol and consume it at my Tables. Besides that it would be very difficult to get them to remove from the table without things escalating which I think would not only be a problem to me but would be nuisance to the residents living near by, if ever so often there is a war of words and maybe things can get physical.
3. From experience during 2009 - approximately 2014, we had a very bad experience of the night club next door, their customers were a nuisance to all the residents, the mess, the smells of the constant urine and increments, and the homeless alcoholics, hanging about.

There is now a known fact that we already have problems with beggars in Norwood Road, who are already using our arches for toilets etc. We have been trying for years to solve this problem and the least we wants to do is attract more. I seriously think that this would cause severe damage to our area and our environment, that have taken years to bring it to what it is today, so I am appealing to your team to please, please do not grant it.

4. Also this is a pandemic and selling alcohol until 2a.m is like sending an invitation to a massive problem.

5. Besides that how many businesses selling alcohol do we need in Herne Hill?

6. Furthermore the shoppers will use the neighbouring roads for parking, which would be a constant shutting of car doors, maybe alarms going off and the irate shopper hear and there and the residents would be trying to sleep for many of them have work or children to

get to school, so the constant noise would be annoyance to them, besides that this would be creating more pollution in the area.

Finally I think it would attract anti-social behaviour, which is: the sellers would hang around selling their drugs, which again was a massive problem we have had at this corner for years but thanks to the vigilance of our Southwark Police Team, our Councillors, our residents and traders that we got rid of it, however I feel that with granting of this license it would be an open invitation that we would have no control over because the Police have a lot on their plate and cannot exercise their vigilance as before, so in the interest of my personal safety, my business, our environment and our residents health and well-being I feel that this license must not be granted.

I hope that I have express everything clearly, for my views have come strictly from the experience I have had during the past 12 years in Herne Hill at this corner and should you need clarification regarding my points stated above, I would be happy to provide you with the Councillors names etc who have been in the struggle to get this area to what it is today.

Yours sincerely

OTHER PERSON Q

I am writing to oppose application no.87386, for licence to sell alcohol, 7 days a week until 2am .

There are already 9 shops locally selling alcohol, (2 round corner rosendale Road, sainsbury, Tesco, 2 dedicated off licences , cost cutters, and two similar general stores with a licence to see alcohol. Very close to the proposed shop are a lot of dwellings, and selling alcohol post 11pm will cause increased noise especially at the bus stop on croxted Road, which serves the N3bus.

I see no reason to oppose a general store, though not sure the neighborhood can sustain another one, but thoroughly oppose a late alcohol licence.

Subject: |Application: 873386.Premises licence for 87 Norwood Rd – the old Oceano fish shop.

Dear Sir or Madam,
I wish to object to the application for a premises licence for 87 Norwood Rd – the old Oceano fish shop to become a corner shop / off licence and to sell takeaway alcohol from 8am – 2am.

Please note my opposition to this application.

- My name is [REDACTED]
- I am lodging this objection on 14th October 2020
- I live at [REDACTED] Hawarden Grove London [REDACTED]
- my email address is [REDACTED]

The proposal - especially the request to sell alcohol late at night - risks turning this mostly residential area into a **focus for crime and disorder**. This is bound to result in more drunk and disorderly behaviour fuelled by the availability of alcohol. None of the other shops and takeaways on Norwood Rd are permitted to stay open so late and there is no need for people to be shopping for anything at that hour.

There is also a risk of **public nuisance** - increasing noise, increased litter and the pollution from cars left idling as people pop in for supplies.

It is also bound to make worse the current traffic congestion caused by motorists double parking whilst they "pop in" to the Norwood Rd parade of shops, creating traffic chaos and **increased danger** especially to cyclists.

Herne Hill does not need more alcohol sales - there are already plenty of shops selling - often to **under age drinkers** and this needs to be clamped down on, not made more available.

I love living in Herne Hill and feel the current situation is a good mix of convenience stores, takeaways and other businesses - please don't allow this proposal which will unbalance the area.

Please contact me if you need any further information

[REDACTED]
