### **RECOMMENDATION(S)**

1. For the Dulwich Community Council to agree the £15,260 community funding.

### **BACKGROUND INFORMATION**

The Community Council Fund provides revenue grants of between £100 and £1,000 for community projects. Applications are considered by the borough's eight community councils, for projects that will benefit the community.

### **KEY ISSUES FOR CONSIDERATION**

Appendix 2 contains the funding guidelines for the fund.

The Community Council Fund forms part of Southwark 2016 objectives of

- Improving life chances
- A better place for people
- Delivering quality services.

### **Community impact statement**

The allocation of the Dulwich Community Council fund will, in the main affect the people living in the Dulwich Community Council area. However, in making the area a better place to live and improving life chances for local people, the Community Fund activities will have an impact on the whole of Southwark.

The Dulwich community fund aims to increase community participation and activity within the area and provide such groups with the support that they would have not been able to access otherwise.

### **Resource implications**

The budget for the Dulwich Community Council Fund is £15,260 to be spent by the 31 March 2011.

### **Legal/Financial implications**

The Council has power under section 2 of the Local Government Act 2000 (“the Act”) to do anything which it calculates is likely to promote or improve the economic, social or environmental well being of the area. This power can be exercised for benefit of the whole or any part of the council’s area or for the benefits of any person resident or present in the area.

Section 2(3) of the Act requires the Council to have regard to its Community Strategy when determining whether or not to exercise this power. Section 2(4) of the Act specifies that this includes a power to give financial assistance to any person.

The Council has power under the Act to provide funding to voluntary organisations but in exercising this power regard must be had to the Council’s sustainable community strategy. These grants, from the community fund, are from revenue budgets.

The Executive in November 2005 agreed for this to be done by the community councils. The money can be granted to community projects ranging from cultural celebrations to providing equipment for local sports teams.
