

How low-traffic schemes support Council aspirations, strategies and policies

Streets for People aspirations

- 1) Improve road safety
- 2) Reduce carbon emissions to help tackle the climate emergency
- 3) Making walking and cycling an enjoyable, safe and easy way to get around
- 4) Reduce inequalities in health and well being
- 5) Reduce the amount of cut through traffic
- 6) Reduce parking pressure for local residents
- 7) Encourage people to shop locally to support businesses and reduce car use
- 8) Improve air quality and reduce pollution and noise levels.

Council strategies supported by low-traffic schemes
