GENERAL EXCEPTION NOTICE

DETAILS OF DECISION	
Title of Report	Temporary Accommodation Policy and Action Plan
Description/Nature of matter requiring Key Decision	<p>Changes to policies that could result in placements further from Southwark and affecting all wards.</p> <p>Good Homes Standard to result in the local authority incurring expenditure that is significant having regard to the local authority's budget for the service or function to which the decision relates.</p> <p>Confirming proposals to use shared accommodation for single residents with confirmed cost savings by adopting this approach.</p>
Decision taker	Cabinet
Date by which Key Decision must be taken	March 2021
Reason why it was impracticable for decision to be on the Forward Plan	The decision to include this decision in the agenda for Cabinet in March 2021 was taken in February so it missed the deadline for submissions to the March 2021 Forward Plan.
Reason why the decision cannot wait for inclusion in the next Forward Plan	The next Forward Plan to be published will be the April 2021 Forward Plan. The next cabinet meeting after March is in June 2021. This decision cannot wait until June. It needs to be approved and implemented in March so that savings can be achieved through the full financial year.
