

Item 5: Environment & Community Support Scrutiny Sub-Committee Work Programme 2005/06

Meeting Date	Item of Business [lead officer]	Purpose	Background / Notes / Outcomes
21 September 2005	Resource Programme - Part 3 [Phil Davies]	To consider the results of Initial Statements of Proposals evaluation stage	Aspects of the item likely to be confidential and discussed in closed session
	Performance Indicators	To further discuss the performance indicators selected by the sub-committee at the July scrutiny meeting	
	Southwark Anti-Social Behaviour Unit (SASBU)	To identify issues with SASBU from case studies and consider how to address any issues that arise	Invite representative from SASBU to talk about how the unit operates and what their success rates are
2 November 2005	Executive Interviews	To interview: <ul style="list-style-type: none"> • The Leader of the Council • The Executive Member for Environment and Transport 	Date confirmed by the relevant Executive Members
	Leisure Centres in Southwark	Interview the Executive Member for Equalities, Culture and Sport about the long and short term investment plans for Southwark's Leisure Centres	
	Community Strategy – Part 2 [Claire Webb]	An opportunity to provide input in the draft Community Strategy 2016	Date subject to change

Meeting Date	Item of Business [lead officer]	Purpose	Background / Notes / Outcomes
18 January 2005	Highways Investment	To consider whether the investment in pavements and roading is sufficient and look creatively at ways to find further funding	A one-off session which would involve comparisons with other councils
1 March 2005			
On-going	Consideration of quarterly performance reports and budget-monitoring	To consider the council's performance on issues which relate to the remit of the sub-committee, and the associated budget monitors	
On-going	Budget monitors	To regularly consider the budget monitors for the Environment and Leisure Department	
Date to be discussed	Parks and open spaces	To look at the management of Southwark's parks	
Date to be discussed	Renewables and energy conservation	To consider what the council is doing about energy conservation	Invite London Remade
Not yet confirmed	Congestion charging	To scrutinise the impact of congestion charging, and the effect of the proposed extension to the charging zone	This was tentatively suggested by OSC, pending further discussion by OSC. It discussed briefly at the June 2005 sub-committee meeting. Members agreed that at this stage the Chair would write to the Director to ask how officers are preparing for this.
