

## **Scrutiny review proposal**

- 1 What is the review?**  
Regeneration and the future of Camberwell
- 2 What outcomes could realistically be achieved? Which agency does the review seek to influence?**  
To identify what could be done in the short, medium and long term to improve the quality of life in the Camberwell area. Such a wide-ranging review would seek to influence the Executive and Council as a whole, as well as any partners and outside organisations
- 3 When should the review be carried out/completed?**  
i.e. does the review need to take place before/after a certain time?  
Within a reasonable time scale, to be set by OSC
- 4 What format would suit this review? (eg full investigation, q&a with executive member/partners, public meeting, one-off session)**  
To take the views of local councillors, residents' groups and individuals, plus relevant Exec members, council officers and other agencies. Investigating any suggested schemes, from the point of view of resources and realistic expectations
- 5 What are some of the key issues that you would like the review to look at?**  
Transport, housing, businesses and community involvement
- 6 Who would you like to receive evidence and advice from during the review?**  
See 4 above
- 7 Any suggestions for background information? Are you aware of any best practice on this topic?**  
The Southwark Plan, the London Plan, the Southwark Alliance document – "Southwark 2016".
- 8 What approaches could be useful for gathering evidence? What can be done outside committee meetings?**  
e.g. verbal or written submissions, site visits, mystery-shopping, service observation, meeting with stakeholders, survey, consultation event  
Probably most or all of these methods
