

NOTIFICATION OF KEY DECISION TO BE TAKEN

GENERAL EXCEPTION NOTICE

DETAILS OF DECISION	
Title of Report	Implementation of Flood Alleviation and Sustainable Urban Drainage Schemes 2021-22
Description/Nature of matter requiring Key Decision	Approval of the implementation of a programme of flood alleviation and drainage schemes
Decision taker	Cabinet Member for the Climate Emergency and Sustainable Development
Date by which Key Decision must be taken	January 2022
Reason why it was impracticable for decision to be on the Forward Plan	Due to a change in Cabinet Member portfolios, it was not clear who would be the Lead Cabinet Member for flood and drainage schemes. Consequently, the report was not added to the Forward Plan at the appropriate time. To comply with the required timescales for new entries to the Forward Plan, the decision would have been listed for February 2022.
Reason why the decision cannot wait for inclusion in the next Forward Plan	The next Forward Plan to be published will be the February 2022 Forward Plan. The decision cannot wait until February as the schemes have been delayed due to determining funding and completion of the detailed designs. Any further delays will have an adverse effect on flood alleviation and preventing local highway flooding.
ORIGINATING AUTHOR'S DETAILS	
Name	Dale Foden – Head of Highways
Contact Number	07500 010216
Email	Dale.foden@southwark.gov.uk
