| 18/11/2016 | 23:20 | Mark Orton | Premises was closed ATOV, appears to be undergoing refurb as stickers on the windows still refer to the previous business at the premises as a grocery shop. Photos attached. |
| 18/12/2016 | 02:21 | Alexander Lisowski | Venue visited at 02.21am, Sunday, 18th December, 2016, with Farhad Choudhry (Health and Safety). Approximately 8 people outside smoking and talking. Returned to venue at 02.58am. Venue in process of closing. Venue had a TEN until 3am that night. |
| 23/12/2016 | 02:35 | Farhad Chowdhury | All quiet still people inside, it was raining outside nobody was outside. |
| 23/12/2016 | 20:40 | Farhad Chowdhury | Open all quiet at present seen few people inside, looks like setting up, will visit later with the NTE police. |

| 23/12/2016 | 23:10 | Farhad Chowdhury | Called NTE police still no answer on their phones. |
| 23/12/2016 | 23:42 | Farhad Chowdhury | Called NTE police no answer decided to visit alone without Police. It was very busy now lots of cars on Hillbeck Close, and lots of cars parked on Sylvan Grove some blocked the road. Seen people were going into Empire lounge from their cars. I went with John Uzodinma as we approached the door; I introduced ourselves to the SIA staff. The licensee then came out Mr George Nwachukwu; he told us that he employed SIA door staff and stewards to direct the customers into the Toys R Us Car Park. He said that the cars on the road were not all his customers they were the two churches above 777 Old Kent Road SE1. I asked for a dispersal policy, he said that they have a dispersal policy but it is not a written policy he could not show me anything. He said that stewards were positioned on the alleyway at the rear and on the roads to prevent people urinating and causing noise disturbance. They have TENS till 3am tonight, they have less than 60 people inside which is about right I did a rough head count. They have 3 WC's and were mixed use. I seen food and drinks on the tables there was loud amplified music being played but nobody was dancing at the time of our visit. I advised the licensee to keep the noise down and not to disturb the local residents and I shall be monitoring them tonight, and the Police also may visit them and we left. |
| 06/01/2017 | 21:23 | Richard Kalu | Visit to premises with Sue Hunter. Arrived at the premises which was operating as a restaurant ATOV. Spoke to operator of the premises and his wife and was advised that there had been an issue earlier in the day which had occurred with a resident that lived at the rear of the premises. Operator alleged that the resident that lived at the rear of the premises had been extorting cash from him. Advised that the resident had been paid £100.00 previously for not making complaints to the council and the police. The operator alleges that no payment was made today and the resident was unhappy. I was advised that the resident then alleges that he was going to make a complaint to the police. I have advised the operator that if he felt that money was being extorted from him that he should inform the police. I also enquired as why if this had happened why this was the first time that he had mentioned this to anyone. No response was provided and I was advised by the operator that he would discuss this issue with the police and send an email to the council. Discussed the operation of TENS at the premises. Was advised that he had a party booked for his premises and that he did not envisage that numbers would be above 50. I was advised that he would employ extra security for the event to make sure that no issues |

| | | | occurred at the premises. Left premises at 22:22hrs after a very long and lengthy discussion with the operator of the premises and his wife who I have been advised will acting as the manager of the premises. COMMENTS BY ENFORCEMENT OFFICER LISOWSKI. I visited the venue on 5/1/2017 to do an "induction", going over the conditions of the licence. I spoke to the PLH / DPS, Mr Nwachukwu. I also discussed the complaints that had been registered against The Empire. Mr Nwachukwu didn't make any mention of anyone exhorted money from him under the threat of making complaints about The Empire. |
| 13/01/2017 | 23:11 | Mark Orton | Monitoring premises. 23:18 Shutters being lowered halfway and two persons leave and walk away, 2 females stood o/s. | 20/01/2017 | 23:00 | Alexander Lisowski | Working with Ken Andrews (EPT) on Friday, 20th January, 2017. At 23.10pm parked in Toys R Us car park to watch venue. Checking on behalf on Planning Dept. who had severed a temporary stop notice on the venue to cease activities after 23.00pm. Shutters were down but the lights were on. 23.15pm walked past the venue. Front door was closed and locked. Looking through the window I could see 3 people clearing up. There was no one at or behind the bar. I couldn't see any people in the restaurant part. However there was one part of the restaurant that I couldn't see through the window. I had arranged to meet NTE Police at 23.30pm. They arrived at 23.45pm and we went into the restaurant via the rear door. 2 of the 3 people clearing up were Mr Nwachukwu and his wife. No customers at the venue. I gave Mr Nwachukwu a copy of the letter I had sent on 19th January, 2017. Whilst talking to him he began to complain about how much rent he had to pay and that he had ploughed his life's savings into the restaurant. His voice rose in volume until he was shouting. He accused Southwark Council of singling him out because other venues nearby were allowed to stay open later than him. He then began sobbing and threatening to kill himself. His wife tried to calm him down. I believed that the presence of Council and Police officers was aggravating the situation, so we left. |

| 03/03/2018 | 22:10 | Farhad Chowdhury | Open all quiet. |
| 06/04/2018 | 23:18 | Richard Kalu | Visit to premises with Farhad Chowdhury. Arrived at the premises at 23:18hrs the weather was clear and dry with a still wind. We parked the vehicle we were travelling in across the road from the premises in the Toys R Us car park on Old Kent Road. At 23:20hrs we left the car we were sat in and crossed the road and stood at the front of the premises to take some observational notes. I noted that I could hear very loud amplified bass music and song lyrics coming emanating from Empire Lounge. I could not hear song lyrics however this was being distorted by the high levels of the bass being amplified from the premises. At 23:26hrs myself and Farhad Chowdhury entered into the premises and I noted X6 patrons stood at the bar. X2 patrons were being passed a bottle of beer and I observed another patron ordering drinks. I looked around the main room and counted X35 patrons sat at table seating food and drinking. Alcoholic drinks were on most of the tables which customers were sat at eating food. In a corner of a room was a DJ playing music with headphones on. It appeared that as he had his headphones on he was not really conscious possibly just how loud the music he was playing was. To the rear of the premises was another room with sliding glazed doors which were open. From my vantage point I could see approximately X10 patrons in this room dancing. From the position I was standing in positioned in the centre of the premises I was acutely aware that the sound levels were very high and I could feel the vibration of the bass through the fabric of the floor I was standing on. The premises licence holder and designated premises supervisor Mr George Nwachukwu (XXXXXXXXXXXX) who I recognised from previous |

| | | | |
|------------|-------|------------------|--|
| | | | <p>visits approached me and I asked if I could speak to him. Mr Nwachukwu could not hear my request to speak somewhere more quiet as the amplified bass of the recorded music was at such a high level within the premises. I had to shout and ask Mr Nwachukwu if we could go somewhere else so he could hear me. Mr Nwachukwu led myself and Farhad Chowdhury to the back of the premises to a corridor. I asked Mr Nwachukwu why he was still operational in light of the fact that he had received and been served a planning enforcement notice. Mr Nwachukwu stated that he did not know what I was talking about. I asked again if he was not aware that he had been served a planning enforcement notice which required him to cease trading at 23:00hrs. Mr Nwachukwu stated again that he did not know what I was talking about again. I then asked him if he had spoken to Gavin Blackburn or had any correspondence from Planning in relation to his trading hours. Mr Nwachukwu stated "yes" and I then asked had Gavin or Planning either by letter or email or via direct conversation discussed an enforcement notice or that the premises needed to close at 23:00hrs. Mr Nwachukwu stated that he vaguely remembered a conversation but did not know anything about the hours he was meant to close at. I then proceeded to ask Mr Nwachukwu if he was in management control of the premises to which he replied "yes". I asked why the music was so loud and he stated that it was a private party. I asked Mr Nwachukwu to look at his watch and confirm what time it stated on his watch. Mr Nwachukwu stated that it was 23:35hrs then said "oh no, I was not aware that it was so late". I asked why does it matter and he retorted "oh I should be closed now". I asked him why should you be closed and he responded by saying "I should be closed". Mr Nwachukwu then walked away from myself and Farhad Chowdhury and walked up to the DJ and spoke to him which then led to the amplified music being turned off. Myself and (FC) sat down at a table near the entrance doors to observe and take observational notes. Mr Nwachukwu then approached us and begun to close the front electronic shutters of his premises. I spoke to Mr Nwachukwu and said I understand your closing the shutters but all your patrons are still within your premises and you are still operational. People are still buying alcohol and drinking alcohol and it appears that people are still eating and maybe ordering food. Mr Nwachukwu looked at me with a slightly confused look then sat down at the table with myself and Farhad Chowdhury. It was at this point that Police Night Time Economy Officers walked into the premises. Mr Nwachukwu then began to plead innocence that he was not aware of a planning enforcement notice. I then spoke to Mr Nwachukwu to clarify the situation in regard to the planning enforcement notice and Mr Nwachukwu stated "yes I know I am meant to close at eleven o'clock". I advised Mr Nwachukwu that I would need to refer my observations of what I had witnessed to planning enforcement and that someone would be in touch to discuss the breach of the planning enforcement notice. Myself Farhad Chowdhury and the two officers from the Police NTE team left the premises at 23:46hrs. When we left the premises and returned to our vehicle I again observed the premise and noted that patrons from the premises were now leaving and that amplified music was no longer audible from outside the premises.</p> |
| 07/04/2018 | 23:15 | Farhad Chowdhury | <p>Premises appears to be open I observed from the Toys R Us Car park directly opposite from our car I was working with Clarissa O'Toole. The premises had shutters down half way now at 23:17hrs. Seen a man enter the premises under the shutters looks like a customer. At 23:18 four customers went inside two ladies and two men all climbed under the shutters, now shutters have been pulled down to make it look like they are closed. At 23:20hrs another lady customer entered the premises and at 23:22 another two ladies went inside and followed by another man at 23:27hrs. Then the owner Mr Nwachukwu came outside to check the area outside and to talk to cars which had driven into Sylvan Grove, he was directing them into the Toys R Us Car Park</p> |

| | | | |
|------------|-------|--------------|--|
| | | | <p>opposite side of the road. He was pointing to Toys R Us Car Park at 23:32 four customers went inside than another man went inside. I went inside to speak to the owner with the NTE Police PC Mark Lynch and PC Jonathon Ducker and Clarissa O'Toole from the Anti Social Behaviour Unit. We spoke to Mr Nwachukwu the owner he started to argue with us saying it was a private party and he is closed no public allowed in. He had a piece of paper in his hands with a list of names of people who were inside. He thinks that he is allowed to open past 23:00hrs as long as it is a private party. Police told him that there is no such thing as a private party there were lot of people inside and music was being played loud. I counted 38 people inside the premises; I could hear the music blaring from the street outside. I said to Mr Nwachukwu that he was breaking the Law by opening past 23:00hrs and I was shocked that I was in last night and warned him about it and despite warning he has opened past 23:00hrs again today. I said to him we witnessed 15 people enter the premises past 23:00hrs he argued that nobody came inside his premises. At that point some of his customers got involved and tried to argue with us, we then decided to leave telling him he is in breach of the Planning Enforcement Notice. I told him to turn off the music which he did, and I told him to contact the Planning Department on Monday and we left. Mr Nwachukwu then followed us across the road and argued with us saying that the complainant is lying there is no noise nuisance and this man has double glazing in his house, and that he will now put the music up loud, I warned him not to do that as he is already in breach and he may face further action and we left.</p> |
| 13/04/2018 | 22:10 | Richard Kalu | <p>Visit to premises to complete full licensing inspection with Farhad Chowdhury. Arrived at the premises and parked across the road in the now closed Toys R Us car Park across the road from the premises. The weather was dry and fine with a very light breeze. Myself and Farhad Chowdhury crossed the road and we stood outside the premises. From outside the premises I could see that the lights were on and it appeared that there was some activity within the premises. I note that no music or bass was audible from the front of the premises. Myself and Farhad Chowdhury entered the premises at 22:15hrs and when we walked in I note that there were approximately X7 patrons sat at tables eating. I looked on the tables and no alcohol was visible on any of the tables that patrons were sat at. I identified myself to a member of staff who then called the operator Mr George Nwachukwu. I advised Mr Nwachukwu that it was my intention to carry out a full inspection. In the course of the inspection I requested to see CCTV footage from within the premises. Although Mr Nwachukwu attempted to use the CCTV system he could not access the CCTV system as he did not know the password for the CCTV system. I also enquired about the sound limiter device in the premises and requested to see evidence any music being played within the premises was being done through the sound limiter device. Mr Nwachukwu advised me that the sound limiter was not in place and that he needed to get someone to come to the premises and install a new sound limiter. I advised Nwachukwu that any sound limiter device installed as per premises licence needed to be installed by a professionally certified acoustic engineer. I discussed the planning enforcement notice with Mr Nwachukwu. Then advised him that I had identified various breaches of his premises licence in the course of carrying out the inspection with him namely; 288 (a) That a CCTV system shall be installed at the premises and maintained in full working order at all times that the premises are in use.
