Public questions raised	
Q1.	Chair read out soap box question on behalf of Maureen Cunningham – Why are there no disabled parking bays from the Dulwich Plough to Goose Green. At the moment there are only two disabled parking bays located in Ashbourne Grove. Is it possible for the Council to provide more disabled parking bays along Lordship Lane?
A1.	Local ward councillors (Cllr Thomas and Mitchell) advised that the Council recently concluded a parking survey for the area. As soon as the results become available residents will be notified. Disabled parking will also form part of this process. If there is a particular need or request for a disabled parking bay – the local cllrs will explore other ways of doing this in conjunction with officers in parking.
	Herne Hill 'community council' notice board – raised under soap box: Local resident said he would like to thank DCC for the newly placed Herne Hill C.C. notice board on the Southwark side.
