RECOMMENDATIONS

That the licensing sub-committee considers whether it is necessary to take interim steps pending the determination of an application made under Section 53A of the Licensing Act 2003 by the chief of police for the metropolitan police area for a summary review of the premises licences in respect of the premises known Wazobia Restaurant, 670 Old Kent Road, London SE15 1JF.

1. Notes:

- a) Under section 53A(2) of the licensing act 2003 the licensing authority must consider interim steps following the submission of an application under Section 53A of the licensing act 2003.
- b) A copy of the full application and certificate is attached as Appendix A.

BACKGROUND INFORMATION

The Licensing Act 2003

2. The Licensing Act 2003 provides a licensing regime for:

- The sale of and supply of alcohol
- The provision of regulated entertainment
- The provision of late night refreshment.

3. Within Southwark, the licensing responsibility is wholly administered by this council.

4. The Act requires the licensing authority to carry out its functions under the Act with a view to promoting the four stated licensing objectives. These are:

- The prevention of crime and disorder
- The promotion of public safety
- The prevention of nuisance
- The protection of children from harm.

5. In carrying out its licensing functions, a licensing authority must also have regard to

- The Act itself
- The guidance to the act issued under Section 182 of the Act
- Secondary regulations issued under the Act
- The licensing authority's own statement of licensing policy

- The application, including the operating schedule submitted as part of the application
 - Relevant representations.
6. The summary review powers under sections 53A to 53C of the Act allow the police to trigger a fast track process to review a premises licence where the police consider that the premises are associated with serious crime or serious disorder (or both); and the licensing authority to respond by taking interim steps quickly, where appropriate, pending a full review.

KEY ISSUES FOR CONSIDERATION

The premises licence

The application was opposed by the Police, the Environmental Protection Team and two residents, the application was part granted at a hearing of the Licensing Sub-Committee on 28 June 2010. A copy of the notice of decision is attached as appendix C
10. A minor variation application was made on 09 January 2012 to vary the condition relating to SIA door staff, this variation was granted.

14. On 15 November 2016 the Metropolitan Police applied to the licensing authority for a summary review of the premises licence issued in respect of the premises known as Wazobia Restaurant, 670 Old Kent Road, London SE15 1JF.
15. A senior member of the police force for the area has certified that in his opinion the premises are associated with serious crime or serious disorder or both.
16. The application is concerned with a serious incident that took place on 12 November 2016 at approximately 01:50 hours it is alleged that a patron smashed a brandy bottle and stabbed the head of a male patron causing injuries constant with grievous bodily harm.
17. On investigating the incident it was found that the venue management failed to report the incident to the Police.
18. A number of conditions were found to be contravened, including allowing patrons to enter the premises and leave the premises with alcohol.
19. The Police have requested that members consider an option of two interim steps to be taken to prevent further incidents from occurring;
- Option 1
The licence is suspended until such time as the full hearing is determined
 - Option 2

Reduction in hours in line with the Southwark Statement of Licensing Policy and no later than midnight

No glasses or bottles to be used, all drinks must be served in polycarbonate receptacles

Alcohol is only to be served to customers who are seated and eating a substantial meal and alcohol is ancillary to food

The review procedure

22. The current hearing is for the purpose of considering if interim steps are needed as a result of the police review and information submitted pending the full review hearing that is scheduled to be held on 13 November 2016.
23. The licensing sub-committee is not obliged to hear evidence from other parties at this stage of the procedure. However the premises licence holder has been invited to attend the hearing and members can hear any representation made regarding interim steps.
24. The review is currently being consulted on and is advertised at the premises for 10 days. Responsible authorities and any other persons may make representations that will then be considered at the full hearing of the licensing sub-committee.
25. Any interim steps made by the licensing sub-committee at this hearing will cease to have effect once the review has been determined.

 - The counting device used by the door supervisors on duty was not working and the door supervisors were not searching all people that entered the premises. This is in breach of condition 242 on the current premises licence.
 - When one of the door supervisors was asked what time the last entry into the premises was he replied '02:15' hours. This is in breach of condition 808 on the current premises licence.
27. A warning letter was sent on 31 July 2014
28. A revisit on 31 July 2014 at 00:09 hours found the premises to be compliant.
29. Further visits by council licensing officers working on the night-time economy have been made in response to complaints regarding noise from patrons outside the premises, however these complaints were not substantiated.

- Section 3 - Purpose and Scope of the Policy – Which reinforces the four licensing objectives and the fundamental principles upon which this Authority relies in determining licence applications
- Section 5 – Determining Applications for Premises Licences and Club Premises certificates - Which explains how the policy works and considers issues such as location; high standards of management; and the principles behind condition setting.

34. The purpose of Southwark's Statement of Licensing Policy is to make clear to applicants what considerations will be taken into account when determining applications and should act as a guide to the sub-committee when considering the applications. However, the sub-committee must always consider each application on its own merits and allow exceptions to the normal policy where these are justified by the circumstances of the application.

Resource implications

35. There is no fee associated with this type of application.

Consultations

36. The premises licence holder has been informed of the application for review and of the details of the interim hearing, they have indicated that they will attend the hearing.

Community impact statement

37. Each application is required by law to be considered upon its own individual merits with all relevant matters taken into account.

SUPPLEMENTARY ADVICE FROM OTHER OFFICERS

Director of Law and Democracy

38. The sub-committee is asked to consider interim steps following an application to review the premises licence under Section 53A of the licensing act 2003.
39. The principles, which sub-committee members must apply, are set out below.

Principles for making the determination

40. The licensing authority must hold a hearing to consider interim steps within 48 hours of receiving an application for review of a premises licence where.
- The application is properly made in accordance with Section 53A of the Act.
 - The licensing authority has considered the ground(s) of review to be relevant to the licensing objective for prevention of crime and disorder.
41. The four licensing objectives are –
- The prevention of crime and disorder.
 - The protection of public safety.
 - The prevention of nuisance.
 - The protection of children from harm.
42. Each objective must be considered to be of equal importance. The authority must, having regard to the application and any relevant representations, take such of the following steps as it considers necessary for the promotion of the licensing objectives. The steps are to-
- Modify the conditions of the licence by altering, omitting or adding any condition.
 - Exclude a licensable activity from the scope of the licence.
 - Remove the designated premises supervisor.
 - Suspend the premises licence
43. The steps will remain in place until the review application is determined at a full hearing of the licensing sub-committee.
44. The authority may decide to take no action is if it finds no interim steps are necessary to promote the licensing objectives.

45. In deciding what remedial action if any it should take, the authority must direct its mind to the causes or concerns that the representations identify. The remedial action should generally be directed at these causes and should always be no more than a necessary and proportionate response.
46. It is of particular importance that any detrimental financial impact that may result from a licensing authority's decision is necessary and proportionate to the promotion of the licensing objectives in the circumstances that gave rise to the application for review.

Reasons

47. Where the authority takes interim steps on an application for review it must notify the determination and reasons why for making it to:
 - the holder of the licence
 - the chief officer of police for the area (or each police area) in which the premises are situated.

Hearing procedures

48. Subject to the licensing hearing regulations, the licensing committee may determine its own procedures. Key elements of the regulations are that
 - The hearing shall take the form of a discussion led by the authority. Cross examination shall not be permitted unless the authority considered that it is required for it to consider the representations
 - Members of the authority are free to ask any question of any party or other person appearing at the hearing
 - The committee must allow the parties an equal maximum period of time in which to exercise their rights to:
 - Address the authority
 - If given permission by the committee, question any other party.
 - In response to a point which the authority has given notice it will require clarification, give further information in support of their application.
 - The committee shall disregard any information given by a party which is not relevant:
 - to the particular application before the committee, and
 - the licensing objectives.
 - The hearing shall be in public, although the committee may exclude the public from all or part of a hearing where it considers that the public interest in doing so outweighs the public interest in the hearing, or that part of the hearing, taking place in private.
 - In considering any representations or notice made by a party the authority may take into account documentary or other information produced by a party in support of their application, representations or notice (as applicable) either before the hearing or, with the consent of all the other parties, at the hearing.

49. This matter relates to the review of the premises licence under section 53A of the Licensing Act 2003.

Council's multiple roles and the role of the Licensing Sub-Committee

50. Sub-committee members will note that, in relation to this application, the council has multiple roles. Council officers from various departments have been asked to consider the application from the perspective of the council as authority responsible respectively for environmental health, trading standards, health and safety and as the planning authority.
51. Members should note that the licensing sub-committee is meeting on this occasion solely to perform the role of licensing authority. The sub-committee sits in quasi-judicial capacity, and must act impartially. It must offer a fair and unbiased hearing of the application. In this case, members should disregard the council's broader policy objectives and role as statutory authority in other contexts. Members must direct themselves to making a determination solely based upon the licensing law, guidance and the council's statement of licensing policy.
52. As a quasi-judicial body the licensing sub-committee is required to consider the application on its merits. The sub-committee must take into account only relevant factors, and ignore irrelevant factors. The decision must be based on evidence, that is to say material, which tends logically to show the existence or non-existence of relevant facts, or the likelihood or unlikelihood of the occurrence of some future event, the occurrence of which would be relevant. The licensing sub-committee must give fair consideration to the contentions of all persons entitled to make representations to them.
53. The licensing sub-committee is entitled to consider events outside of the premises if they are relevant, i.e. are properly attributable to the premises being open. The proprietors do not have to be personally responsible for the incidents for the same to be relevant. However, if such events are not properly attributable to the premises being open, then the evidence is not relevant and should be excluded. Guidance is that the licensing authority will primarily focus on the direct impact of the activities taking place at the licensed premises on members of the public, living, working or engaged in normal activity in the area concerned.
54. Members will be aware of the council's code of conduct which requires them to declare personal and prejudicial interests. The code applies to members when considering licensing applications. In addition, as a quasi-judicial body, members are required to avoid both actual bias, and the appearance of bias.
55. The sub-committee can only consider matters within the application that have been raised through representations from interested parties and responsible authorities. Interested parties must live in the vicinity of the premises. This will be decided on a case to case basis.
56. Under the Human Rights Act 1998. The sub committee needs to consider the balance between the rights of the applicant and those making representations to the application when making their decision. The sub-committee has a duty under section 17 Crime and Disorder Act 1998 when making its decision to do all it can to prevent crime and disorder in the borough.

57. There is no right of appeal to a magistrates' court against the licensing authority's decision regarding the setting of interim steps at this Stage.

Guidance

58. Members are required to have regard to the Home Office Guidance in carrying out the functions of licensing authority. However, guidance does not cover every possible situation, so long as the guidance has been properly and carefully understood, members may depart from it if they have reason to do so. Full reasons must be given if this is the case.

REASONS FOR LATENESS

59. The reasons for lateness are that when an application for an expedited summary review is received from the Police under section 53a of the Licensing Act 2003 the Council's licensing authority has a statutory duty hold a hearing within 48 hours from receipt of the application to consider interim steps that may be placed on the premises licence until such time as the application can be fully determined.

REASONS FOR URGENCY

60. The Council has a statutory duty under section 53a to hold an interim hearing within 48 hours of receipt of a summary review.

I am a Superintendent* in the Metropolitan Police Service.

*Insert rank of officer giving the certificate, which must be superintendent or above.

I am giving this certificate because I am of the opinion that other procedures under the Licensing Act are inappropriate in this case because:

(Give a brief description of why other procedures such as a standard review process are thought to be inappropriate, e.g. the degree of seriousness of the crime and/or disorder, the past history of compliance in relation to the premises concerned)

In the early hours of Sunday the 13th November 2016 at about 01.50hrs a serious assault took place outside of the Wazobia Restuarant .

The suspect for this crime stabbed the victim in the side of the face with a broken brandy bottle that he smashed on a wall while following the victim from the location.

He received two deep cuts to the left side of his face and was taken to St Thomas major injury unit. A crime report has been created for this incident and has been classified as a GBH with intent (*Section 18 of the Offences Against the Person Act 1861*).

During the investigation it has been established that the premises failed to call police, the customers were described as hostile and unhelpful to police and no witnesses even though 50+ people present including SIA. The premises had another Serious assault on the 30th October 2016 inside the premises involving a person being hit with a bottle and the victim was told by management not to call police and ejected.

Police have no faith in the current management of the premises and believe that a review under sec 53a of the licensing act 2003 is the appropriate procedure in this case and would seek immediate suspension of the premises licence to avoid further serious injury.

(Please read guidance note 2)

In the early hours of Sunday the 13th November 2016 at about 01.50hrs a serious assault took place outside of the Wazobia Restaurant. The victim entered the bar on his own at 01.10hrs and ordered a Guinness and a bottle of water. (Breach of Conditions 808 no entry after midnight and Condition 345 alcohol only served with Substantial meal.)

The victim noticed suspect had opened his water to which challenged and the suspect became very aggressive towards victim. He left the bar and the suspect followed holding a brandy bottle by the neck he then smashed this on a wall and hit victim in the face with the broken bottle causing 2 deep cuts to face. He received two deep cuts to the left side of his face and was taken to St Thomas major injury unit. A crime report has been created for this incident and has been classified as a GBH with intent (Section 18 of the Offences Against the Person Act 1861).

During the investigation it has been established that the premises failed to call police, the customers were described as hostile and unhelpful to police and no witnesses even though 50+ people present including a minimum of two SIA who should be searching customers on entry and re-entry outside the front where the assault took place (condition 424 on the licence).

The premises had another Serious assault on Sunday the 30th October 2016 inside the premises at 01.20hrs. The victim alleges that a female hit him over the head with a bottle and management ejected him from the premises as the management did not want him to call police.

On Saturday the 1st October 2016 at about 02.30hrs, the victim reported that she was sexually assaulted within the premises. She stated that she was in the club dancing when the suspect touched her bottom and she was so offended she slapped him around the face to which the suspect stated he was going to deal with her today. The venue is a restaurant with a condition alcohol is only served with substantial meal, yet the victim describes the venue as a club indicating nightclub activities in breach of the licence. The venue was contacted and indicated the CCTV may not have been working, Mr Bennetts was contacted by the investigating officer who confirmed he did have CCTV but after a number of attempts to obtain the CCTV after 18 days were informed that they no longer had it. Condition 288 and 289 on the Licence stipulate that images should be kept for 31 days and made Immediately available to police. Mr Bennetts stated that it was the police responsibility to make themselves available when suitable to him and refused to download the CCTV to a memory stick as this was the police responsibility. Due to this breach of the licence the crime report was closed as no other lines of enquiry leaving a suspect for sexual assault unidentified.

The venue is described as a Restaurant with conditions on the licence seeking that alcohol is only served with substantial meals, from all three incidents above it is clear that the venue is operating as a nightclub and bar. Police have no faith in the current management of the premises as at no point have the venue called police in any of the incidents and have hindered investigations. We believe that a review under sec 53a of the licensing act 2003 is the only appropriate action in this case and would seek immediate suspension of the premises licence to avoid further serious injury.

Police can have no faith in the current management of the premises and believe that a review under sec 53a of the licensing act 2003 is the appropriate procedure in this case and would seek suspension of the premises licence or at least reduction in hours in line with the licensing policy for restaurants for the area no later than midnight, no bottles or glass and all drinks served in polycarbonate receptacles, Alcohol only to be served to customers seated and eating a substantial table meal and ancillary to that meal and suspension of regulated entertainment from the licence.
