

OSC 9th June 2003, Item 5 “Scrutiny Draft Annual Report 2002-03 – Making Overview & Scrutiny Work”

New paragraph 4.2:

4.2 Call-in

During the 2002-03 Municipal Year four decisions have been called-in to scrutiny, including aspects of Best Value Reviews of Community Safety, Housing Management and Early Years, together with a Chief Officer tender approval decision. In all but one of these cases Member concerns have been sufficient for the Executive to be asked to reconsider its original decision. In every case Overview & Scrutiny Committee has recommended additional aspects for future Executive focus in respect of decisions called-in, which have been subsequently addressed through Executive action and resolutions.
