

Budget Contextual Information

Funding Trend 2010-11 to 2021-22

The Budget Requirement is the amount of expenditure that is funded by general support from central government, council tax and retained business rate growth. The following graph shows how the Budget Requirement has changed over the period 2010-11 to 2021-22:

Key messages:

- Total general funding has decreased from £373m in 2010-11 to £293m in 2021-22, a reduction of £80m. This represents a real terms decrease of over one third.
- General support from central government has decreased from £304m in 2010-11 to £152m in 2021-22, a reduction of £152m. This represents a real terms decrease of around two thirds.
- Locally generated receipts (council tax and retained business rate growth) have increased over the same period by £71m highlighting the increased reliance on locally generated income.

Comparative table of London local authorities council tax collection rates

Comparative statistical data is available for in-year collection rates only. However, the collection of both council tax and non-domestic rates continues once the financial year to which it relates has ended. This means the final collection rate achieved is somewhere between the figures shown in the tables below and 100%.
