

	What is the Idea	Name	Address	What was the route	Action taken	Initial view from officers	Approximate costs	Suggested action	Decision
<b>Culture community</b>									
1	Gardens are shabby and neglected. Would like more benches, renew some fencing and signage. Convert the Gardens into a dog-free area on health and safety grounds so children's activities can take place.	Steve Collins / Cllr Pearce	Librarian, Dulwich Library	email	Requested costings (officer off sick)			Is some of this capital works? Should responsible dog ownership be promoted rather than turn into dog free area?	
2	Local people to research on a site or person of historical significance and turn the findings into a piece of theatre.	Meg Halliday	25 Hillsborough Rd. Dulwich Village SE22	postcard				This could be a small grants application - but has been submitted by one individual through a postcard.	
<b>Young people and children</b>									
3	Employ a Community Development Worker to work on Youth provision, health provision, etc in area. Also to work on Three Hill Community Festival (Year 4 event in 2005). Create a funded post for 6-12 months	Rev Hugh Dawes	Three Hills Community Forum / St Faith's Church, Red Post Hill	SE24 9JQ		Are costings excessive? What is the carry forward into 2005/06? Is it possible to carry forward grant after March 2005?	Upto £50K	Background paper sent to Members	
4	A mural on the inner boundary wall of Dulwich Hamlet Junior School, illustrating environmental issues and endangered species.	Ann Stephens	c/o Dulwich Hamlet Junior School, Dulwich Village London SE21 7AL	postcard.	letter sent		Costings needed	More information needed	
5	Art and recreation sessions at the Kingswood Centre. Existing projects - one is music twice a week and the other is a drama group - would be complemented by this project. Project to run as a 2 year pilot scheme if possible or 1 year to fit in with the deadline. An exhibition to be held for the young people to show their work. Additional sessions offered in computer aided design, T shirt printing, Tie dye batik candle making etc. Also consult with the young people and respond to their needs	Charmaine James	4 Forbes Court, London SE19 1PJ	website	letter sent	More information needed	£15k		

6	Improving the playground areas at Heber Primary School. Areas are used by c300 children, plus an After School Club and holiday playscheme - there is also potential for further community use. Priorities include :- fix/replace water fountains, take down "shed" (to improve safety), finish off high level fencing (to minimise loss of footballs etc), designate quiet zones with safe seating, provide 2nd basketball hoop, provide planters at entrance to school. The project is led by a dedicated project manager from the Parents and Friends Group at the school.	Kerry Muraszko	57 Rodwell Rd. London, SE22 9LE	website	letter sent	It may not be possible/desirable to fund total works - Members may wish to allocate a lesser sum and ask school to prioritise works accordingly	£60k-70k	Need to ensure that these works are not to be funded by Education department in this year's capital improvements	
7	Carry out a survey of parental opinion in the Dulwich Community Council area on the adequacy and accessibility of primary school provision.	Gordon Nardell					£3- £5k approximately	Steering group to be set up to look into it. Might be carried out by Education dept.	
<b>Environment</b>									
8	Two healthy eating projects on the Kingswood Estate - for Dulwich Wood School and Langbourne Primary School part of the plan is to visit a food coop and farm. Kingswood is poorly served by transport and access to fresh fruit and vegetables and so the vision would be to set up a food co-op as a result of this work.			CC		Kate@StartConstulting.com		May not be taken up as similar ideas are already being developed by NRF team.	

9	Health Drop-in centre. Idea proposed by Citizen leaders on Imagine Kingswood as part of their social audit. OAP's and young people have been isolated from the community and the centre will seek to tackle this. Community shop would be a possible location for drop-in.	Lyn Walker		In separate discussions with NRF and Lyn Walker			£10,000 approx	Buy-into health based project being developed by Stan Dubeck/Katherine Pitt via NRF funding based in Kingswood House [ £80,000 currently set aside for capital works and £25 000 for activities]. Discussed project focused on health of older people which in addition to being venue for PCT activities could include fund activities such health and fitness classes, external trips/visits.	
10	Responsible dog owners: . involves medical and cleaning issues. Involvement from TA's. Can find out costing from KETRA in late September. Indicative proposal developed that could include, training classes for dog owners, new bins and signage installed in the estate	Lorraine Martin		In separate discussion with NRF and Lyn Walker			£500	Estimated cost £5,000	
11	Installation of safety rail under Herne Hill Bridge - raised at Dulwich Community Council meeting on 19th July 2004	Catherine Knock		Can this be funded by LBS?				May be funded by mainstream funding	Already done? Is it in LBS?
12	Brighten Est. with grant for flower beds and hanging baskets.	Theresa Connolly	40 Glazebrooke Close, West Dulwich, SE21 8RP	postcard				Possible "Dulwich In Bloom" competition for estates with £10k for flowers on estate.	Contact Sue Appleby, Head of Comms
14	Safety Audit on Lordship Lane	Alastair Hanton	Living Streets (Southwark)	CC			£15k		
15	Commission a streetscape design study of Dulwich Village to alter balance of	Alastair Hanton	The Dulwich Society	CC	letter sent		£20K		
15	Carry out streetscape design study of Dulwich Village to (1) reduce vehicle speeds and impact and (2) enhance pedestrian areas and uses	Jeremy Nicholson	109 Alleyn Park, SE21 8AA	postcard.		letter sent			

16	Plant street trees in locations where they will have a traffic calming effect. E.g. on Red Post Hill near Elmwood Rd.	Alastair Hanton	The Dulwich Society		letter sent		£2K		
17	Systematic removal of redundant street signage and groupings of nearby signs into the same columns.	Alastair Hanton	The Dulwich Society	CC	letter sent		£2-5K	Could be taken up under borough-wide initiative to remove excessive/redundant signage	Need timescale of any LBS planned works
18	Between Winterbrook Road and Burbage Road there are 30+ signs - mostly CPZ related. This could result in dangerous driving. Please rationalise signage or remove some signs.	David Coughtrie	On behalf of residents in Half Moon Lane				£1K	Could be taken up under borough-wide initiative to remove excessive/redundant signage	Need timescale of any LBS planned works
19	Lighting outside shops north of the village crossroads. Five new lights placed between the trees, horizontal bars for hanging flower baskets and flowers.	Alastair Hanton	The Dulwich Society	CC	letter sent		Cost unknown	Need more information	
<b>Transport</b>									
20	Convert the North Dulwich Triangle area to a 20 mph zone	Alastair Hanton	The Dulwich Society.	CC			£20K		
21	Alter road junctions where road widths are so wide that it is difficult for elderly and other pedestrians to cross.	Alastair Hanton	The Dulwich Society.	CC			£5-10K	Is this feasible?	
22	Measures identified by North Dulwich Schools Travel Group to encourage walking and cycling to school.	Alastair Hanton	The Dulwich Society.	CC	letter sent		£20K - do as much as possible for the money		
23	Pedestrian crossing of court lane at the entrance to Dulwich Park.	Alastair Hanton	The Dulwich Society.	CC			£10K		
24	Pedestrianise Northcross Road on Fridays and Saturdays by using barriers at the Lordship lane end and at the junction of Crystal Palace Road.	Sarah Harris	120 Crystal Palace, SE22 9ER	website		letter sent.		Could fund consultation at this stage	Is this feasible?

25	improve & develop better bicycle storage facilities for local schools. improve cycle lanes. invest in programme to encourage children to cycle to school. subsidise cost of helmets, lights, hi-visibility clothing etc.	Peter Davis	3 Thorncombe Rd. SE22 8PX	website		letter sent			
26	20 mph speed limit on Red Post Hill.	Pandau Moublat	35 Red Post Hill, SE24 9JJ	postcard.		letter sent			
28	Jasper Road Traffic calming - feasibility and implementation. Phase 1	John Paine		CC			£18k -£23k - costings supplied	Consultation phase costs £8K	
29	Install pedestrian crossings on borough roads surrounding Dulwich Park			CC					
30	Dulwich Wood Avenue - investigate and implement traffic calming	Ian Clark		CC			£18,000 - costings supplied by traffic dept. LBS	Consultation phase costs £8K	
31	Provide parking bays in Herne Hill	Cllr Eckersley					£5,000		
33	Grant to finance a feasibility study for a Home Zone in Elsie Road; if feasible - funding to finance a preliminary design for consultation. Improvements to safety and environment of Elsie Road SE22 - this is a rat run; access point for Goose Green school; encourage community spirit; more communal space; encourage biodiversity	Gill Portwine	40 Elsie Road, SE22 8DX. 8693 9256 portwine@supanet.com			Home Zones are very expensive to implement. Is it feasible to fund consultation at this stage?		Cost of implementation of home zone - ?£220K - would government funding be available too?	
34	Renovate bus stop on Alleyn Rd. and South Croxted Rd. SE21	John Park	West Dulwich SE21 8SE	free phone line		letter sent.		Investigate which authority is responsible for the stop	Need costs

36	Cycle saturation. We want, through the Community Councils, to identify several estates where the before and after effects of targetted cycle marketing and one-to-one training, support and mentoring can be applied. Only estates whose TRA's ask for such a scheme would be selected. No one has tried such a scheme yet. Skilled monitoring of scheme would provide useful results and models for use elsewhere.	Southwark Cycling Group/ Barry Mason	email	£5,000
----	---	---	-------	--------

Small Grant's Initiative									
--------------------------	--	--	--	--	--	--	--	--	--

0a	Funding for meetings including room hire and publicity.	David Cianfarani	Herne Hill Forum,	107 Herne Hill, London SE24 9LY			£335	meetings are throughout the year but they are requiring one off payment. No auditted accounts included, they have collections during meeting.	letter sent.
