Summary of the decision or action

The following is a summary of the decisions and actions taken at this meeting.

<u>Item number</u>	Summary of the decision or action
7	Chair to follow up the offer from Millwall F.C. to support local football competition
7	Resolved: Members agreed the following cross-party Motion – Peckham Community Council is very concerned that there may be a threat to council funding to Happy Faces community nursery. We emphatically oppose any proposal to cut funding to Happy Faces. Such a measure would significantly affect its continuation and deprive the local area of a valuable community asset that has been developed over many years through the dedication and commitment of its staff, volunteers, parents and the local community. We are anxious that any prospect of this cut is ruled out at the earliest opportunity and therefore request that this Motion is brought before the next scheduled Executive Meeting.
11	Resolved: Members agreed the following eight Cleaner Greener Safer Schemes for funding. There was a proviso that the schemes were reported on regularly and that they were maintained. <ol style="list-style-type: none"> 1. Tree Planting - £25,000 2. Willowdene Gardens - £30,000 3. Queens Road Day Centre - £12,000 4. Holbeck Row - £8,000 5. Walter Rodney Memorial - £5,000 6. Northfield House - £19,000 7. Peckham Green Business Awards - £5,000 8. Grotspot Pot - £8,000

12	Members asked to see a copy of the Planning Brief for a Waste Management Resource at the Old Kent Road, Gas works site.
12	Cllr Hargrove asked what was the estimated cost per Council Tax payer of the Old Kent Road ?
Closed	Resolved: Members agreed to appoint Sarah Naylor as a Governor at Peckham Park school.
Previous Minutes	Chair said that he would report back to the Peckham Community Council in November regarding the land behind the Sojourner Truth Centre.

The information included in this form, together with the attached notes, form the minutes from the above meeting and have been agreed as a true and accurate recording of that meeting. Any necessary amendments shall be detailed in the **Summary of Actions** held at the Town Hall by the relevant Community Councils Development Officer.

Peckham B CPZ Review – Briefing to Peckham Community Council

Introduction

The existing Peckham Controlled Parking Zone, CPZ B, was introduced in 1974 and has been modified several times. Although mostly positioned within Nunhead and Peckham Rye Community Council, the CPZ partially extends into Peckham Community Council.

Last year a consultation was carried out with residents, business owners and occupiers in the existing CPZ to ask them how they felt the current parking zone was operating.

The results of the consultation, combined with feedback already received from the local community, showed that parking problems existed in a number of locations adjacent to the existing CPZ B. For this reason Parking Services consulted with those people who have addresses around the edge of the existing CPZ to see if they have any parking problems. A questionnaire was distributed in the first week of June.

The two consultations provided us with a balanced view of how residents feel the CPZ should operate and we completed a proposed plan detailing locations and types of bays of how we think Peckham B CPZ should look.

In early September, all the addresses within the existing CPZ and the proposed extension were sent a letter listing the proposals and inviting people to attend the two exhibitions where they could discuss the proposals with parking engineers.

Officers have completed a draft of the final recommendation report that draws upon all stages of the consultation. In accordance with the constitution strategic director of environment and leisure, Gill Davies, will make this key decision in November 2005.

Summary of report and changes effecting streets within Peckham Community Council

- No extension of CPZ to roads proposed in September exhibition
- Introduction of resident-visitor vouchers (scratch cards) to allow visitors to park in permit holder bays and shared-use bays
- Introduction of business permits (for those businesses operating from within the zone who require a vehicle for essential day-to-day running. Will not be issued for commuting purposes)
- Removal of voucher parking system and replacement with pay and display meters and shared-use parking in appropriate locations (three parking places in Marmont Road)
- 75% permit discounts for motorcycles and gas/electric vehicles
- Extension of permit bays, where safely possible
- Introduction of double yellow lines at road junctions to prevent unsafe, obstructive parking at any time.

Decision making

In accordance with the council constitution the decision will be made by Strategic Director of Environment and Leisure in November 2005. If you have any questions or representations please write to Tim Walker, 151-153 Walworth Road, London, SE17 1RY or email tim.walker@southwark.gov.uk
