The operation of the premises under the licence shall be subject to relevant mandatory conditions, conditions derived from the operation schedule highlighted in Section M of the application form and the conditions agreed between the applicant, the police, public health and the licensing authority during the conciliation process.

Condition 14 of the operating schedule dated 18 May 2016 has been removed, namely: "notwithstanding condition 13, alcohol maybe supplied and consumed from 12.00 hours in the basement."

The following additional conditions agreed by the sub-committee shall also apply:

- Patrons shall not be permitted to take drinks outside or to gather outside the premises to smoke and socialise in significant numbers for extended periods of time. There must be no more than five patrons outside the premises at any one time.

2. Deliveries to the premises shall be arranged between:
 - 7am and 8pm – Monday to Friday
 - 8am and 8pm – Saturday
 - 10am and 4pm – Sunday
3. There should be a dedicated telephone number made available on request to report any concerns regarding increase in noise and nuisance emanating from the business.

3. Reasons

The reasons for the decision are as follows:

The applicant addressed the sub-committee and explained that a number of conditions had already been agreed prior to the matter coming before the sub-committee. The applicant then discussed the ways in which it would adhere to Southwark's Licensing Policy and acknowledged the fact that the premises fell within a saturation zone. The applicant clearly set out why it fell within the exceptions of this policy. The applicant offered conditions regarding the hours of delivery, limit to number of smokers outside the premises and a telephone number for residents as set out in the conditions above.

The sub-committee noted that the police, public health and the licensing authority had conciliated with the applicant.

The ward councillor addressed the sub-committee and acknowledged the conditions that had been offered by the applicant. She expressed that the conditions satisfied the concerns raised.

The sub-committee noted the written representation from the local resident objecting to the application. The local resident was not in attendance.

4. Appeal rights

The applicant may appeal against any decision:

- a) To impose conditions on the licence
- b) To exclude a licensable activity or refuse to specify a person as premises supervisor.

Any person who made relevant representations in relation to the application who desire to contend that:

- a) The licence ought not to be been granted; or
- b) That on granting the licence, the licensing authority ought to have imposed different or additional conditions to the licence, or ought to have modified them in a different way

may appeal against the decision.

Any appeal must be made to the Magistrates' Court for the area in which the premises are situated. Any appeal must be commenced by notice of appeal given by the appellant to the justices' clerk for the Magistrates' Court within the period of 21 days beginning with the day on which the appellant was notified by the licensing authority of the decision appealed against.
