A1	<p>Chair said there were two main problems</p> <ul style="list-style-type: none"> i) At school dropping off time there is a congestion problem with lots of cars parked at the Village end. ii) When the road is not busy then vehicles travel too fast down the hill. <p>There are therefore different problems that require different solutions.</p> <p>Councillors asked officers to liaise with the residents group to bring forward proposed solutions.</p>
Q2	<p>Re Youth Provision in Dulwich A resident asked how many children were being targeted ? They added that hundreds of youngsters in Dulwich had nothing to do.</p>
A2	<p>Jackie Leck said that all young people should be able to access youth provision. The steering group would allocate resources and make the key decisions. Young people would be consulted throughout.</p> <p>Cllr Michelle Holford added that areas in Southwark would bid for slices of funding. The funding should make a real difference.</p>
Q3	<p>Re Youth Provision in Dulwich A resident asked about how the quadrants would work ?</p>

Q4	<p>Soap box session Jean Hoole thanked Dulwich Community Council and Southwark Council for cross party support in the campaign to save the Maudsley 24hr Emergency Clinic. .Jean asked for further support at the House of Commons on 5 February</p>

Q5	Soap box session Mr Yarrow asked Dulwich Community Council to scrutinise the Metropolitan Police decision to sell off small / antiquated police stations ?
A5	Chair said that the community council did not have the power to call-in a Police decision but they could ask them why ? Also we want to know about the boundaries of Safer Neighbourhood Teams.

Q6	Re Model Byelaws A resident asked if byelaws were intended to educate residents on what they should be doing ?
Q6	Joan Leary said that the approach would be a combination of education and enforcement. There will be events such as flag the poo for dog fouling but also Fixed Penalty Notices for offenders. Wardens and PCSOs (Police Community Support Officers) could issue tickets.
