

**NOTIFICATION OF KEY DECISION TO BE TAKEN**

**GENERAL EXCEPTION NOTICE**

<b>DETAILS OF DECISION</b>	
<b>Title of Report</b>	Decision on outcome of Liverpool Grove public realm improvements
<b>Description/Nature of matter requiring Key Decision</b>	Approve implementation of public realm improvement scheme on Liverpool Grove following public realm consultation
<b>Decision taker</b>	Cabinet Member for Transport, Parks and Sport
<b>Date by which Key Decision must be taken</b>	January 2022
<b>Reason why it was impracticable for decision to be on the Forward Plan</b>	The decision has been listed on the Forward Plan for a decision for several months with the wards identified as Faraday, North Walworth and Newington. This was originally due to the wards that would be potentially affected by the scheme. Following detailed design the final decision report only identifies Faraday ward as the location of the scheme.
<b>Reason why the decision cannot wait for inclusion in the next Forward Plan</b>	The next Forward Plan to be published will be the March 2022 Forward Plan. This will significantly delay the construction of the proposed works which is a prestige scheme and potentially damage the reputation of the council.
