Item No. 5.	Classification: Open	Date: 21 August 2015	Meeting Name: Licensing Sub-Committee
Report title:		Licensing Act 2003: Blue Eyed Maid, 173 Borough High Street, London SE1 1HR	
Ward(s) or groups affected:		Chaucer	
From:		Strategic Director of Environment and Leisure	

RECOMMENDATION

1. That the licensing sub-committee decide whether or not to issue a counter notice in respect of a temporary event notice (TEN) served by Mr Taz Uddin, in regards to an event to be held at Blue Eyed Maid, 173 Borough High Street, SE1 1HR between 00:01 on 22 August 2015 and 06:00 on 23 August 2015.

BACKGROUND INFORMATION

The Licensing Act 2003

2. On 24 November 2005 the Licensing Act 2003 came into effect establishing a new licensing regime for the following licensable activities:
 - a) The retail sale of alcohol
 - b) The supply of alcohol to club members or on behalf of a club
 - c) The provision of regulated entertainment
 - d) The provision of late night refreshments.
3. The Act establishes a process for the giving of "temporary event notices" (TENs).
4. Amendments to the Licensing Act 2003 were brought about by way of the Police Reform and Social Responsibility Act 2011 as of 25 April 2012.
5. A premises user may serve a TEN, where it is proposed to use the premises concerned to provide one or more licensable activities for a period not exceeding 168 hours for less than 500 persons.
6. A person holding a personal license issued under the Act may serve up to 50 TENs in a calendar year. Non personal licence holders may serve up to 5 TENs in the same period. No premises may be used for more than 12 TENs in a calendar year or for more than 21 days in a calendar year.
7. No premises may be used for temporary events that are less than 24 hours apart.
8. The police or environmental health authority may intervene to prevent such an event taking place or agree a modification of the proposed arrangements, and their intervention may in some cases result in the licensing authority imposing conditions on a TEN.

9. If the police or environmental health team believe that allowing the premises to be used in accordance with the TEN will undermine the licensing objectives, they must give the premises user and the licensing authority an objection notice. This must be given within three working days of the receipt of the TEN.
10. A TEN does not relieve the premises user from any requirements under planning law for appropriate planning permission where it is required.
11. The police or environmental health may contact the premises user to discuss their objections and attempt to come to an agreement which will allow the proposed licensable activities to proceed. The TEN can be modified. If there is no agreement, the licensing authority must hold a hearing to consider the notice.
12. If the licensing authority receives an objection notice from the police or environmental health that is not withdrawn, it must (in the case of a standard TEN only) hold a hearing to consider the objection (unless all parties agree that this is unnecessary). The licensing committee may decide to allow the licensable activities to go ahead as stated in the notice. If the notice is in connection with licensable activities at licensed premises, the licensing authority may also impose one or more of the existing licence conditions on the TEN if it considers that this is appropriate for the promotion of the licensing objectives. If the authority decides to impose conditions, it must give notice to the premises user which includes a statement of conditions, and provide a copy to each relevant party. Alternatively, it can decide that the event would undermine the licensing objectives and give a counter notice. This prohibits the event from taking place.

KEY ISSUES FOR CONSIDERATION

The temporary event notice

13. On 7 August 2015 a TEN was served by Mr Taz Uddin, in regards to an event to be held at The Blue Eyed Maid, 173 Borough High Street, SE1 1HR between 00:01 on 22 August 2015 and 06:00 on 23 August 2015. A copy of the TEN is attached to this report as Appendix A.
14. The TEN is summarised as follows:

To permit the retail sale of alcohol, the provision of regulated entertainment and the provision of late night refreshment between 00:01 on 22 August 2015 and 06:00 on 23 August 2015. The maximum number of people expected at any one time at the premises is 130. Licensable activities are to take place on and off the premises.

The objection notice

On 10 August 2015 Southwark Police Licensing Unit (SPLU) served an objection notice in respect of the above TEN. The SPLU objection relates to the prevention of crime and disorder. SPLU state in the last 6 months their have been five violent incidents associated with the premises. In each case one of the parties involved was described by the reporting officer as drunk having been drinking inside the venue. The premises Licence was reviewed by the licensing sub committee in 2014 due to violent incidents at the premises and the licensable hours reduced at that hearing. Borough High Street has seen a number of serious alcohol fuelled violent incidents recently which has culminated

in another premises having the licence reviewed. Both premises are run by the same management and some of the letters of support for the review of the other premises also specifically mention problems associated with noise and disorder at the Blue Eyed Maid. Local residence describe frequent violent incidents outside the premises, excessive drinking by customers and total lack of responsibility from the management. The police believe that the granting of the event notice will undermine the Licensing objectives and the decision made by that committee.

Police object to the granting on the grounds that the extended opening of the premises will lead to excessive drinking, drunken and Anti social behaviour and that if these events were to go ahead it would have an adverse effect on the Licensing objectives and possibly have violent consequences in an already high area of alcohol fuelled violence.

The hours the premises already operate under the licence are in the police opinion generous considering the previous operation history of the premises. Any extension to the Licensable hours would be detrimental to local residents and crime within the area. The police state that allowing the event to proceed would undermine the prevention of crime and disorder licensing objective. Copies of the objection notice and evidence in support of the objection notice are attached to this report as Appendix B.

Premises history

16. A premises licence was granted for this premises in July 2005. During August 2013 the Police made an application to review the premises licence following a violent incident. The licence was suspended and conditions added following the hearing in October 2013. The notice of decision is attached as Appendix C. The licence is attached as Appendix D.
17. During recent inspections of the premises it was found to be compliant. Following recent complaints relating to noise, the DPS has taken steps to reduce any nuisance caused and has reduced the volume of music and carries out noise monitoring which is logged. Other steps have been taken and no more complaints have been received.

Policy considerations

19. Section 4 of the Southwark statement of licensing policy on “administration, exercise and delegation of function” deals with the parameters under which TENs may be considered.

Consideration by the sub-committee

20. At the time of writing this report it has not been possible to reach a negotiated outcome in regards to this matter and therefore the sub-committee is asked to consider whether the issue of a counter notice is necessary for the promotion of the prevention of crime and disorder licensing objective.

Community impact statement

21. Members are advised that under the Act, the matters to which consideration may be given in this instance are the crime and disorder and public nuisance objectives.
22. In considering the TEN in terms of community impact the sub-committee must restrict its considerations to this matter.

Resource implications

23. A fee of £21.00 has been paid by the applicant in respect of the TEN, this being the statutory fee payable.

Consultation

24. The Act provides for no consultations to take place other than the process outlined in this report.

SUPPLEMENTARY ADVICE FROM OTHER OFFICERS

Director of Legal Services

25. The sub-committee is asked to determine the notification of this temporary event under Section 105 of the Licensing Act 2003 and to consider whether or not counter notice should be issued in the circumstance. It must only issue a counter notice if they believe the event would undermine the crime prevention objective set out in the Act
26. The principles which sub-committee members must apply are set out below.

Principles for making the determination

27. The general principle is that temporary event notices must be accepted unless a relevant objection is received from the police. This is subject to the proviso that the premises user has complied with regulations and submitted the notice within a prescribed time.
28. A relevant objection is that which:
 - Is about the likely effect of the TEN on the promotion of the crime prevention of the licensing objectives
 - Is made by the metropolitan police
 - Has not been withdrawn
 - Are not, in the opinion of the relevant licensing authority, frivolous or vexatious.
29. If a relevant objection notice is received then the sub-committee must have regard to it in determining whether it is necessary for the promotion of the prevention of crime prevention and the prevention of public nuisance licensing objectives of the Licensing Act to:

- Issue a counter notice by adding to, omit, and/or alter the conditions of the licence or
- Reject the whole or part of the application for TEN.

Conditions

30. The licensing sub-committee may attach conditions on the carrying on of permitted licensable activities. The sub-committee's function is to determine whether a counter notice should be issued
31. Members are also referred to the DCMS guidance on conditions, specifically section 7, and Annexes D, E, F and G.

Reasons

32. The sub-committee must give reasons for its decision to issue or not to issue a counter notice.

Hearing Procedures

33. Subject to the licensing hearing regulations, the licensing sub-committee may determine its own procedures. Key elements of the regulations are that:
 - The hearing shall take the form of a discussion led by the authority. Cross examination shall not be permitted unless the authority considered that it is required for it to consider the objection.
 - Members of the authority are free to ask any question of any party or other person appearing at the hearing.
 - The committee must allow the parties an equal maximum period of time in which to exercise their rights to:
 - Address the authority
 - If given permission by the committee, question any other party.
 - In response to a point which the authority has given notice it will require clarification, give further information in support of their submission.
 - The committee shall disregard any information given by a party which is not relevant:
 - To the particular submission before the committee
 - To the licensing objectives prevention of crime and disorder.
 - The hearing shall be in public, although the committee may exclude the public from all or part of a hearing where it considers that the public interest in doing so outweighs the public interest in the hearing, or that part of the hearing, taking place in private.
 - In considering the objection and notice the authority may take into account documentary or other information produced by a party in support of their

objection or notice (as applicable) either before the hearing or, with the consent of all the other parties, at the hearing.

34. This matter relates to the determination of a notification for a temporary event notice under section 105 of the Licensing Act 2003. Regulation 26(1) (c) requires the sub-committee to make its determination at the conclusion of the hearing.
35. Members should note that the licensing sub-committee is meeting on this occasion solely to perform the role of licensing authority. The sub-committee sits in quasi-judicial capacity, and must act impartially. It must offer a fair and unbiased hearing of the application. In this case, members should disregard the council's broader policy objectives and role as statutory authority in other contexts. Members must direct themselves to making a determination solely based upon the licensing law, guidance and the council's statement of licensing policy.
36. As a quasi-judicial body the licensing sub-committee is required to consider the temporary event notice on its merits. The sub-committee must take into account only relevant factors, and ignore irrelevant factors. The decision must be based on evidence, that is to say material, which tends logically to show the existence or non-existence of relevant facts, or the likelihood or unlikelihood of the occurrence of some future event, the occurrence of which would be relevant. The licensing sub-committee must give fair consideration to the contentions of the police objection.
37. Members will be aware of the council's code of conduct which requires them to declare personal and prejudicial interests. The code applies to members when considering licensing applications. In addition, as a quasi-judicial body, members are required to avoid both actual bias, and the appearance of bias.
38. Under the Human Rights Act 1998 the sub committee needs to consider the balance between the rights of the applicant and those making the objection to the application when making their decision. The sub-committee has a duty under section 17 Crime and Disorder Act 1998 when making its decision to do all it can to prevent crime and disorder in the borough.
39. Where the relevant counter notice under section 105(3) is given the premises user may appeal against that decision. Where a counter notice is not given, the chief officer of police may appeal against that decision. The appeal must be made to the Magistrates' Court within a period of 21 days beginning with the day on which the applicant was notified by the licensing authority of the decision to be appealed against. No appeal may be brought later than five working days before the day on which the event begins.

Guidance

40. Members are required to have regard to the DCMS guidance in carrying out the functions of licensing authority. However, guidance does not cover every possible situation, so long as the guidance has been properly and carefully understood, members may depart from it if they have reason to do so. Full reasons must be given if this is the case.

REASONS FOR URGENCY

41. The TENs process is time limited, and due to legislative time constraints it would not be possible to wait for a further meeting to be held to consider this report.

REASONS FOR LATENESS

42. This report was not available for circulation within five clear days before the meeting due to legislative time constraints.

Re:- Blue Eyed Maid, 173 Borough High Street, London SE1 1HR

Dear Sir/Madam

Police are in receipt of an application from the above for Two Temporary Event Notices (TEN) to be granted for Saturday the 22nd August & Saturday the 29th August 2015 between 00.00hrs & 06.00hrs on both days.

It is not clear from the notice if the premises wish to open for 6 hours on the notice or for 30 hours. The notice for the 29th to 30th has no details regarding sections 3,4 & 5 failing to supply details of the event.

The Police object to the granting of the Notices on the grounds that they would undermine the crime and disorder objective of the Licensing Act 2003.

The grounds for the objection are as follows.

In the last 6 months there have been five violent incidents associated with the premises. In each case one of the parties involved was described by the reporting officer as drunk having been drinking inside the venue.

The premises Licence was reviewed by the licensing sub committee in 2014 due to violent incidents at the premises and the licensable hours reduced at that hearing. Borough High Street has seen a number of serious alcohol fuelled violent incidents recently which has culminated in another premises having the licence reviewed. Both premises are run by the same management and some of the letters of support for the review also specifically mention problems associated with noise and disorder at the Blue Eyed maid.

Local residents describe frequent violent incidents outside the premises, excessive drinking by customers and total lack of responsibility from the management. The police believe that the granting of the event notice will undermine the Licensing objectives and the decision made by that committee.

Police object to the granting on the grounds that the extended opening of the premises will lead to excessive drinking, drunken and Anti social behaviour and that if these events were to go ahead it would have an adverse effect on the Licensing objectives and possibly have violent consequences in an already high area of alcohol fuelled violence.

The hours the premises already operate under the licence are in the police opinion generous considering the previous operation history of the premises. Any extension to the Licensable hours would be detrimental to local residents and crime within the area.

Yours Sincerely

PC Graham White 288MD

**NOTICE OF DECISION****LICENSING SUB-COMMITTEE – 18 FEBRUARY 2014****LICENSING ACT 2003: BLUE EYED MAID, 173 BOROUGH HIGH STREET, LONDON, SE1 1HR****1. Decision**

The licensing sub-committee, having had regard to the decision made on 8 October 2013 following determination of an application for a review of the premises licence granted under the Licensing Act 2003 to Punch Taverns PLC in respect of the premises known as Blue Eyed Maid, 173 Borough High Street, London SE1 1HR and having had regard also to the subsequent appeal and proposed conciliation between the applicant and the appellant has decided it necessary for the promotion of the licensing objectives to amend the conditions as follows:

1. Suspend the licence for a period of three weeks.
2. Remove the designated premises supervisor being Kamal Hussain.
3. Modify the conditions of the premises licence as follows:
 - i. That there be a change in the senior management team of the day to day operation of the Blue Eyed Maid.
 - ii. That the operating hours be reduced on Fridays and Saturdays to 11.00 to 02.30 and all licensable activities cease at 02.00.
 - iii. That there be no entry or re-entry to the premises after 00.30 Monday to Sunday with the exception of smokers.
 - iv. An ID scanning system to the reasonable satisfaction of the police be installed and maintained. The system will be capable of sharing information about banned customers with other venues, identify the hologram of another ID and read both passports and ID cards, able to identify fake or forged ID documents to a reasonable standard. The system will be in operation at all times after 21:00hrs whilst the premises are in operation under the premises licence. All persons that enter the premises including staff, patrons, DJs and associated staff will be scanned and have their details stored on the system. The details shall be stored and made available for a period of no less than 31 days.
 - v. The premises will ensure that there is at least two persons on duty at all times the ID scan system is in operation, trained in its use and able to search and retrieve the information stored within.
 - vi. That all staff employed in the supply of intoxicating liquor complete a refresher training course on the relevant licensing legislation.

- vii. That an incident log shall be maintained and details of all refusals recorded. This book shall be reviewed monthly by the DPS and any actions taken shall be recorded in the book and be signed off by the DPS. This log shall be maintained on the premises and shall be made available for inspection by authorised officers.
- viii. That a dispersal policy be introduced to provide quick dispersal of customers from outside the premises after closing time.

2. **Reasons for the decision**

The reasons for this decision are as follows:

The licensing sub-committee heard evidence from the Metropolitan Police Service, being the applicant for the original review application who stated that he considered that a three week suspension would be sufficient time to allow the appellant to adhere to the proposed conditions and that the amended conditions concerning the ID scanning system would satisfy the police in respect of their concerns in view of the licensing objectives.

The licensing sub-committee heard evidence from the licensing authority in its capacity as a responsible authority who stated that he considered that the proposed amended conditions would assist the premises in complying with their requirements under the licensing objectives.

The licensing sub-committee heard evidence from a solicitor on behalf of the designated premises supervisor Kamal Hussain, who stated that he would withdraw the appeal to the Magistrates' Court. This would be done by way of a consent order as per the amended conditions above.

In reaching this decision the sub-committee had regard to all the relevant considerations and the four licensing objectives.

The licensing sub-committee considered that its decision was appropriate and proportionate in order to address the licensing objectives.

3. **Appeal rights**

This decision is open to appeal by either

- a) The applicant for the review
- b) The premises licence holder
- c) Any other person who made relevant representations in relation to the application.

Such appeal must be commenced by notice of appeal given by the appellant to the justices' clerk for the magistrates' court for the area within the period of 21 days beginning with the day on which the appellant was notified by this licensing authority of the decision.

4. This decision does not have effect until either

- a) The end of the period for appealing against this decision or
- b) In the event of any notice of appeal being given, until the appeal is disposed of.

 - d) The provision of late night refreshments.
3. The Act establishes a process for the giving of "temporary event notices" (TENs).
4. Amendments to the Licensing Act 2003 were brought about by way of the Police Reform and Social Responsibility Act 2011 as of 25 April 2012.
5. A premises user may serve a TEN, where it is proposed to use the premises concerned to provide one or more licensable activities for a period not exceeding 168 hours for less than 500 persons.
6. A person holding a personal license issued under the Act may serve up to 50 TENs in a calendar year. Non personal licence holders may serve up to 5 TENs in the same period. No premises may be used for more than 12 TENs in a calendar year or for more than 21 days in a calendar year.
7. No premises may be used for temporary events that are less than 24 hours apart.
8. The police or environmental health authority may intervene to prevent such an event taking place or agree a modification of the proposed arrangements, and their intervention may in some cases result in the licensing authority imposing conditions on a TEN.

9. If the police or environmental health team believe that allowing the premises to be used in accordance with the TEN will undermine the licensing objectives, they must give the premises user and the licensing authority an objection notice. This must be given within three working days of the receipt of the TEN.
10. A TEN does not relieve the premises user from any requirements under planning law for appropriate planning permission where it is required.
11. The police or environmental health may contact the premises user to discuss their objections and attempt to come to an agreement which will allow the proposed licensable activities to proceed. The TEN can be modified. If there is no agreement, the licensing authority must hold a hearing to consider the notice.
12. If the licensing authority receives an objection notice from the police or environmental health that is not withdrawn, it must (in the case of a standard TEN only) hold a hearing to consider the objection (unless all parties agree that this is unnecessary). The licensing committee may decide to allow the licensable activities to go ahead as stated in the notice. If the notice is in connection with licensable activities at licensed premises, the licensing authority may also impose one or more of the existing licence conditions on the TEN if it considers that this is appropriate for the promotion of the licensing objectives. If the authority decides to impose conditions, it must give notice to the premises user which includes a statement of conditions, and provide a copy to each relevant party. Alternatively, it can decide that the event would undermine the licensing objectives and give a counter notice. This prohibits the event from taking place.

KEY ISSUES FOR CONSIDERATION

The temporary event notice

13. On 7 August 2015 a TEN was served by Mr Taz Uddin, in regards to an event to be held at The Blue Eyed Maid, 173 Borough High Street, SE1 1HR between 00:01 on 29 August 2015 and 06:00 on 30 August 2015. A copy of the TEN is attached to this report as Appendix A.
14. The TEN is summarised as follows:

To permit the retail sale of alcohol, the provision of regulated entertainment and the provision of late night refreshment between 00:01 on 29 August 2015 and 06:00 on 30 August 2015. The maximum number of people expected at any one time at the premises is 130. Licensable activities are to take place on and off the premises.

The objection notice

On 10 August 2015 Southwark Police Licensing Unit (SPLU) served an objection notice in respect of the above TEN. The SPLU objection relates to the prevention of crime and disorder. SPLU state in the last 6 months their have been five violent incidents associated with the premises. In each case one of the parties involved was described by the reporting officer as drunk having been drinking inside the venue. The premises licence was reviewed by the licensing sub committee in 2014 due to violent incidents at the premises and the licensable hours reduced at that hearing. Borough High Street has seen a number of serious alcohol fuelled violent incidents recently which has culminated

in another premises having the licence reviewed. Both premises are run by the same management and some of the letters of support for the review of the other premises also specifically mention problems associated with noise and disorder at the Blue Eyed Maid. Local residence describe frequent violent incidents outside the premises, excessive drinking by customers and total lack of responsibility from the management. The police believe that the granting of the event notice will undermine the Licensing objectives and the decision made by that committee.

Police object to the granting on the grounds that the extended opening of the premises will lead to excessive drinking, drunken and anti social behaviour and that if these events were to go ahead it would have an adverse effect on the licensing objectives and possibly have violent consequences in an already high area of alcohol fuelled violence.

The hours the premises already operate under the licence are in the police opinion generous considering the previous operation history of the premises. Any extension to the licensable hours would be detrimental to local residents and crime within the area. The police state that allowing the event to proceed would undermine the prevention of crime and disorder licensing objective. Copies of the objection notice and evidence in support of the objection notice are attached to this report as Appendix B.

Premises history

16. A premises licence was granted for this premises in July 2005. During August 2013 the Police made an application to review the premises licence following a violent incident. The licence was suspended and conditions added following the hearing in October 2013. The notice of decision is attached as Appendix C. The licence is attached as Appendix D.
17. During recent inspections of the premises it was found to be compliant. Following recent complaints relating to noise, the DPS has taken steps to reduce any nuisance caused and has reduced the volume of music and carries out noise monitoring which is logged. Other steps have been taken and no more complaints have been received.

Policy considerations

19. Section 4 of the Southwark statement of licensing policy on “administration, exercise and delegation of function” deals with the parameters under which TENs may be considered.

Consideration by the sub-committee

20. At the time of writing this report it has not been possible to reach a negotiated outcome in regards to this matter and therefore the sub-committee is asked to consider whether the issue of a counter notice is necessary for the promotion of the prevention of crime and disorder licensing objective.

Community impact statement

21. Members are advised that under the Act, the matters to which consideration may be given in this instance are the crime and disorder and public nuisance objectives.
22. In considering the TEN in terms of community impact the sub-committee must restrict its considerations to this matter.

Resource implications

23. A fee of £21.00 has been paid by the applicant in respect of the TEN, this being the statutory fee payable.

Consultation

24. The Act provides for no consultations to take place other than the process outlined in this report.

SUPPLEMENTARY ADVICE FROM OTHER OFFICERS

Director of Legal Services

25. The sub-committee is asked to determine the notification of this temporary event under Section 105 of the Licensing Act 2003 and to consider whether or not counter notice should be issued in the circumstance. It must only issue a counter notice if they believe the event would undermine the crime prevention objective set out in the Act
26. The principles which sub-committee members must apply are set out below.

Principles for making the determination

27. The general principle is that temporary event notices must be accepted unless a relevant objection is received from the police. This is subject to the proviso that the premises user has complied with regulations and submitted the notice within a prescribed time.
28. A relevant objection is that which:
 - Is about the likely effect of the TEN on the promotion of the crime prevention of the licensing objectives
 - Is made by the metropolitan police
 - Has not been withdrawn
 - Are not, in the opinion of the relevant licensing authority, frivolous or vexatious.
29. If a relevant objection notice is received then the sub-committee must have regard to it in determining whether it is necessary for the promotion of the prevention of crime prevention and the prevention of public nuisance licensing objectives of the Licensing Act to:
 - Issue a counter notice by adding to, omit, and/or alter the conditions of the licence or

- Reject the whole or part of the application for TEN.

Conditions

30. The sub-committee may attach conditions on the carrying on of permitted licensable activities. The sub-committee's function is to determine whether a counter notice should be issued
31. Members are also referred to the DCMS guidance on conditions, specifically section 7, and Annexes D, E, F and G.

Reasons

32. The sub-committee must give reasons for its decision to issue or not to issue a counter notice.

Hearing Procedures

33. Subject to the licensing hearing regulations, the licensing committee may determine its own procedures. Key elements of the regulations are that:
 - The hearing shall take the form of a discussion led by the authority. Cross examination shall not be permitted unless the authority considered that it is required for it to consider the objection.
 - Members of the authority are free to ask any question of any party or other person appearing at the hearing.
 - The committee must allow the parties an equal maximum period of time in which to exercise their rights to:
 - Address the authority
 - If given permission by the committee, question any other party.
 - In response to a point which the authority has given notice it will require clarification, give further information in support of their submission.
 - The committee shall disregard any information given by a party which is not relevant:
 - To the particular submission before the committee
 - To the licensing objectives prevention of crime and disorder.
 - The hearing shall be in public, although the committee may exclude the public from all or part of a hearing where it considers that the public interest in doing so outweighs the public interest in the hearing, or that part of the hearing, taking place in private.
 - In considering the objection and notice the authority may take into account documentary or other information produced by a party in support of their objection or notice (as applicable) either before the hearing or, with the consent of all the other parties, at the hearing.

34. This matter relates to the determination of a notification for a temporary event notice under section 105 of the Licensing Act 2003. Regulation 26(1) (c) requires the sub-committee to make its determination at the conclusion of the hearing.
35. Members should note that the licensing sub-committee is meeting on this occasion solely to perform the role of licensing authority. The sub-committee sits in quasi-judicial capacity, and must act impartially. It must offer a fair and unbiased hearing of the application. In this case, members should disregard the council's broader policy objectives and role as statutory authority in other contexts. Members must direct themselves to making a determination solely based upon the licensing law, guidance and the council's statement of licensing policy.
36. As a quasi-judicial body the licensing sub-committee is required to consider the temporary event notice on its merits. The sub-committee must take into account only relevant factors, and ignore irrelevant factors. The decision must be based on evidence, that is to say material, which tends logically to show the existence or non-existence of relevant facts, or the likelihood or unlikelihood of the occurrence of some future event, the occurrence of which would be relevant. The licensing sub-committee must give fair consideration to the contentions of the police objection.
37. Members will be aware of the council's code of conduct which requires them to declare personal and prejudicial interests. The code applies to members when considering licensing applications. In addition, as a quasi-judicial body, members are required to avoid both actual bias, and the appearance of bias.
38. Under the Human Rights Act 1998 the sub committee needs to consider the balance between the rights of the applicant and those making the objection to the application when making their decision. The sub-committee has a duty under section 17 Crime and Disorder Act 1998 when making its decision to do all it can to prevent crime and disorder in the borough.
39. Where the relevant counter notice under section 105(3) is given the premises user may appeal against that decision. Where a counter notice is not given, the chief officer of police may appeal against that decision. The appeal must be made to the Magistrates' Court within a period of 21 days beginning with the day on which the applicant was notified by the licensing authority of the decision to be appealed against. No appeal may be brought later than five working days before the day on which the event begins.

Guidance

40. Members are required to have regard to the DCMS guidance in carrying out the functions of licensing authority. However, guidance does not cover every possible situation, so long as the guidance has been properly and carefully understood, members may depart from it if they have reason to do so. Full reasons must be given if this is the case.

REASONS FOR URGENCY

41. The TENs process is time limited, and due to legislative time constraints it would not be possible to wait for a further meeting to be held to consider this report.

REASONS FOR LATENESS

42. This report was not available for circulation within five clear days before the meeting due to legislative time constraints.

Dear Sir/Madam

Police are in receipt of an application from the above for Two Temporary Event Notices (TEN) to be granted for Saturday the 22nd August & Saturday the 29th August 2015 between 00.00hrs & 06.00hrs on both days.

It is not clear from the notice if the premises wish to open for 6 hours on the notice or for 30 hours. The notice for the 29th to 30th has no details regarding sections 3,4 & 5 failing to supply details of the event.

The Police object to the granting of the Notices on the grounds that they would undermine the crime and disorder objective of the Licensing Act 2003.

The grounds for the objection are as follows.

In the last 6 months there have been five violent incidents associated with the premises. In each case one of the parties involved was described by the reporting officer as drunk having been drinking inside the venue.

The premises Licence was reviewed by the licensing sub committee in 2014 due to violent incidents at the premises and the licensable hours reduced at that hearing. Borough High Street has seen a number of serious alcohol fuelled violent incidents recently which has culminated in another premises having the licence reviewed. Both premises are run by the same management and some of the letters of support for the review also specifically mention problems associated with noise and disorder at the Blue Eyed maid.

Local residents describe frequent violent incidents outside the premises, excessive drinking by customers and total lack of responsibility from the management. The police believe that the granting of the event notice will undermine the Licensing objectives and the decision made by that committee.

Police object to the granting on the grounds that the extended opening of the premises will lead to excessive drinking, drunken and Anti social behaviour and that if these events were to go ahead it would have an adverse effect on the Licensing objectives and possibly have violent consequences in an already high area of alcohol fuelled violence.

The hours the premises already operate under the licence are in the police opinion generous considering the previous operation history of the premises. Any extension to the Licensable hours would be detrimental to local residents and crime within the area.

Yours Sincerely

PC Graham White 288MD

**NOTICE OF DECISION****LICENSING SUB-COMMITTEE – 18 FEBRUARY 2014****LICENSING ACT 2003: BLUE EYED MAID, 173 BOROUGH HIGH STREET, LONDON, SE1 1HR****1. Decision**

The licensing sub-committee, having had regard to the decision made on 8 October 2013 following determination of an application for a review of the premises licence granted under the Licensing Act 2003 to Punch Taverns PLC in respect of the premises known as Blue Eyed Maid, 173 Borough High Street, London SE1 1HR and having had regard also to the subsequent appeal and proposed conciliation between the applicant and the appellant has decided it necessary for the promotion of the licensing objectives to amend the conditions as follows:

1. Suspend the licence for a period of three weeks.
2. Remove the designated premises supervisor being Kamal Hussain.
3. Modify the conditions of the premises licence as follows:
 - i. That there be a change in the senior management team of the day to day operation of the Blue Eyed Maid.
 - ii. That the operating hours be reduced on Fridays and Saturdays to 11.00 to 02.30 and all licensable activities cease at 02.00.
 - iii. That there be no entry or re-entry to the premises after 00.30 Monday to Sunday with the exception of smokers.
 - iv. An ID scanning system to the reasonable satisfaction of the police be installed and maintained. The system will be capable of sharing information about banned customers with other venues, identify the hologram of another ID and read both passports and ID cards, able to identify fake or forged ID documents to a reasonable standard. The system will be in operation at all times after 21:00hrs whilst the premises are in operation under the premises licence. All persons that enter the premises including staff, patrons, DJs and associated staff will be scanned and have their details stored on the system. The details shall be stored and made available for a period of no less than 31 days.
 - v. The premises will ensure that there is at least two persons on duty at all times the ID scan system is in operation, trained in its use and able to search and retrieve the information stored within.
 - vi. That all staff employed in the supply of intoxicating liquor complete a refresher training course on the relevant licensing legislation.

- vii. That an incident log shall be maintained and details of all refusals recorded. This book shall be reviewed monthly by the DPS and any actions taken shall be recorded in the book and be signed off by the DPS. This log shall be maintained on the premises and shall be made available for inspection by authorised officers.
- viii. That a dispersal policy be introduced to provide quick dispersal of customers from outside the premises after closing time.

2. **Reasons for the decision**

The reasons for this decision are as follows:

The licensing sub-committee heard evidence from the Metropolitan Police Service, being the applicant for the original review application who stated that he considered that a three week suspension would be sufficient time to allow the appellant to adhere to the proposed conditions and that the amended conditions concerning the ID scanning system would satisfy the police in respect of their concerns in view of the licensing objectives.

The licensing sub-committee heard evidence from the licensing authority in its capacity as a responsible authority who stated that he considered that the proposed amended conditions would assist the premises in complying with their requirements under the licensing objectives.

The licensing sub-committee heard evidence from a solicitor on behalf of the designated premises supervisor Kamal Hussain, who stated that he would withdraw the appeal to the Magistrates' Court. This would be done by way of a consent order as per the amended conditions above.

In reaching this decision the sub-committee had regard to all the relevant considerations and the four licensing objectives.

The licensing sub-committee considered that its decision was appropriate and proportionate in order to address the licensing objectives.

3. **Appeal rights**

This decision is open to appeal by either

- a) The applicant for the review
- b) The premises licence holder
- c) Any other person who made relevant representations in relation to the application.

Such appeal must be commenced by notice of appeal given by the appellant to the justices' clerk for the magistrates' court for the area within the period of 21 days beginning with the day on which the appellant was notified by this licensing authority of the decision.

4. This decision does not have effect until either

- a) The end of the period for appealing against this decision or
- b) In the event of any notice of appeal being given, until the appeal is disposed of.
