

<b>Item No.</b> 17.	<b>Classification:</b> Open	<b>Date:</b> 7 February 2022	<b>Meeting Name:</b> Audit, governance and standards committee
<b>Report title:</b>		Annual work programme for the following year (2022-23)	
<b>Ward(s) or groups affected:</b>		All	
<b>From:</b>		Strategic Director of Finance and Governance	

## RECOMMENDATIONS

1. That the audit, governance and standards committee consider the proposed draft work programme for 2022-23 and whether they would wish to make amendments to arrangements as set out in paragraphs 8 and 9 of this report, or in respect of any other matters.
2. That the audit, governance and standards committee, subject to any requested changes, agree the work programme for 2022-23 set out in Appendix 2.

## BACKGROUND INFORMATION

3. Since its establishment in March 2007, the committee has agreed a work programme for the forthcoming year. Amendments to the programme to take account of changing circumstances can be made throughout the year.
4. The purpose of this report is to set out possible areas of work for consideration to enable members to agree a programme for 2022-23.

## KEY ISSUES FOR CONSIDERATION

5. In considering items for inclusion, it may be helpful to do this within the framework of the committee's purpose, as set out in the constitution. This is set out in the constitution to be:
  - Independent assurance of the adequacy of the council's governance arrangements, including the risk management framework and the associated control environment
  - Independent scrutiny of the authority's financial and non-financial performance to the extent that it affects the authority's exposure to risk and weakens the control environment
  - Oversight of the financial reporting process
  - Scrutiny of the treasury management strategy and policies
  - A framework to promote and maintain high standards of conduct by councillors, co-opted members and church and parent governor representatives.
6. The committee's terms of reference, as approved by council assembly, cover functions relating to audit activity, the regulatory framework, accounts, treasury management and

the council's standards framework. They are attached at Appendix 1 as they may further help the committee to determine items to be included in its work programme.

7. Using the 2020-21 revised work programme as a starting point, a draft programme for 2022-23 has been included at Appendix 2 for the committee's consideration. Items shown in brackets are standing items which will be brought forward as they arise. The draft programme is based on meetings of the committee being held in June 2022, July 2022, September 2022, November 2022, February 2023 and June 2023.

#### **Areas of governance for review**

8. During 2020-21 and 2021-22, the committee invited chief officers to attend and discuss departmental governance. The programme was suggested on the understanding that this would be likely to take two years to see all the chief officers
9. Members are asked to consider whether they would wish to continue this approach. If they do not wish to continue this approach, they are asked to identify an alternative approach to the review of governance.
10. There remains a need to ensure flexibility in terms of emerging issues which come to light through items already on the committee's agenda. For example, a review of audit recommendations and progress on their implementation may highlight a need to request the attendance of individuals at a future meeting to help explain action taken. The draft programme therefore includes a standing item relating to review of the committee's work plan. There may also be a need to review the work programme to take account of any changes which may be agreed to the council's constitution during the year.
11. Items have been grouped in line with its functions, in order to ensure that there is appropriate coverage of the committee's key roles as defined in its terms of reference.
12. Training will continue to be provided for members on the role of the committee, and development needs will continue to be monitored to enable appropriate training to be provided as opportunities arise.
13. The committee is asked to consider whether the attached draft work programme reflects its priorities for the next year or whether there are other amendments which it would wish to see included.

#### **Policy implications**

14. This report is not considered to have direct policy implications.

#### **Community impact statement**

15. The decision to agree a work programme for next year is considered not to have a significant impact on any particular community or group.

#### **Resource implications**
