Report title:		Individual Decision Making	
Ward(s) or groups affected:		All	
From:		Chief Executive (Head of Corporate Strategy)	

RECOMMENDATIONS

That Standards Committee recommends to Council Assembly changes to the Constitution to provide for individual decision-making, in light of the recommendations from Overview and Scrutiny Committee (OSC) and the Executive, set out in paragraphs 20 – 24, and specifically:

1. as to the delegation of executive functions set out in paragraph 20 of this report.
2. as to the scheme of delegation set out in paragraph 21 of this report.
3. as to the extent of individual decision-making set out in paragraphs 22 and 23 of this report.
4. as to the appropriate financial ranges, for individual decision making, in any of the areas set out in the table at paragraph 23.
5. On the options set out in paragraph 24 of this report, relating to:
 - Arrangements where the portfolio holder is unavailable
 - Arrangements when the decision affects more than one portfolio
 - Cross-cutting issues
 - Controversial Decisions
 - Referral to Full Executive
 - Reporting of Decisions
6. on the recommendation to increase the deadline for call-in from 3 to 5 days (see last row of table at paragraph 24)
7. notes the responses to the OSC's recommendations in respect of the Forward Plan (see paragraphs 27).
8. recommends that officers be authorised to make the necessary consequential amendments to constitution's procedure rules to incorporate the implementation of the above.

BACKGROUND INFORMATION

9. The issue of Individual Decision Making was initially raised at Overview and Scrutiny Committee on 16th April 2003.
10. The Executive considered the issue on the 20th May 2003 and 29th July 2003. The recommendations of the Executive are set out in the Key Issues for Consideration

section of this report (see paragraphs 20-24) for consideration by the Executive.

11. Overview & Scrutiny Committee (OSC) received a briefing on individual decision-making in June and identified additional information they required. They subsequently considered the report at the meeting on the 7th July 2003. The recommendations of the OSC are set out in the Key Issues for Consideration section of this report (see paragraphs 20-24).
12. The Local Government Act 2000 allows arrangements for executive functions to be discharged by:
 - The executive as a whole
 - A committee of the executive
 - An individual member of the executive
 - An officer
 - An area committee
 - Joint arrangements
 - Another local authority
13. The arrangements for discharging executive functions may either be adopted by the Council and set out in the constitution or left to the Leader to decide in which case they must be included in the scheme of delegations.
14. On 29th May 2002 the Council agreed the new constitution adopting the Leader and Cabinet model of executive. At that time it was decided that executive members would not have individual decision-making powers.
15. The introduction of individual decision-making would change the way the executive takes decisions, rather than giving any new powers. It could have a number of beneficial effects, for example:
 - Speed up decision making, as decisions would not be tied to the meeting timetable
 - Increased transparency and accountability of decision taking
 - Shorten Executive meetings
 - Reduce number of Executive meetings
16. Some principles of Individual Decision Making are that it should:
 - Not erode officer delegations
 - Not include human resources responsibility for individual members of staff
 - Not include geographical allocation of resources e.g. Environmental Improvement Programme (EIP)
17. Other boroughs have adopted various approaches to decision-making powers for individual Members:
 - The report 'Evaluating Local Governance - Survey Findings for Office of the Deputy Prime Minister (ODPM) Advisory Group' was published on 28 November 2002 and reported the results of a survey carried out in the summer of 2002. It showed that, of the councils operating the Leader and Cabinet model, nearly half allowed individual members of the executive to discharge functions of the executive.
 - Three of the London Boroughs with no overall control have opted for individual decision making powers i.e. Harrow, Havering and Hillingdon.
 - Harrow limits individual decision taking to non-key decisions only. See appendix 6 for an extract from Harrow's Constitution, Responsibility for Functions.

- Havering and Hillingdon also allow some key-decisions to be taken individually. About 40% of executive decisions are taken individually in Hillingdon and this is about to be reviewed to increase individual decision-making. See appendix 7 for an extract from Hillingdon's Constitution, Responsibility for Functions.
 - Kensington & Chelsea allow most decisions, about 88%, to be taken individually with only major policy plans, Compulsory Purchase Orders, crosscutting issues and decisions over certain financial thresholds going to Full Cabinet. See appendix 8 for an extract from K&C's Constitution, Responsibility for Functions.
18. An analysis of whether Southwark Executive's decisions, taken over four months, could have been taken by individual executive members under the Hillingdon and Kensington & Chelsea constitutions is attached at Appendix 5. Please note this analysis was based on a quick review of the minutes, not the detailed reports, so is indicative only. It should also be noted that some items, which could constitutionally be made by individuals, could be referred to a full meeting of the Executive if of a particularly controversial nature.
19. The timetable for agreeing constitutional changes necessary to implement Individual Decision Making is set out below. A report on modernising Contract Standing Orders is also coming forward, however, as additional work is required on this issue these reports will proceed separately.

Executive	29 th July 2003	To consider the proposed changes and make recommendations to Standards & Council Assembly.
Standards Committee	2 nd September 2003	To consider proposed changes and make recommendations to Council Assembly.
Council Assembly (Constitutional Meeting)	17 th September 2003	To consider and agree changes to the Constitution.

KEY ISSUES FOR CONSIDERATION**Delegation of executive functions**

20. The options for setting delegations are set out in the table below:

Table 2: Options for delegation of executive functions

Option No.	Option	Other local authorities	Constitutional Changes Required	Views of OSC	Views of Executive
1	The Leader sets the delegations. This allows a more flexible system than if delegations have to be adopted by Council Assembly. It would however involve a change to the current constitution, which currently requires the scheme of delegation to be adopted by Council Assembly.	Hillingdon Kensington & Chelsea Westminster Newham - Mayor sets the delegations			
2	Council Assembly adopts the scheme of delegation. This would mean any amendment to the scheme of delegations would have to go back to Council Assembly.	Harrow Hammersmith & Fulham		OSC recommended initially following either option 2 or 3, subject to review at Annual Constitutional Council, on the basis that this is a learning process.	
3	Council Assembly sets limitations for delegation to individuals; the Leader then sets the delegations within these limits. This would not be as flexible as option 1 but would mean that the scheme of delegations would not have to go back to Council Assembly for minor amendments.	Camden - follows a variation of option 3 whereby the Council agrees the scheme of delegation at Annual Council, but the Executive may agree changes during the year.	The proposed changes to the constitution in line with this option are shown in: <ul style="list-style-type: none"> Appendix 2, Executive Procedure Rule 1.4 Appendix 3, Responsibilities for functions 		Executive on 29 th July 2003 supported option 3.

Scheme of Delegations

21. The options for the kind of scheme of delegations are set out in the table below:

Table 3: Options for scheme of delegation

Option No.	Option	Other Local Authorities	Constitutional Changes Required	Views of OSC	Views of Executive
1	A generic scheme that covers all the Executive Members.	Havering			
2	A separate delegation for each individual member.	Harrow Camden			
3	A combined approach of a generic scheme of delegations with specific lists of responsibilities for each portfolio.	Hillingdon, Kensington & Chelsea Hammersmith & Fulham	See Appendix 3- Responsibilities for Functions	Overview & Scrutiny Committee supported this option	Executive supported this option.

The extent of individual decision-making

22. The report has identified three models of individual decision-making, operating in London boroughs. However, these are not discrete and the level, of individual decision-making, could be set at any point on a continuum between these models. The level set could involve financial thresholds, the types of decisions which can be taken individually and whether key-decisions can be taken. Individual decision-making could cover any of the executive functions but key elements of the delegations are set out below. Except for the views noted below the Executive and OSC felt these delegations were appropriate.

Table 4: Proposed key elements of the delegations

Proposed key elements of the delegations	Constitutional Changes Required	View of Overview & Scrutiny Committee	View of Executive
Approving alterations to service provision within their portfolio's budget	See Appendix 3 – (3D – b) Responsibilities for Functions		
Approving departmental business plans	See Appendix 3 – (3D – b) Responsibilities for Functions		
Best Value Reviews	See Appendix 3 – (3D – b) Responsibilities for Functions	OSC recommended that this type of decision should not be taken by individuals (but felt that progress reports could).	Executive agreed with OSC's recommendation.
Inspection reports	See Appendix 3 – (3D – b) Responsibilities for Functions		
Approving exemptions to procurement rules subject to legal and EU requirements	See Appendix 3 – (3D – c) Responsibilities for Functions		
Dealing with petitions	See Appendix 3 – (3D – d) Responsibilities for Functions	OSC recommended an additional type of decision: “Decisions on traffic petitions, which could be made in an open forum where the public can make representations”.	Executive agreed with OSC's recommendation.
Approving responses to consultations	See Appendix 3 – (3D – d) Responsibilities for Functions		
Responding to O&S Reports		OSC recommended that this type of decision should not be taken by individuals.	Executive agreed with OSC's recommendation.
Decisions within financial limits (these are set out in more detail in Table 5 below:	See Appendix 3 - Responsibilities for Functions		

23. The proposed financial delegations are set out in Table 5 below. Members should note that the lower limit should start just above the upper limit of officer delegations, where applicable. There could also be an upper limit above which decisions would go to an Executive meeting. The limits could also include intermediate financial limits above which the portfolio holder could take decisions in conjunction with the Executive Member for Resources. The Standards Committee are invited to consider these limits.

Table 5: Financial Delegations

Decision	Current range where an Executive decision is required	Examples elsewhere	Constitutional Changes Required	Views of Overview & Scrutiny Committee	Officers' Comments / Views of Executive
Approving grants	Over £2,500	Kensington & Chelsea - Over £5,000	See Appendix 3 - Responsibilities for Functions 3C – 9 3D – a		Will need to reflect the decisions taken on the Voluntary Sector Fast Track Review.
Approving debt write-offs		Hillingdon – Over £5,000 K&C £10,001 - £100,000 & in conjunction with the Cabinet member for Finance and Property between £100,001 - £250,000	See Appendix 3 - Responsibilities for Functions 3D – a		The Executive recommended financial limits in line with Hillingdon's model
Approving fees & charges	Changes in fees and charges which are less than the Annual Retail Price Index	Hillingdon – Make recommendations to Cabinet on all	See Appendix 3 - Responsibilities for Functions 3D – a	OSC and Executive agreed decisions should be the responsibility of individual Executive Members. Therefore it is proposed that the matters currently reserved to the Executive shall in future be the responsibility of individual Members i.e. changes less than ARPI.	

Decision	Current range where an Executive decision is required	Examples elsewhere	Constitutional Changes Required	Views of Overview & Scrutiny Committee	Officers' Comments / Views of Executive
Approving submissions of bids for additional Government or external resources		Kensington & Chelsea - All	See Appendix 3 - Responsibilities for Functions 3D – a	OSC and Executive agreed decisions should be the responsibility of individual Executive Members.	
Approving compensation payments under the complaints procedure		Hillingdon – Over £1,000	See Appendix 3 - Responsibilities for Functions 3D – a		The Executive recommended financial limits in line with Hillingdon's model
Declaring land surplus to requirement	Over £250,000	Hillingdon – All K&C – Under £250,000 in conjunction with the Cabinet member for Finance and Property		OSC recommended that this type of executive decision should not be taken by individuals.	Executive agreed with OSC's recommendation.
Agreeing Contract Tenders as set out in Contract Standing Orders	Other than the lowest tender if above £140,000 or within 20% of the lowest tender if below £140,000	See Appendix 4 & 5	See Appendix 3 - Responsibilities for Functions 3C – 2 3D – c		Should be in line with Contract Standing Orders.
Approving variations to contracts as set out in Contract Standing Orders	Above 20%	See Appendix 4 & 5	See Appendix 3 - Responsibilities for Functions 3C – 2 3D – c		Should be in line with Contract Standing Orders.

Other Issues

24. The Standards Committee is invited to express a view on the issues set out below. Its recommendations will be referred to Council Assembly for consideration:

Table 7: Options on other issues

Issue	Option / Questions	Constitutional Changes Required	Views of Overview & Scrutiny Committee	Views of Executive
Arrangements when the portfolio holder is unavailable	<ul style="list-style-type: none"> • Option 1 - Leader designates an alternative Executive member • Option 2 - Leader or Deputy Leader able to take decision • Option 3 - Decision referred to full meeting of the Executive 	See Appendix 2, Executive Procedure Rule 1.10 e	Overview & Scrutiny Committee recommended option 2.	Executive agreed with OSC's recommendation.
Arrangements when the decision affects more than one portfolio	<ul style="list-style-type: none"> • Option 1 - Joint decision taken • Option 2 - Leader designates which portfolio holder takes the decision • Option 3 - Decision referred to full meeting of the Executive 	See Appendix 2, Executive Procedure Rule 1.10 d	OSC recommended option 3.	Executive agreed with OSC's recommendation.
Crosscutting issues	Should consideration also be given to the use of Executive Committees for regular crosscutting issues?		OSC supported this approach.	Executive agreed with OSC's recommendation.
Controversial decisions	Should the Leader / CE be able to direct that the decision be reserved to a full meeting of the Executive?	See Appendix 2, Executive Procedure Rule 1.10 b	OSC supported this approach.	Executive agreed with OSC's recommendation.

Referral to Full Executive	Should an individual member be able to refer a decision to a meeting of the full executive	See Appendix 2, Executive Procedure Rule 1.10 c	OSC did not have an opportunity to consider this suggestion	Executive recommended this option.
Reporting of decisions	Forward Plan must show Key-decisions, should it also show any non-key decisions that will be taken by individuals?	This will be added to section 14.2 of the Access to Information Procedure Rules	OSC recommended that non-key decisions that will be taken by individuals should be shown on the Forward Plan.	Executive agreed with OSC's recommendation.
	Should a decision sheet be sent to the individual decision-maker with the report for them to record the decision on?	See Appendix 4, Access to Information Procedure Rules	OSC supported this approach.	Executive agreed with OSC's recommendation.
Call-in threshold	That the call-in period should be extended from 3 to 5 working days This recommendation is consistent with good practice identified in the recent ODPM report on Strengthening Local Democracy.	Section 18.5 of the Overview and Scrutiny Procedure Rules will be amended to reflect this	OSC had concerns about how call-in would work and in line with the practice at Hillingdon they recommended allowing 5 working days for call-in	Executive agreed with OSC's recommendation.

Reconsideration of referred back decision

25. OSC felt that an individual decision called-in for reconsideration should be referred back to the full Executive rather than to the individual Executive Member, and asked for additional advice on this point to be available to the Executive and Council Assembly.
26. Section 19 of the Local Government Act 2000 establishes that an Overview and Scrutiny's power to call in and scrutinise a decision should include power to refer the decision back to the "decision maker" for reconsideration, or to refer it to Council Assembly. There is no express power to refer a decision to someone other than the decision taker, except where the decision is referred to Council Assembly. The exercise of

the power to refer decisions to Council Assembly and not back to the decision taker is subject to statutory guidance, which is that this should only occur if the decision is outside the budget and policy framework (which only Council Assembly can change), the implication being that Council Assembly could opt to change the budget and policy framework so that the decision can fit within it.

The general principle, therefore, is that a decision should be reconsidered by the decision maker who took it (as is applied in respect of Community Council, Executive Member and Officer decisions.) However, it would be possible for the Overview and Scrutiny to recommend, when it refers the decision back to the individual member to recommend that that decision be considered by the Executive as a whole.

Forward Plan

27. The Overview & Scrutiny Committee also considered the Forward Plan and a number of general issues arising from the introduction of individual decision-making. OSC also recommended that:

- Further ideas about how to improve the Forward Plan [including general exception notices] should be brought forward for Member discussion – **response:** the Constitutional Team are reviewing the forward plan and will report separately to both Executive and Scrutiny members. Members are invited to make any comments about the format of the forward plan format directly to Ian Millichap.
- A notification list of upcoming decisions should be produced on a fortnightly basis – **response:** any additional list would have resource implications; an improved and more accessible forward plan may be sufficient.

Effect Of Proposed Changes on those affected

28. The introduction of individual decision-making could have a number of consequences and impacts on other structures:

- Decisions will be taken at various times rather than at set points in the meeting cycle. This could have consequences for scrutiny e.g. exercising call-in powers although, as mentioned earlier, longer timescales for calling in individual decisions could be considered.
- Consideration would also need to be given to how delegations to officers and Community Councils are handled e.g. delegations could be direct from the executive, onwards from individual members or a combination of both?
- Member training and development would need to be considered. Statutory guidance, to which the council must have regard, is that members of the executive need access to effective training and development to ensure that they can carry out the role of executive members effectively, and that is particularly important where functions and decision making are delegated to individual member so the executive.

29. In introducing individual decision making it would be important to:

- Guard against a reduction in consultation prior to decisions being taken.
- Guard against a reduction in public access to decision takers.
- Ensure reports, which key-decisions will be based on, are published and circulated to allow time for comments prior to the decision being taken.
- Ensure procedures are in place to publish decisions quickly and circulate them to allow call-in.

30. A decision taken by an individual would still have to conform to the constitutional and legal requirements; a possible scenario would be:

- If it were a key decision it would appear on the forward plan which would state who the decision taker will be and the earliest date at which it can be taken. Non-key decisions, which would be taken by individuals, could also be recorded on the forward plan but would not have to be.
- Officers would prepare a report to inform the decision making process in the same way as for Executive meetings.
- Copies of the reports would be made available a set period prior to the earliest date the decision can be taken, currently at least five working days.
- A decision sheet could be sent to the individual decision taker along with the report. This sheet could state the earliest date when the decision can be taken and have a section to be filled in giving the decision, date of the decision, reason for decision and any alternatives considered.
- The decision taker could discuss the report with relevant officers if required.
- Once the earliest decision date arrives the decision taker can make a decision; then sign, date and return the decision sheet to officers.
- Officers would publish the decision in the same way as for Executive meetings and to the timeframes set out in the constitution, currently within two days of the decision being made.
- The decision could not be implemented for a set period after the date it was published, currently three clear working days.
- The decision could be called-in using the same procedures as followed for decisions taken at executive meetings.
- If not called-in the decision would be implemented after the set time has elapsed.
- If called-in the decision would be considered by OSC in the usual way.

- If OSC decides to refer the decision back for reconsideration it would be reconsidered by the decision taker within the set timeframe, currently seven clear working days.

Resource Implications

31. There are no specific financial implications within this report

Legal Implications

32. The Borough Solicitor and her staff have been involved in the preparation of this report and the legal implications are contained in the body of the report.

Reasons for Urgency

33. This report is urgent, as it needs to meet the timetable for decision by Council Assembly.

Reasons for Lateness

34. The report is late due to the need for further consultation and problems with the Council's IT systems.

**Proposed changes to the Executive Procedure Rules
(changes are highlighted in bold italics)**

Executive Procedure Rules

1. HOW THE EXECUTIVE OPERATES

1.1 Who may make executive decisions

The arrangements for the discharge of Executive functions are set out in the Executive arrangements adopted by the Council. These arrangements may provide for Executive functions to be discharged by:

- i) the Executive as a whole;
- ii) a committee of the Executive;
- iii) *an individual member of the Executive***
- iii) Community Councils;
- iv) an officer;
- v) joint arrangements; or
- vi) another local authority.

1.2 Delegation by the Leader

At the annual meeting of the Council, the Leader will present to the Council a written record of delegations made by him/her for inclusion in the Council's scheme of delegation at Part 3 to this Constitution. The document presented by the Leader will contain the following information about Executive functions in relation to the coming year:

- i) the extent of any authority delegated to executive members individually, including details of the limitation on their authority;
- ii) the terms of reference and constitution of such Executive committees as the Leader appoints and the names of Executive members appointed to them;
- iii) the nature and extent of any delegation of Executive functions to Community Councils, any other authority or any joint arrangements and the names of those Executive members appointed to any joint committee for the coming year; and
- v) the nature and extent of any delegation to Officers with details of any limitation on that delegation, and the title of the officer to whom the delegation is made.

1.3 Sub-delegation of executive functions

- (a) Where the Executive, a committee of the executive **or an individual member of the Executive** is responsible for an executive function, they may delegate to joint arrangements or an officer.
- (b) Even where Executive functions have been delegated, that fact does not prevent the discharge of delegated functions by the person or body who delegated.
- (c) Unless the Council directs otherwise, if the Leader delegates functions to the Executive, then the Executive may delegate further to a committee of the Executive, **to an individual member of the Executive**, to Community Councils or to an officer.
- (d) Unless the Leader directs otherwise, a committee of the Executive to whom functions have been delegated by the Leader may delegate further to **an individual member of the Executive or** an officer.

1.4 *The Council's scheme of delegation and executive functions*

(a) Subject to (b) below the Councils scheme of delegation will be subject to adoption by the Council and may only be amended by the Council. It will contain the details required in Article 7 and set out in Part 3 of this Constitution.

(b) The Leader may amend the following sections of the scheme of delegation, relating to executive functions at any time during the year, within the limits of the Matters Reserved to the Executive for Collective Decision Making set out in Part 3C:

- ***Part 3D – Matters Reserved To Individual Executive Members For Decision***
- ***Part 3E - Matters Reserved To Individual Executive Members Within Their Portfolios***
- ***Part 3F – Matters Reserved to Executive Committees***

To do so, the leader must give written notice to the proper officer and to the person, body or committee concerned. The notice must set out the extent of the amendment to the scheme of delegation, and whether it entails the withdrawal of delegation from any person, body, committee or the executive as a whole. The proper officer will present a report to the next ordinary meeting of the Council setting out the changes made by the leader.

(c) Where the leader seeks to withdraw delegation from a committee, notice will be deemed to be served on that committee when he/she has served it on its chair.

1.5 Conflicts of Interest

- (a) Where the Leader has a conflict of interest this should be dealt with as set out in the Council's Code of Conduct for Members in Part 5 of this Constitution.

- (b) If every member of the Executive has a conflict of interest this should be dealt with as set out in the Council's Code of Conduct for Members in Part 5 of this Constitution.
- (c) If the exercise of an Executive function has been delegated to a committee of the executive, ***an individual member of the Executive*** or an officer, and should a conflict of interest arise, then the function will be exercised in the first instance by the person or body by whom the delegation was made and otherwise as set out in the Council's Code of Conduct for Members in Part 5 of this Constitution.

1.6 **Executive meetings – Timing and Location**

The Executive will meet at least 10 times per year at times to be agreed by the Leader. The Executive meetings must take place in the borough.

1.7 **Public or private meetings of the executive**

Meetings of the Executive shall be open to the press and public unless the business under consideration is exempt or confidential as defined in the Access to Information Rules as set out in Part 4 of this Constitution. There will be no private meetings of the Executive.

1.8 **Quorum**

- (a) the Leader or Deputy Leader must be present in order for the meeting to proceed.
- (b) the quorum for a meeting of the Executive, or a committee of it, shall be one quarter of the total number of members of the executive including the Leader/Deputy Leader.

1.9 **How decisions are to be taken by the executive**

- (a) Executive decisions which have been delegated to the executive as a whole will be taken at a meeting convened in accordance with the Access to Information Rules in Part 4 of the Constitution.
- (b) Where executive decisions are delegated to a committee of the executive, the rules applying to executive decisions taken by them shall be the same as those applying to those taken by the executive as a whole.

1.10 ***How decisions are to be taken by the individual members of the executive***

- (a) ***Where executive decisions are delegated to individual members of the executive, in any particular case, the Leader, Deputy Leader and/or the Chief Executive may direct that the decision should be reserved to the Executive;***
- (b) ***Where executive decisions are delegated to individual members of the executive, in any particular case, the individual may direct that the decision should be reserved to the Executive;***
- (c) ***Where an executive decision affects more than one individual executive members' portfolio the decision shall be reserved to the Executive;***

- (d) ***Where executive decisions are delegated to individual members of the executive and the member is unavailable the Leader or Deputy Leader shall be able to take the decision***

2. HOW THE EXECUTIVE MEETINGS ARE CONDUCTED

2.1 Who presides

If the Leader is present he/she will preside. In his/her absence, then the Deputy Leader shall chair the meeting. In the absence of the Leader and Deputy Leader, an Executive member shall be appointed to preside by those present.

2.2 Who may attend

Members of the public may attend all meetings subject to the restrictions set out in the Access to Information Rules in Part 4 of this Constitution.

2.3 Business

At each meeting of the Executive the following business will be conducted:

- i) minutes of the last meeting;
- ii) declarations of interest, if any;
- iii) public question time – 15 minutes;
- iv) matters referred to the Executive (whether by the Overview & Scrutiny Committee or by the Council Assembly) for reconsideration by the Executive in accordance with the provisions contained in the Overview and Scrutiny Procedure Rules or the Budget and Policy Framework Procedure Rules set out in Part 4 of this Constitution;
- v) consideration of reports from overview and scrutiny committees/sub-committees; and
- vi) matters set out in the agenda for the meeting, and which shall indicate which are key decisions and which are not in accordance with the Access to Information Procedure rules set out in Part 4 of this Constitution.

2.4 Consultation

All reports to the Executive from any member of the Executive or an officer on proposals relating to the budget and policy framework must contain details of the nature and extent of consultation with stakeholders and relevant overview and scrutiny committees, and the outcome of that consultation. Reports about other matters will set out the details and outcome of consultation as appropriate. The level of consultation required will be appropriate to the nature of the matter under consideration.

2.5 Who can put items on the executive agenda

The Leader will decide upon the schedule for the meetings of the Executive. He/she may put on the agenda of any Executive meeting any matter which he/she wishes, whether or not authority has been delegated to the Executive, a committee of it or any officer in respect of that matter. The proper officer will comply with the Leader's requests in this respect.

Any member of the Executive may require the proper officer to make sure that an item is placed on the agenda of the next available meeting of the Executive for consideration. If he/she receives such a request the proper officer will comply.

The proper officer will make sure that an item is placed on the agenda of the next available meeting of the Executive where a relevant overview and scrutiny committee or the full Council have resolved that an item be considered by the Executive.

Any member of the Council may ask the Leader to put an item on the agenda of an Executive meeting for consideration, and if the Leader agrees the item will be considered at the next available meeting of the Executive. The notice of the meeting will give the name of the Councillor who asked for the item to be considered.

The monitoring officer and/or the chief financial officer may include an item for consideration on the agenda of an Executive meeting and may require the proper officer to call such a meeting in pursuance of their statutory duties. In other circumstances, where any two of the head of paid service, chief finance officer and monitoring officer are of the opinion that a meeting of the Executive needs to be called to consider a matter that requires a decision, they may jointly include an item on the agenda of an Executive meeting. If there is no meeting of the Executive soon enough to deal with the issue in question, then the person(s) entitled to include an item on the agenda may also require that a meeting be convened at which the matter will be considered.

2.6 Formal records to be maintained

No meeting of the Executive shall commence or conduct business unless the Borough Solicitor & Secretary or her/his representative is present. All meetings are to be clerked by a representative of the Borough Solicitor & Secretary, with minutes to be produced including details of members attending each meetings and details of decisions taken. Copies of all agendas and minutes are to be maintained by the Borough Solicitor & Secretary.

2.7 Deputations To The Executive

1. Requests for deputations from groups of people who have alternative means of expressing their views through recognised channels e.g. employees of the authority, trade unions representing staff employed by the authority etc. should not be entertained under this Rule. Deputations can only be made by a person or people resident or working in the borough.
