

Item 4: Bullying of children and young people

Documents attached

1. Project plan for the review into bullying of children and young people
2. Parental data on bullying

The committee will be hearing from officers about:

- what the Pupil Voice survey has told us about bullying in Southwark's primary and secondary schools [refer to agenda item 3]
- whether the role that parents typically play in the identification and prevention of bullying is picked up by carers of looked after children
