BACKGROUND INFORMATION

The Licensing Act 2003

3. The Licensing Act 2003 provides a licensing regime for:
 - The sale of and supply of alcohol
 - The provision of regulated entertainment
 - The provision of late night refreshment.
4. Within Southwark, the licensing responsibility is wholly administered by this council.

5. The Act requires the licensing authority to carry out its functions under the Act with a view to promoting the four stated licensing objectives. These are:
 - The prevention of crime and disorder
 - The promotion of public safety
 - The prevention of nuisance
 - The protection of children from harm.

6. In carrying out its licensing functions, a licensing authority must also have regard to:
 - The Act itself
 - The guidance to the act issued under Section 182 of the Act
 - Secondary regulations issued under the Act
 - The licensing authority's own statement of licensing policy
 - The application, including the operating schedule submitted as part of the application
 - Relevant representations.

7. The premises licence application process involves the provision of all relevant information required under the Act to the licensing authority with copies provided by the applicant to the relevant responsible bodies under the Act. The application must also be advertised at the premises and in the local press. The responsible authorities and other persons within the local community may make representations on any part of the application where relevant to the four licensing objectives.

KEY ISSUES FOR CONSIDERATION

The premises licence application

8. On 30 January 2023 Oliver Man applied for a premises licence to be granted under the Licensing Act 2003 in respect of the premises known as These Days Aperitivo Bar, 100 Druid Street SE1 2HQ. The premises and purpose is described as follows:
 - "Arch located on the Bermondsey Beer Mile situated behind on the other side of the tracks to Maltby Street Market. The arch is typical of the others along the stretch - 26m x 5m. One bathroom at the back which will be used for staff only. There's only one entrance at the front which is fully lockable and shuttered. The front third of the arch nearest the door (about 10m) will act as a bar while the back will be a fully functioning canning facility and not open to the public. The arch has about 2.5m x 6m space outside between the front of the arch and the road which we also intend to use for a small number of customers during the summer"

9. The hours applied for are summarised as follows:
 - The sale by retail of alcohol (off and on the premises):
 - Monday to Sunday: 10:00 to 22:30
 - Opening hours:
 - Monday to Sunday: 10:00 to 23:00.

10. The premises licence application form provides the applicant's operating schedule. Parts I, J, K, L, and M of the operating schedule set out the proposed licensable activities, operating hours and operating control measures in full, with reference to the four licensing objectives as stated in the Licensing Act 2003. Should a premises licence be issued in respect of the application the information provided in part M of the operating schedule will form the basis of conditions that will be attached to any licence granted subsequent to the application.
11. A copy of the application is attached to this report in Appendix A.

Designated Premises Supervisor

12. The proposed designated premises supervisor is Oliver Man who holds a personal licence issued by City of Westminster.

Representations from responsible authorities

13. There were two representations received from responsible authorities namely the Metropolitan Police Service and Trading Standards.
14. The representation submitted by the Metropolitan Police Service was concerned that the premises are situated in a residential area and that the application has not adequately addressed the licensing objectives within the operating schedule.
15. The applicant addressed the police concerns and agreed an additional 16 licence conditions. The police therefore withdrew their representation.
16. The trading standards representation asked for six additional conditions to support the proposed age verification system and protect children from harm.
17. The applicant agreed to the additional conditions and trading standards withdrew their representation
18. The representations and a list of the agreed conditions can be found in Appendix B.

Representations from other persons

19. There is one representations from an "other person", currently this representation is made by an individual resident.
20. The representation is concerned with the cumulative impact of an additional alcohol licensed premises in the area and, should he licence application be granted, the effect that the premises may have on residents in the local area. The representation alleges that the current licensed premises have already caused an array of public nuisance and disorder, causing distress to residents who live on the street, including vulnerable adults and children.
21. The representation makes reference to an online petition and a newspaper article.
22. The representation can be found in Appendix C

Conciliation

23. The representations from the responsible authorities have both been conciliated with additional conditions agreed.
24. The representation by the “other person” remains in place.

Premises licensing history

25. There is no licensing related history regarding this premises.

Temporary event notices

26. No temporary event notices have been submitted for this premises.

Map

27. A list of similar licensed premises in Druid Street with sale of alcohol and opening times are in Appendix D.
28. A map showing the location of the premises is attached to this report as Appendix E.

Southwark Council statement of licensing policy

29. Council assembly approved Southwark’s statement of licensing policy 2021-2026 on 25 November 2020 and it came into effect on 1 January 2021.
30. Sections of the statement that are considered to be of particular relevance to the sub-committee’s consideration are:
 - Section 3 – Purpose and scope of the policy. This reinforces the four licensing objectives and the fundamental principles upon which this authority relies in determining licence applications.
 - Section 5 – Determining applications for premises licenses and club premises certificates. This explains how the policy works and considers issues such as location; high standards of management; and the principles behind condition setting.
 - Section 6 – Local cumulative impact policies. This sets out this authority’s approach to cumulative impact and defines the boundaries of the current special policy areas and the classifications of premises to which they apply. To be read in conjunction with Appendix B to the policy.
 - Section 7 – Hours of operation. This provides a guide to the hours of licensed operation that this Authority might consider appropriate by type of premises and (planning) area classification.
 - Section 8 – The prevention of crime and disorder. This provides general guidance on the promotion of the first licensing objective.

- Section 9 – Public safety. This provides general guidance on the promotion of the second licensing objective.
 - Section 10 – The prevention of nuisance. This provides general guidance on the promotion of the third licensing objective.
 - Section 11 – The protection of children from harm. This provides general guidance on the promotion of the fourth licensing objective.
31. The purpose of Southwark’s statement of licensing policy is to make clear to applicants what considerations will be taken into account when determining applications and should act as a guide to the sub-committee when considering the applications. However, the sub-committee must always consider each application on its own merits and allow exceptions to the normal policy where these are justified by the circumstances of the application.
32. Members should take into consideration both the Southwark statement of licensing policy and the Section 182 Guidance when making decisions. Links are below.
- Southwark policy:

[Revised guidance issued under section 182 of Licensing Act 2003 - GOV.UK \(www.gov.uk\)](https://www.gov.uk/government/guidance/section-182-guidance)

Cumulative Impact Area (CIA)

33. The premises are not situated in a cumulative impact area
34. The premises are situated in a residential area, according to the council’s statement of licensing policy.
35. Under the Southwark statement of licensing policy 2021 - 2026 the following closing times are recommended as appropriate within this area for premises operating as:
- restaurants and cafes: 23:00 daily
 - public houses, wine bars or other drinking establishments: 23:00 daily

Climate change implications

36. Following council assembly on 14 July 2021, the council is committed to considering the climate change implications of any decisions.
37. Climate change is not a legal factor in the consideration of a grant of a premises license under the current licensing objectives, however members can make enquiries and request an agreement from applicants to promote the reduction of the impact of climate change that may be caused by the operation of the premises.

38. Examples of such an agreement may be:

- Not to use single use plastics, such as disposable plastic glasses, when selling alcohol at the premises.
- Encourage patrons not to drive to venues by providing details of public transport on their webpages/tickets.

39. The council's climate change strategy is available at:

<https://www.southwark.gov.uk/assets/attach/48607/Climate-Change-Strategy-July-2021-.pdf>

Community, equalities (including socio-economic) and health impacts

Community impact statement

40. Each application is required by law to be considered upon its own individual merits with all relevant matters taken into account.

Equalities (including socio-economic) impact statement

41. This report does not result in a policy decision and each application is required to be considered upon its own individual merits with all relevant matters taken into account. In considering the recommendations of this report, due regard must be given to the public sector equality duty set out in section 149 of the Equality Act 2010. This requires the council to consider all individuals when carrying out its functions.

42. Importantly, the council must have due regard to the need to eliminate discrimination, harassment, victimisation, or other prohibited conduct; advance equality of opportunity and foster good relations between people who have protected characteristics and those who do not. The relevant protected characteristics are age, disability, gender reassignment, pregnancy and maternity, race, religion or belief, sex, sexual orientation. The public sector equality duty also applies to marriage and civil partnership, but only in relation to the need to eliminate discrimination, harassment, victimisation, or other prohibited conduct.

43. The equalities impact statement for licensing decisions is contained within the Southwark statement of licensing Policy 2021 – 2026 is available at:

<https://www.southwark.gov.uk/business/licences/business-premises/licensing/licensing-and-gambling-act-policy>.

44. The equalities impact assessment is available at:

<https://moderngov.southwark.gov.uk/documents/s92016/Appendix%20F%20-%20Equalities%20Impact%20Assessment.pdf>

Health impact statement

45. Health impacts cannot be considered by law when making decisions under the Licensing Act 2003.

Resource implications

46. A fee of £190.00 has been paid by the applicant in respect of this application being the statutory fee payable for premises within non-domestic rateable value B.

Consultation

47. Consultation has been carried out on this application in accordance with the provisions of the Licensing Act 2003. A public notice was published in a local newspaper and similar notices were exhibited outside of the premises for a period of 28 consecutive days.

SUPPLEMENTARY ADVICE FROM OTHER OFFICERS

Assistant Chief Executive - Governance and Assurance

48. The sub-committee is asked to determine the application for a premises licence under Section 17 of the Licensing Act 2003.
49. The principles which sub-committee members must apply are set out below.

Principles for making the determination

50. The sub-committee is asked to determine the application for a premises licence under Section 17 of the Licensing Act 2003.
51. The principles which sub-committee members must apply are set out below.
52. The general principle is that applications for premises licence applications must be granted unless relevant representations are received. This is subject to the proviso that the applicant has complied with regulations in advertising and submitting the application.
53. Relevant representations are those which:
- Are about the likely effect of the granting of the application on the promotion of the licensing objectives
 - Are made by an interested party or responsible authority
 - Have not been withdrawn
 - Are not, in the opinion of the relevant licensing authority, frivolous or vexatious.
54. If relevant representations are received then the sub-committee must have regard to them, in determining whether it is necessary for the promotion of the licensing objectives to:
- To grant the licence subject to:
 - The conditions mentioned in section 18 (2)(a) modified to such extent as the licensing authority considers necessary for the promotion of the licensing objectives

- Any condition which must under section 19, 20 or 21 be included in the licence.
- To exclude from the scope of the licence any of the licensable activities to which the application relates.
- To refuse to specify a person in the licence as the premises supervisor.
- To reject the application.

Conditions

55. The sub-committee's discretion is thus limited. It can only modify the conditions put forward by the applicant, or refuse the application, if it is necessary to do so. Conditions must be necessary and proportionate for the promotion of one of the four licensing objectives, and not for any other reason. Conditions must also be within the control of the licensee, and should be worded in a way which is clear, certain, consistent and enforceable.
56. The four licensing objectives are:
- The prevention of crime and disorder
 - Public safety
 - The prevention of nuisance
 - The protection of children from harm.
57. Members should note that each objective is of equal importance. There are no other licensing objectives, and the four objectives are paramount considerations at all times.
58. Conditions will not be necessary if they duplicate a statutory position. Conditions relating to night café and take away aspect of the license must relate to the night time operation of the premises and must not be used to impose conditions which could not be imposed on day time operators.
59. Members are also referred to the Home Office Revised Guidance issued under section 182 of the Licensing Act 2003 on conditions, specifically section 10.

Reasons

60. If the sub-committee determines that it is necessary to modify the conditions, or to refuse the application for a premises licence application, it must give reasons for its decision.

Hearing procedures

61. Subject to the licensing hearing regulations, the licensing committee may determine its own procedures. Key elements of the regulations are that:
- The hearing shall take the form of a discussion led by the authority. Cross examination shall not be permitted unless the authority considered that it is required for it to consider the representations.
 - Members of the authority are free to ask any question of any party or other person appearing at the hearing.

- The committee must allow the parties an equal maximum period of time in which to exercise their rights to:
 - Address the authority
 - If given permission by the committee, question any other party.
 - In response to a point which the authority has given notice it will require clarification, give further information in support of their application.
- The committee shall disregard any information given by a party which is not relevant to the particular application before the committee and the licensing objectives.
- The hearing shall be in public, although the committee may exclude the public from all or part of a hearing where it considers that the public interest in doing so outweighs the public interest in the hearing, or that part of the hearing, taking place in private.
- In considering any representations or notice made by a party the authority may take into account documentary or other information produced by a party in support of their application, representations or notice (as applicable) either before the hearing or, with the consent of all the other parties, at the hearing.

62. This matter relates to the determination of an application for a premises licence under Section 17 of the Licensing Act 2003. Regulation 26(1) (a) requires the sub-committee to make its determination at the conclusion of the hearing.

Council's multiple roles and the role of the licensing sub-committee

63. Sub-committee members will note that, in relation to this application, the council has multiple roles. Council officers from various departments have been asked to consider the application from the perspective of the council as authority responsible respectively for environmental health, trading standards, health and safety and as the planning authority.
64. Members should note that the licensing sub-committee is meeting on this occasion solely to perform the role of licensing authority. The sub-committee sits in quasi-judicial capacity, and must act impartially. It must offer a fair and unbiased hearing of the application. In this case, members should disregard the council's broader policy objectives and role as statutory authority in other contexts. Members must direct themselves to making a determination solely based upon the licensing law, guidance and the council's statement of licensing policy.
65. As a quasi-judicial body the licensing sub-committee is required to consider the application on its merits. The sub-committee must take into account only relevant factors, and ignore irrelevant factors. The decision must be based on evidence, that is to say material, which tends logically to show the existence or non-existence of relevant facts, or the likelihood or unlikelihood of the occurrence of some future event, the occurrence of which would be relevant. The licensing sub-committee must give fair consideration to the contentions of all persons entitled to make representations to them.

66. The licensing sub-committee is entitled to consider events outside of the premises if they are relevant, i.e. are properly attributable to the premises being open. The proprietors do not have to be personally responsible for the incidents for the same to be relevant. However, if such events are not properly attributable to the premises being open, then the evidence is not relevant and should be excluded. Guidance is that the licensing authority will primarily focus on the direct impact of the activities taking place at the licensed premises on members of the public, living, working or engaged in normal activity in the area concerned.
67. Members will be aware of the council's code of conduct which requires them to declare personal and prejudicial interests. The code applies to members when considering licensing applications. In addition, as a quasi-judicial body, members are required to avoid both actual bias, and the appearance of bias.
68. The sub-committee can only consider matters within the application that have been raised through representations from other persons and responsible authorities. Interested parties must live in the vicinity of the premises. This will be decided on a case to case basis.
69. Under the Human Rights Act 1998, the sub-committee needs to consider the balance between the rights of the applicant and those making representations to the application when making their decision. The sub-committee has a duty under section 17 Crime and Disorder Act 1998 when making its decision to do all it can to prevent crime and disorder in the borough.
70. Other persons, responsible authorities and the applicant have the right to appeal the decision of the sub-committee to the magistrates' court within a period of 21 days beginning with the day on which the applicant was notified by the licensing authority of the decision to be appealed against.

Guidance

71. Members are required to have regard to the Home Office guidance in carrying out the functions of licensing authority. However, guidance does not cover every possible situation, so long as the guidance has been properly and carefully understood, members may depart from it if they have reason to do so. Full reasons must be given if this is the case.

Strategic Director of Finance and Governance

72. The head of regulatory services has confirmed that the costs of this process over and above the application fee are borne by the service.

15. Entitlement to work/immigration status for individual applicants and applications from partnerships which are not limited liability partnerships:

A licence may not be held by an individual or an individual in a partnership who is resident in the UK who:

- does not have the right to live and work in the UK; or
- is subject to a condition preventing him or her from doing work relating to the carrying on of a licensable activity.

Any premises licence issued in respect of an application made on or after 6 April 2017 will become invalid if the holder ceases to be entitled to work in the UK.

Applicants must demonstrate that they have an entitlement to work in the UK and are not subject to a condition preventing them from doing work relating to the carrying on of a licensable activity. They do this in one of two ways: 1) by providing with this application copies or scanned copies of the documents listed below (which do not need to be certified), or 2) by providing their 'share code' to enable the licensing authority to carry out a check using the Home Office online right to work checking service (see below).

- A Certificate of Application, **less than 6 months old**, issued by the Home Office under regulation 18(3) or 20(2) of the Immigration (European Economic Area) Regulations 2016, to a person who is not a national of a European Economic Area state or Switzerland but who is a family member of such a national or who has derivative rights of residence.
- Reasonable evidence that the person has an outstanding application to vary their permission to be in the UK with the Home Office such as the Home Office acknowledgement letter or proof of postage evidence, or reasonable evidence that the person has an appeal or administrative review pending on an immigration decision, such as an appeal or administrative review reference number.

This can include a private medical insurance policy, an EHIC card or an S1, S2 or S3 form.

- (i) any page containing the holder's personal details including nationality;
- (ii) any page containing the holder's photograph;
- (iii) any page containing the holder's signature;
- (iv) any page containing the date of expiry; and
- (v) any page containing information indicating the holder has permission to enter or remain in the UK and is permitted to work.

If the document is not a passport, a copy of the whole document should be provided.

Your right to work will be checked as part of your licensing application and this could involve us checking your immigration status with the Home Office. We may otherwise share information with the Home Office. Your licence application will not be determined until you have complied with this guidance.

Home Office online right to work checking service

As an alternative to providing a copy of the documents listed above, applicants may demonstrate their right to work by allowing the licensing authority to carry out a check with the Home Office online right to work checking service.

To demonstrate their right to work via the Home Office online right to work checking service, applicants should include in this application their 9-digit share code (provided to them upon accessing the service at <https://www.gov.uk/prove-right-to-work>) which, along with the applicant's date of birth (provided within this application), will allow the licensing authority to carry out the check.

In order to establish the applicant's right to work, the check will need to indicate that the applicant is allowed to work in the United Kingdom and is not subject to a condition preventing them from doing work relating to the carrying on of a licensable activity.

An online check will not be possible in all circumstances because not all applicants will have an immigration status that can be checked online. The Home Office online right to work checking service sets out what information and/or documentation applicants will need in order to access the service. Dear Sir/Madam

Re:-These Days Apertivo Bar 100 Druid Street SE1 2HQ

Police are in possession of an application from the above for A New Premises Licence for the Supply of Alcohol on/off sales. The venues application describes itself as a Bar and requests the following operating times

Opening to the Public
Mon-Sun- 1000hrs to 2230hrs

Supply of alcohol on/off sales
Mon-Sun- 0700hrs to 2300hrs

The venue is situated in a residential area under the Southwark statement of licensing policy 2021-2026 and the hours requested are within the policy though we would ask for these to be confirmed and an explanation as to why they wish to supply alcohol so early in the morning.

The applicant has provided some control measures to address the licensing objectives however this area is saturated with licensed premises and we would like to see more detail in addressing the licensing objectives. It should be noted that The Home office guidance issued under Sec 182 of the licensing Act 2003 'General principles' state that it is important in setting the parameters within which the premises may operate. Conditions precise and enforceable.

The metropolitan police object to the granting of this licence in its current format with particular attention to the conditions proposed addressing the licensing objectives. Police welcome the opportunity to communicate and progress this application

Kind Regards

Trading Standards as a responsible authority are in receipt of a new premises license application from Oliver Man in respect of premises at 100 Druid Street, London SE1 2HQ.

Trading Standards as a responsible authority are making representation in respect of this application under all the licensing objectives, but primarily the protection of children from harm.

In the general description this is:-

“Arch located on the Bermondsey Beer Mile situated behind on the other side of the tracks to Maltby Street Market.

The arch is typical of the others along the stretch - 26m x 5m. One bathroom at the back which will be used for staff only.

There's only one entrance at the front which is fully lockable and shuttered.

The front third of the arch nearest the door (about 10m) will act as a bar while the back will be a fully functioning canning facility and not open to the public.

The arch has about 2.5m x 6m space outside between the front of the arch and the road which we also intend to use for a small number of customers during the summer.”

The opening hours are to be :-

Monday – Sunday 10.00 hrs – 23:00 hrs

The hours for alcohol sales are to be :-

Monday – Sunday 10:00 hrs – 22:30 hrs

It is noted that the application states the following in relation to part M(a) General All four licensing objectives...

- Trained staff members present at all times.
- Always more than one staff member.
- CCTV in use, archived and never blocked by any furniture/decor. The public will be informed CCTV is in use via a notice and will cover the inside and outside areas of the premises
- Careful control of number of customers in the arch at any one time.
- Furniture designed for smaller groups
- Furniture designed to promote sitting down rather than crowded standing
- Predominantly lower abv options on the drinks menu
- Glassware will be tough, no stemmed glasses and no pints served at all
- No one carrying any other glass, alcohol or products not served on the premises will be allowed in
- No customers can leave the premises with open containers of alcohol
- Categorized bins will be readily available for all customers

- Staff will be trained in proving identification and the practice of 'Challenge 25'
- There will be hardly any promotional offers, no happy hours and no change in price promoting excessive drinking
- An incident log will be maintained by the DPS at all times
- Strict drugs policy implemented and all staff members trained on the procedure to deal with any incidents
- The police will be notified of any seizure or incident involving drugs
- Notices displaying potential danger to customers' safety will be used e.g. 'Pickpockets operate in this area'
- A secure area for customers' personal belongings is available
- Otherwise, nothing beyond existing health and safety/fire safety etc requirements

It is noted that in relation to the protection of children from harm, part M(e) it states....

- Clear signage explaining the restriction of those under 18
- Proof of age policy in place and staff members trained
- Otherwise, nothing beyond existing health and safety/fire safety etc requirements

It is noted that in relation to The prevention of crime and disorder M part (b)

"Staff will be trained in proving identification and the practice of 'Challenge 25'"

It is noted that in relation to Public safety M part (c)

Staff will be trained in proving identification and the practice of 'Challenge 25'

It is good that the applicant has referenced challenge 25. In Trading Standards as a responsible authority would simply ask that these matters are tidied up into the following conditions....

Trading Standards as a responsible authority ask that the applicant include the following conditions in order to comply with the licensing objective and to also have a suitable age verification system in place.

4AA - The premises shall operate an age check 'Challenge 25' policy whereby customers purchasing alcohol who look or appear to be under 25 years of age will be asked for an approved form of proof of age to verify their age. Approved forms shall include a driving licence, passport or a PASS approved proof of age card such as the Southwark Proof of Age (SPA) card.

4AB - All staff involved in the sale of alcohol shall be trained in the age check 'Challenge 25' policy. A record of their training, including the dates that each member of staff is trained, shall be available for inspection at the premises on request by the Council's authorised officers or the Police.

4AC - Age check or 'Challenge 25' signage shall be displayed at entrances to the premises, areas where alcohol is displayed for sale and at points of sale to inform customers that an age check 'Challenge 25' policy applies and proof of age may be required.

4AI - A register of refused sales of alcohol shall be maintained in order to demonstrate effective operation of the policy. The register shall be available for inspection at the premises on request by Council authorised officers or the Police.

No unaccompanied children under the age of 16 will be allowed on the premises.

I attach electronic documents of training materials and a refusals register which can be used to meet the above conditions in terms of staff training and use of a refusal register. This effectively saves the business the cost of paying a consultant to undertake such activities. There is no

reason why a person in the business who holds a personal license cannot undertake such training for staff and this can form part of a defence for the business should a member of staff supply alcohol to a minor.

Hard copies of the above documents can be provided on request.

Kind Regards

[REDACTED] Arnold Estate Druid Street London SE1 [REDACTED] - Objection on behalf of myself

Apologies for the delay, I was unable to call a general meeting of the TRA or residents in time to get their permission so I am objecting in my name only.

My reasons for objections to licence number 879415 are to prevent public nuisance, protect children from harm and public safety.

Too many alcohol licences have already been handed to businesses on Druid street, which has transformed our residential area into the 'Bermondsey beer mile', which has already caused an array of public nuisance and disorder, causing distress to residents who live on the street, including vulnerable adults and children. The noise caused on the street at the weekends is inescapable; drunk patrons of the premises with alcohol licences have been known to hurl abuse at local residents, urinate on doorsteps, play cricket near windows, and have exposed themselves to children.

The violation of tenants' rights in Southwark due to Druid Street has been reported on London News See links here, which show testimonial and video evidence of the public disorder already present on Druid Street caused by Alcohol licences -
<https://www.mylondon.news/news/south-london-news/brain-tumour-survivor-living-hell-26364250>

<https://www.mylondon.news/news/south-london-news/south-london-neighborhood-thats-like-26380767>

And will continue to be reported to expose Southwark's lack of care to residents by prioritising business money. The Southwark council Low line plans for Druid Street bears no resemblance to the reality that they have allowed.

Decision for yet another alcohol licence on Druid street should be delayed until a TRA meeting on the 23rd of March arranged by Councillor Sam Dalton.

Kind regards
