North Dulwich Controlled Parking Zone – first stage consultation

Tim Walker, from the environment and housing dept presented the above.

Following a lengthy debate between local residents, officers and Councillors about commuter parking - particularly in regard to Holmdene Avenue. The community council decided to endorse the officer recommendations which are:

- Notes the results of the 1st stage consultation on a controlled parking zone in the North Dulwich area
- Agrees to the implementation of a CPZ in Holmdene Avenue but not in other roads included in the 1st stage consultation
- The community council agreed as part of the 2nd stage (consultation) of the North Dulwich CPZ to consult on creating extra parking – in an arrangement similar to a 'home zone'. Residents would be given the opportunity to comment on this option of parking layout.

For more information please contact Tim Walker on 020 7525 2021 or email tim.walker@southwark.gov.uk

There are 11 Groups in the area - who provide activities across all 5 sections of the Scout Movement.

These are:

- Beavers (6 - 8 year olds), Cubs (8 -11 year olds)
- Scouts (11-16 year olds), Explorer Scouts (14-18 year olds)
- The Scout Network (18- 25 year olds) and
- The Scout Fellowship (for anyone over 16)
- Different Groups accept both boys and girls as members.

Andy Melia from Albany District Scout Council in Dulwich

Andy mentioned the scout movement has a large presence in Dulwich. He took the opportunity to thank Members for the small grant they received from Dulwich Community Council Fund last year. Part of the funding was used for organizing a fun day event which involved fun activities like arts and craft and a 'bouncy castle' for the kids. Veolia Environmental Services were present at the event to promote recycling and St John Ambulance Service were also on hand to provide assistance and help with first aid.

The organisation's aim is to promote scouting in the area, so if anyone is interested in helping i.e. with a supporting role, treasurer, secretary, funding raising or volunteering please see contact details below

Item No.	Classification: Open	Date: 8/6/2010	Meeting Name: Dulwich Community Council
Report title:		Dulwich Community Council Fund.	
Ward(s) or groups affected:		All Dulwich wards	
From:		Deborah Collins - Abdi Mohamed Ibrahim -	Chief Officer Neighbourhood Co-ordinator

RECOMMENDATION(S)

1. For the Dulwich Community Council to agree the £15,260 community funding.

BACKGROUND INFORMATION

The Community Council Fund provides revenue grants of between £100 and £1,000 for community projects. Applications are considered by the borough's eight community councils, for projects that will benefit the community.

KEY ISSUES FOR CONSIDERATION

Appendix 2 contains the funding guidelines for the fund.

The Community Council Fund forms part of Southwark 2016 objectives of

- Improving life chances
- A better place for people
- Delivering quality services.

Community impact statement

The allocation of the Dulwich Community Council fund will, in the main affect the people living in the Dulwich Community Council area. However, in making the area a better place to live and improving life chances for local people, the Community Fund activities will have an impact on the whole of Southwark.

The Dulwich community fund aims to increase community participation and activity within the area and provide such groups with the support that they would have not been able to access otherwise.

Resource implications

The budget for the Dulwich Community Council Fund is £15,260 to be spent by the 31 March 2011.

Legal/Financial implications

The Council has power under section 2 of the Local Government Act 2000 (“the Act”) to do anything which it calculates is likely to promote or improve the economic, social or environmental well being of the area. This power can be exercised for benefit of the whole or any part of the council’s area or for the benefits of any person resident or present in the area.

Section 2(3) of the Act requires the Council to have regard to its Community Strategy when determining whether or not to exercise this power. Section 2(4) of the Act specifies that this includes a power to give financial assistance to any person.

The Council has power under the Act to provide funding to voluntary organisations but in exercising this power regard must be had to the Council’s sustainable community strategy. These grants, from the community fund, are from revenue budgets.

The Executive in November 2005 agreed for this to be done by the community councils. The money can be granted to community projects ranging from cultural celebrations to providing equipment for local sports teams.
