Licensing Act 2003 – Cumulative Impact & Saturation Analysis of submissions in respect of the Camberwell Area					
Responses from licence holders

Andrea Spyrou (runs an off-licence)	Coldharbour Lane, SE5	Undecided	Undecided	Undecided	Having considered the information provided I am unable to offer a clear preference as to whether I approve or disapprove of the Southwark policy. Clarification is needed on what would happen to existing premises that sell alcohol if the company is sold. Does the saturation mean that the new application would be refused? If this is the case then the policy is instantly making all businesses worthless. It should apply to applications made in respect of new premises. It is important to state that not all VAP incidents are as a result of alcohol but also due to social issues within the area. Not all premises follow the Act (this is a major issue) and there is not enough presence of community wardens or police on the streets. However, it must be stated that there has been a marked improvement. However, I do agree that there should be a blanket ban on all late

					applications.
A Pezeshk (runs a restaurant)(also local resident and said to represent local business)	Camberwell Church Street, SE5	Yes	Yes	Yes	None
Suryakant V Patel	Coldharbour Lane, SE5	Yes	No	Yes	I think the boundary should take in main shopping area. Entertainment facilities are concentrated on Denmark Hill, Camberwell Church Street and Camberwell Road. This should be the prime location for the purpose.
Sawinder Samdhu Singh	Wira Wines, Camberwell Road, SE5	No			My premises is operating within the Licensing Act 2003. I cannot comment on the saturation policy or VAP as my shop is shut down within the prescribed time endorsed in my licence.
Mrs Hema Sunil Amin	Ami News, Comber Grove, SE5	No	No	No	In last 4-5 years I have seen the difference of less alcohol in my shop. I feel at least in Camberwell nothing should be done. Spend money on more policing as the crime has gone up and up.
K Arulvuban (runs a grocers)	Camberwell Church Street, SE5	Yes	Yes	Yes	None
Mr A Theophilou	St Mary's Greek Orthodox Cathedral – Hall, Camberwell New Road,	Yes	Yes	Yes	It is, we believe, a workable and just proposal which can only be of benefit to the community as a whole.

Vincent Coyne (landlord)	Nunhead Green, SE22	Yes	Yes	Yes	None

Anastasis Pelou (states represents licence holders)	Vineyard House, Camberwell Grove, SE5	Yes	Yes	No	None
William Synan	Nags Head PH, Camberwell Road, SE5	No	No	Yes	None
Mr H Q Duong	Chinese Take-Away, Camberwell Church Street, SE5	Yes	Yes	Yes	None
Mr Rattansey	The New	Yes	Yes	Yes	One just has to walk down Camberwell Church Street

	Dome Hotel, Camberwell Church Street, SE5				anytime after 9.p.m Thursday to Saturday to see how many clubs and restaurants have customers out on the roads, talking on top of their voices, thus making life of residents unbearable. I run a hotel. Most of the rooms are facing the high street. As, is constant, police sirens, and buses makes enough noise, that sleeping is so difficult. Now, especially with no smoking in bars and pubs, all smokers are out on the street and with a few drinks in them, they soon get to be loud. Please, please, no more licences. Enough is enough.
Premire Ordsuman	Camberwell Road, SE5	Yes	Yes	Yes	None

N W Roskill	Grove Lane, SE5	Yes	Yes	No	We have real problems in Camberwell with the licensing act and its effects. The most serious concerns the late night opening of clubs and certain other premises which do great damage to the environment in which we live and to the quiet enjoyment of our homes. Detailed submission provided and available at <a href="http://www.southwark.gov.uk/businesscentre/licensing">www.southwark.gov.uk/businesscentre/licensing</a> .
James Cole	Wilson Road, SE5	Yes	Yes	Yes	It is hoped that this would allow for a degree of common sense. I'm sure that appropriate

					investigations / monitoring would help to make the right decisions and improve things greatly.
Ms Susan Ross (states represents local residents - of Bessemer Grange T&RA)	Denmark Hill Community Centre, SE5	Yes	Yes	Yes	None
Veronica Ward (local ward councillor)	C/O Members' Room, Town Hall, Peckham Road, SE5	Yes	Yes	Yes	There is potential concern about off-licences in Camberwell including in the list the "grocer" category – alcohol as well as other food etc products.
Ian Wingfield (local ward councillor)	C/O Members' Room, Town Hall, Peckham Road, SE5	Yes	Yes	No	Please add private members clubs
Lynette & Jim Gabrield	Camberwell Grove, SE5	Yes	Yes	Yes	The thing that matters most is to keep home reasonable. Premises up to 11.p.m. or even midnight attract a different type of clientele from the very late opening clubs. It is obviously a problem for alcohol dependent people that there are so many pubs, clubs and off-licences but from the resident's point of view it is the "rowdy late nighters" who are the problem. It has to be remembered that the working population need to go to bed at reasonable hours so that they can get up

					in the morning and go to their jobs. It is simply not right to allow the late night enjoyment of the relative few / those who don't have to get up early, to cause disturbed nights to those who do.
Lesley Bourne (Chair of Gilesmead TA)	Gilesmead, Camberwell Church Street, SE5	Yes	Yes	No	Are private members clubs to be included in this too?
Donald Phillips	Cuthill Walk, SE5	Yes	Yes	Yes	Area covered is reasonable. I suspect the inclusion of the wedge between Denmark Hill and Coldharbour Lane is an error since this is in Lambeth. But I'm certain that many would welcome Lambeth introducing a saturation policy for their part of Camberwell.
Jeremy Bennet (Southwark Alliance Resident Board Member for Camberwell)	Grove Lane, SE5	Yes	Yes	Yes	Over the last few years, the number of licensed premises has been allowed to increase greatly, with a consequent rise in drunkenness, anti-social behaviour and night-time disturbance...If this trend continues unchecked it will change the character of Camberwell very much for the worse ... There are now 14 licensed premises within a 100 metre radius in Camberwell, half with late night licences ... The Council has a duty to protect the interests and in particular the right to peace and quiet at night of the vast majority of Camberwell residents. The saturation policy for Camberwell should therefore be introduced as soon as possible. Detailed submission provided and available at <a href="http://www.southwark.gov.uk/businesscentre/licensing">www.southwark.gov.uk/businesscentre/licensing</a>

Andrew Clark (Chair of the 72 Grove Lane T&RA)	Grove Lane, SE5	Yes	Yes	Yes	I represent other residents in that I am the Chair of the 72 Grove Lane T&RA but the viewpoints I have expressed are my own and do not necessarily reflect the views of the T&RA.
Jason Nuttall	Ribbon Dance Mews, SE5	Yes	No	Yes	Could be reduced to include only the area of concentration centred on the junctions at Camberwell Green and Coldharbour Lane / Denmark Hill.
Miss Campaspe Lloyd Jacob (states represents local residents - of the Camberwell Society)	Grove Lane, SE5	Yes	Yes	No	We feel that the policy should apply to all late night establishments, including off-licences but should not apply to restaurants serving substantial meals which close by midnight.
James Gillespie (states represents local residents - of Champion Hill T&RA)	Holderness House, SE5	Yes	No	Yes	Policy should include around East Dulwich train station
Mohammed Sheku Kamara (states represents local residents - of Brandon 2 TRA)	Trevelyan House, John Ruskin Street, SE5	Yes	Yes	No	Night clubs and bars are the most likely premises for acts of violence, stabbings and shootings inclusive of fighting, unruly behaviour and vandalism. I would like also to point out that these are the main premises responsible for 42% of all complaints. I would therefore suggest for a saturation policy imposed on the above. The policy of allocating licences to grocers should be reviewed, since main licence is for general groceries products.

M Honeywood (Secretary of Salisbury Estate T&RA)	Salisbury Close, Chatham Street, SE17	Yes	Yes	Yes	None
D Dujara	Camberwell Church Street, SE5	Yes	Yes	Yes	Any evening after 9.p.m. Thursday to Saturday I get so much noise from people hanging around licensed premises, smoking or waiting in queue to go into clubs. It makes it impossible for me to sleep or listen to TV unless I put on very high volume, then disturbing my upstairs neighbour. Please I request you not to issue any more licences in Camberwell Church Street. We have more than enough restaurants and clubs. Enough is enough
Nick Powell	Grove Lane, SE5	Yes	Yes	Yes	None
J C Simon	Grove Lane, SE5	Yes	Yes	Yes	None
Florence Essien	Wendover, Thurlow Street, SE17	Yes	Yes	Yes	It's about time something is done to reduce the crime in these areas. (Note: Ms Essien does not live in the area but always uses the routes either for shopping or visiting friends)
