

### **Item 3: Southwark Alliance Enterprise Task Group**

The Chair of the Regeneration & Resources Scrutiny Sub-Committee has received a suggestion from Lee Bartlett (Chairman, Chamber of Commerce and Co-Chair for the Southwark Alliance Enterprise Task Group) seeking the nomination of two members to join the task group. The letter, dated 2 September 2004, is attached.

The matter was raised at the Overview and Scrutiny Committee meeting on 19 October 2004, and approval was given to seeking nominations from within the Regeneration & Resources Scrutiny Sub-Committee. A view was expressed at the meeting that three nominations, one from each political party, would be appropriate.

Should more than two members be interested, the Chair would take the matter up with Lee Bartlett. The Chair would be content for a nomination of one member from each of the two larger political parties to be made.
