Dear Mr Bennett

**RE: THE LICENSING ACT 2003 – WARNING LETTER

On 24th October 2009 at 23:00 Licensing Enforcement Officers carried out an inspection to determine whether the licensable activities at the above premises were carried out in accordance with your authorisation.

In addition to the above, the Officers also considered 'risk assessment' criteria that would help determine the frequency of future inspections to your premises.

During the inspection the officers witnessed the following:

- 1. Condition No 311 states: That suitable notices shall be displayed and announcement made asking requesting people to leave the premises in a quiet and orderly manner.**
- 2. Condition No 424 states: That SIA registered Door Supervisor, shall be employed at all times after 22:00hrs and the provided with Hand Held metal detection units in order to ensure that searches are carried out in respect of all admissions to the premises, whether members of the public or performers and their assistants and mechanical counting devices to ensure that the maximum accommodation limit of the premises is not exceeded.**

Each of the matters listed above potentially constitutes a breach of the licence issued by the Council under the Licensing Act 2003.

You must ensure that licensable activities and hours of operation are in accordance with those listed on your premises licence. You must also ensure that the conditions attached to your licence are adhered to. A further visit will be made to check on these matters.
