

NOTIFICATION OF KEY DECISION TO BE TAKEN

GENERAL EXCEPTION NOTICE

DETAILS OF DECISION	
Title of Report	Gateway 2 Ledbury Estate Architect Procurement
Description/Nature of matter requiring Key Decision	Award of contract
Decision taker	Director of New Homes
Date by which Key Decision must be taken	30 July 2021
Reason why it was impracticable for decision to be on the Forward Plan	The decision was listed on the council's forward plan in June. The closed version of the report had been completed and reviewed by the required timeframes. However, we had not completed or issued the open report by the required deadline. This was an administrative error which resulted in the decision not being taken.
Reason why the decision cannot wait for inclusion in the next Forward Plan	The next forward plan update relates to decision to be taken in September 2021. The project team need to appoint the architects as soon as possible to progress the scheme, so that the deadlines for GLA funding can be achieved, and the next decision period would cause a 2 to 3 month delay.
