

## APPENDIX 1

### East Central Neighbourhood Funding 2022-23 applications list

#### Peckham

App No	Organisation	Project Title	Project Description	Amount Requested [£]
1051	All Ears Studios	Soul of Southwark	The project aims to unite Southwark residents in a night of family friendly entertainment. Including a talent show, showcasing some dancers, singers and entertainers all from within the borough. Comedy and magic. Prize giveaways and Refreshments for all residents.	£4,000.00
998	Bells Gardens Tenants and Residents Association	Knit and Fit	Get fit. - Our TRA encourages people to improve their fitness, especially if they are new to regular exercise. We engage a wide group of residents, including older residents who participate in walking sessions. Knitting class - offers not only a practical skill and an activity to improve individual mental health, but a cozy and sociable atmosphere, where residents can get to know each other.	£4,420.00
1025	GIRLS ABOUT PECKHAM	g.a.p Peckham Radio	g.a.p Peckham Radio helps us to look at real life situations, narrate experiences and identify patterns and trends. Our intention is to aid community cohesion by connecting young people of our community through radio. Young people will experience agency, whilst making the connection through social experiences. Residents will benefit, as new skills development opportunities will be on offer. We are committed to creating avenues of leadership within Media for underrepresented communities sharing their unseen stories and creating opportunities with other platforms.	£6,398.77
1121	Gloucester Grove Estate TMO	Senior Citizens Christmas Lunch 2022	The project is focused on senior members of GGTMO's community. It aims to break the cycle of isolation by bringing residents together at a time of the year when families typically convene to celebrate the festive season.	£3,540.00
1116	Gloucester Grove Estate TMO	2022 Youth Summer Play Scheme	The scheme is aimed at school children who will otherwise be home bound during summer with no alternative activities affordable by their parents. This initiative is designed to ensure that children are able to attend some of the London's key land marks as well as themed attractions otherwise unaffordable to parents. It will also allow children of varying backgrounds to engage through the support of skilled youth support workers over the period.	£4,000.00
1162	Holistic Well Women	URBAN RESEARCH COMMUNITY VOICES PROJECT	The aim of the project is to bring the community together to conduct local research about grassroots issues and give them opportunity to take part in research on local issues affecting their community. We will recruit and train members of local community in research skills and then will go out into the community and conduct community based research on projects. The project will also give them the opportunity to connect, collaborate and disseminate information in a different and creative way.	£4,000.00

1094	Ignite Hubs	Peckham Code Club	We teach free weekly coding classes to children and young people aged 7 to 18 years olds at Peckham Library. Our classes entail a rich curriculum of front-end web technologies; HTML, CSS, JavaScript and a programming language called Python. We also teach Scratch, a graphical programming language, which is suitable for those new to coding. Our plan is to provide on-site coding sessions at Peckham Library and also remote coding sessions, project "Peckham Code Club" will provide the necessary cash resources to help pay for coding instructors to help us organise, develop and deliver the coding sessions.	£5,000.00
939	Illuminated Arts	Stitching Communities Together	Stitching communities together is a course of open-access workshops primarily targeted at isolated and cared for members of the local community. The workshops will tackle a small embroidered pocket, giving participants the opportunity to revive their sewing skills or learn a new hand-skill. These will later be displayed in a stand-alone exhibition with hard-back catalogue.	£5,000.00
1128	Leaders of Tomorrow (LOT)	Capturing Peckham's Rich Cultural History	The Leaders of Tomorrow (LOT) is a weekly after-school leadership and mentoring programme. Through a series of fortnightly workshops, storytelling, mapping and recording the experiences of different eras in the area and celebrating the distinct dialogues through our multi-generational groups of participants. The project will help young people develop research/analytical and presentation skills, public speaking, networking and volunteering at Golden Oldies organization.	£2,500.00
1082	Link Age Southwark	Seated Dance	We are seeking funds to support the continued delivery of our weekly seated dance class at Tayo Situ House. Tayo Situ provides extra care supported living for older residents with multiple needs. Our tutor, who is trained in dance for people with brain injuries and mobility issues puts the group through its paces with gentle exercises involving creative movements using balloons, balls and other props.	£3,650.00
962	Little Warriors	Little Warriors	LW project is based on the 8 key skills that are the foundation for a healthy, happy, confident, disciplined, and educated child. FOCUS, TEAMWORK, CONTROL, BALANCE, MEMORY, DISCIPLINE, FITNESS, COORDINATION. The discipline provides an enjoyable way of improving your child's physical and mental well-being and builds confidence using activities. What the element of respect built into the martial arts children develop the ability to listen, learn, achieve and defend themselves in a safe, fun, and exciting learning environment.	£2,080.00
1019	Lost Text/Found Space	Solace of Solitude Project - Lost Text/Found Space with Elim House, Peckham	Local company Lost Text/Found Space will collaborate with Elim House and residents to gently consider their experiences of aloneness, to explore creatively what solitude means to them, to understand better and to celebrate the experiences and wisdom of elder women. We will work with Elim House and local playwright Shelley Hastings to create activities and workshops sharing their experiences and take oral histories. Hastings will then be commissioned to weave an audio play and using fragments of Mary Ann Keilty's text. We plan to share this play in two performances - one for member of the group, and one will be a public event (this event will be supported by a workshop for young people exploring their relationship to solitude in the digital age). Lost Text/Found Space plan to take the play forward to create an augmented reality or audio play for people's homes, to be launched in Peckham Festival 2022.	£4,996.00

926	Museum of Contemporary Art, London (MOCA),	Peckham Queer Art Boot Fair	The Peckham Queer Art Boot Fair 2022 would take place on Sunday 28th August 2022 from 3pm to 6pm. Artists will sell their work from roadside stalls. Life drawing classes and art performances will also take place. I am applying as an individual but the funds will be overseen by Illuminated Arts, a Peckham CIC. The whole project will also involve the two groups MOCA London and Queer Life Drawing along with most of the traders on Bellenden and Choumert Road. The funds we are seeking are for things that will allow the free event to go ahead.	£4,900.00
869	NINO STYLE DC	NINO STYLE DC	Community engagement through dance - offer coordination, physical well-being, team building, body confidence. It will give person health & confidence and pride, self-esteem and keep fit for children & adults.	£4,930.00
1169	Rise Community	Rise Box	Rise Box is a programme that provides a community based boxing skills training programme to young people & their parents involving a mixture of non-contact boxing skills and fitness training. Participants will work towards boxing awards, this is designed as a fun recreational programme for people of all ages, levels and abilities. Majority of the participants are from low income families, with many being from BAME. There will be opportunity of upskilling one of the participants (18 years +) to a national governing body L1 qualification and the chance of future employment with Rise Community. The project will run for 16 weeks and we aim to run for 3 hours per week (3 classes with a capacity of 15 per class).	£9,085.00
1026	Bags of Taste	Bags of Taste Food poverty courses	2 Bags of Taste Food poverty courses in the East Central Multi-ward Area of Southwark: Our Mentored home cookery courses tackle food poverty at source, enabling people in local communities to feed themselves on a very low budget of below £1 a portion. Our structured Mentored home courses are delivered in three stages. 1. Each student is allocated a mentor via WhatsApp who supports them during the initial 2 to 2.5 week. We provide students with 9 recipes and a bag of ingredients which is enough food for 7 meals. 2. Students graduate and receive follow up recipes and localised shopping guides. 3. Students join long-term support groups through Whats app or Facebook.	£3,730.00
945	Sporting Recovery CIC	SR Wellness Programme	Sporting Recovery Southwark Wellness Programme provides adults with a mental health history an opportunity to attend our weekly physical activity-based Wellness Programme. This project will relocate the Southwark Wellness Programme from outdoor Burgess park to the Damilola Taylor Community Centre, increasing the number of activities available and enabling the Wellness cafe to operate in colder months. The physical activities that are to take place at the Southwark Wellness programme include; Football Training; Basketball Training; Table Tennis; Badminton; Short Tennis; Non-contact Boxing Training; Supervised Gym; Tai Chi; Yoga; Time 1pm to 4pm every Wednesday.	£5,688.00

1164	Talk & Tell hosted By Girls Cartel	Talk & Tell Hosted By Girls Cartel	Talk & Tell is a panel-based talk. With aims to bridge the gap between local communities and disadvantaged people by raising awareness on topics that have significant impact, all created on a platform where people are free to talk and be heard. The lively show gives audience the chance to participate with interactive games, discussions and to communicate with the hosts who will submit media on current hot topics during the broadcast along with details of all the guests social media. The additional plans are set to include; Interviewing guest at their place of business, whilst offering opportunities to visit us. With aims to create and manage talking groups that will be filmed and edited to create visual ascetics.	£21,300.00
1036	The Friends of Kelly Avenue Park	Community Fun Day	Our Fun Day, which has become a keenly anticipated annual event, provides an opportunity for local families to enjoy leisure time together, without having to travel far or to spend a lot of money. Everyone receives a free lunch and there is entertainment and a range of activities to get involved in, facilitating the making of new connections thus strengthening the community local to the park.	£1,200.00
841	Willowbrook Tenant Management Organisation	Teach our kids to grow food and the impact of going greener.	To help our children understand nature and the natural world by growing their own food, reduce waste, encourage sharing/food swap with feeling embarrassed with what they grown. Have a community of food growers with or without a garden and go greener by replanting grass dead community lawn.	£3,900.00
862	Divine Destiny Parish	Divine Helper	We achieve our aim by rendering supports to the people in the community and our members	£10,500
			<b>Total</b>	<b>£114,817.77</b>

## 862 – Transferred from South
