

Non-strategic Traffic and Highway improvement

Appendix	7
Location	Spa Road
Proposal	Install double yellow lines for access gate
Ward(s) affected	South Bermondsey

Non-strategic Traffic and Highway improvement

A non-strategic traffic and highway improvement is a small project where the council proposes to modify the existing Highway layout. This may include changes to waiting and loading restrictions, traffic calming, improved crossing facilities etc.

Under Part 3D of the council's constitution, the Cabinet Member is responsible for Transport Issues: To decide to implement a traffic and highway improvement project, subject to statutory consultation.

Background / Request

- This request came from a resident, informing Highways of the parked vehicles that block the access gate due to the existing single yellow lines. This makes it impossible for vehicles to enter and exit the gate.

Location

- Spa Road, South Bermondsey
- Spa Road is in Zone GR, CPZ (Controlled Parking Zone). Hours of operation is 8.30 – 18.30, Mon – Fri. Implemented in 2003.
- There is currently single yellow lines.

Investigation and conclusions

- Officers visited site on 5th April 2021 and noted that there were single yellow lines allowing vehicles to park there.

Recommendation

It is recommended that the existing single yellow lines are to be converted to double yellow lines.

This proposal is subject to Traffic Management Order (TMO) statutory consultation. A TMO is the legal mechanism the council as traffic authority uses to control aspects of the way that the highway is used. They provide the legal backing to signs and road markings used on the highway and allow them to be enforceable.

A detailed design drawing of the proposal is provided within this document.

Next steps

Should this non-strategic Traffic and Highway improvement proposal be approved, then arrangement will be made to carryout statutory consultation.

Following the statutory consultation period, the council will make arrangements to install the restrictions (road marking and signage).

Should objections be received during the statutory consultation period, these will be presented to the Cabinet Member for determination.
