

## Appendix 4

### PFYPF Commissioning Framework

<b>Outcome 1: Physical activity</b>
Football
Swimming
Basketball
Gym
Boxing
<b>Outcome 2: Personal development</b>
Life skills
Careers advice
Budgeting skills
CV writing
Sports mentoring
<b>Outcome 3: Wellbeing activities</b>
Social space chill out area
Art therapy
Mentoring
Meditation
Counselling
<b>Outcome 4: Workshop/courses</b>
Healthy eating and cooking
Money management
Film making
Arts and crafts
Drama / acting
<b>Outcome 5: Adventure play</b>
Adventure playground
<b>*Outcome 6: Preventative work (15%)</b>
Please see below
<b>**Odessa Youth Centre session</b>
Please see below
<b>***Fast Forward sessions (up to 25 years)</b>
Please see below

#### \*Preventative work

It is proposed that organisations delivering the community based preventative work (15% of the overall grant allocation) must meet at least one of the following criteria:

- Projects that work in innovative ways to inspire and to keep young people out of the criminal justice system.
- Projects that aim to create a positive impact in local communities and encourage longer term sustainability of resources to continue the work taking place with disadvantaged young people.
- Projects that focus on prevention and early help or reduction of criminal activity and are clearly targeted at those most vulnerable to being drawn into criminal

activity rather than open access services.

- Projects that do not duplicate but can link to activities funded through existing programmes such as the council's youth grants or existing council provision working with this target group.
- Projects that help make communities, and/or young people, feel safer.
- Projects that support young ex-offenders, young people who are Care Leavers and complement partnership work on young people's mental health and wellbeing.
- Projects that support young people feeling more able to access services at an early point and in times of crisis.
- Applicants need to show that Young People are and will continue to be actively involved in delivery and be able to evidence clear impact.

### **\*\*Odessa Youth Centre Programme**

To enhance the current council youth programme, the council will also seek, through this procurement process, one organisation to deliver two universal sessions a week from Odessa: Docklands Youth Centre. These sessions must offer at least one of the activities listed in Table 2.

### **\*\*\*Fast forward Special Educational Needs and Disability Project**

The council will also be seeking one organisation to deliver the council's 'Fast Forward' Special Educational Needs and Disability (SEND) project. The requirement will be for a specialist SEND organisation that can deliver two sessions a week from their own premises.

There will be a section on the application form for organisations to indicate if they would like to run sessions from Odessa Youth Centre and if they would like to run the Fast Forward Special Educational Needs Project.
